Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to Part BB of the ICE Clear Europe Delivery Procedures

February 19, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on February 12, 2021, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II and III below, which Items have been prepared by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A) of the Act³ and Rule 19b-4(f)(4)(ii)⁴ thereunder, such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency’s Statement of the Terms of Substance of the Proposed Rule Change

The principal purpose of the proposed amendments is for ICE Clear Europe to make certain amendments to Part BB of its Delivery Procedures to clarify the delivery specifications relating to Containerised White Sugar futures contracts in order to facilitate identification of sugar eligible for delivery under the contract.⁵

II. Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Clearing Agency’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part BB of its Delivery Procedures to clarify the delivery specifications relating to Containerised White Sugar contracts. The proposed amendments would provide that such contracts relate to specified sugar of any origin of the crop or production current on the first day of the delivery period (instead of referencing the crop at the time of delivery). The change would facilitate identification of sugar eligible for delivery under the contract.

(b) Statutory Basis

ICE Clear Europe believes that the proposed amendments to Part BB of the Delivery Procedures are consistent with the requirements of Section 17A of the Act⁶ and the regulations thereunder applicable to it. In particular, Section 17A(b)(3)(F) of the Act⁷ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, the safeguarding of securities and funds in the custody or control of the clearing

agency or for which it is responsible, and the protection of investors and the public interest. The proposed changes to the Delivery Procedures are designed to strengthen ICE Clear Europe’s arrangements and delivery procedures relating to Containerised White Sugar contracts. The amendments would clarify that Containerised White Sugar contracts relate to specified sugar of any origin of the crop or production current on the first day of the delivery period (rather than at the time of delivery). The amendments do not otherwise change the terms and conditions of the contracts, and the contracts will continue to be cleared by ICE Clear Europe in the same manner as they are currently. In ICE Clear Europe’s view, the amendments are thus consistent with the prompt and accurate clearance and settlement of cleared contracts and the protection of investors and the public interest. (ICE Clear Europe would not expect the amendments to affect the safeguarding of securities and funds in ICE Clear Europe’s custody or control or for which it is responsible).

Accordingly, the amendments satisfy the requirements of Section 17A(b)(3)(F).⁸

In addition, Rule 17Ad-22(e)(10)⁹ requires that each covered clearing agency “establish and maintain transparent written standards that state its obligations with respect to the delivery of physical instruments, and establish and maintain operational practices that identify, monitor and manage the risks associated with such physical deliveries.” As discussed above, the amendments would clarify the delivery specifications for Containerised White Sugar contracts to facilitate identification of sugar eligible for delivery under the contracts. The amendments would not otherwise change the manner in which the contracts are cleared or in which delivery is made, as supported by ICE Clear Europe’s existing financial resources, risk management, systems and operational arrangements. The amendments thus clarify the role and responsibilities of the Clearing House and Clearing Members with respect to physical delivery. As a result, ICE Clear Europe believes the amendments are consistent with the requirements of Rule 17Ad-22(e)(10).¹⁰

(B) Clearing Agency’s Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendments would have any

impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The amendments are being adopted to update and clarify the delivery specifications in Part BB of the Delivery Procedures in connection with Containerised White Sugar contracts, and will not otherwise affect the contract. ICE Clear Europe does not expect that the proposed changes will adversely affect access to clearing or the ability of Clearing Members, their customers or other market participants to continue to clear contracts. ICE Clear Europe also does not believe the amendments would materially affect the cost of clearing or otherwise impact competition among Clearing Members or other market participants or limit market participants' choices for selecting clearing services. Accordingly, ICE Clear Europe does not believe the amendments would impose any burden on competition not necessary or appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments relating to the proposed rule changes have not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any written comments received with respect to the proposed amendments.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and paragraph (f) of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. IA-5688]

Notice of Intention To Cancel Registrations of Certain Investment Advisers Pursuant to Section 203(H) of the Investment Advisers Act of 1940

February 22, 2021.

Notice is given that the Securities and Exchange Commission (the "Commission") intends to issue an order or orders, pursuant to section 203(h) of the Investment Advisers Act of 1940 (the "Act"), cancelling the registrations of the investment advisers whose names appear in the attached Appendix, hereinafter referred to as the "registrants."

Section 203(h) of the Act provides, in pertinent part, that if the Commission finds that any person registered under section 203, or who has pending an application for registration filed under that section, is no longer in existence, is not engaged in business as an investment adviser, or is prohibited from registering as an investment adviser under section 203A, the Commission shall by order cancel the registration of such person.

Each registrant listed in the attached Appendix either (a) has not filed a Form ADV amendment with the Commission as required by rule 204-1 under the Act¹ and appears to be no longer engaged in business as an investment adviser or (b) has indicated on Form ADV that it is no longer eligible to remain registered with the Commission as an investment adviser but has not filed Form ADV-W to withdraw its registration. Accordingly, the Commission believes that reasonable grounds exist for a finding that these registrants are no longer in existence, are not engaged in business as investment advisers, or are prohibited from registering as investment advisers under section 203A, and that their registrations should be cancelled pursuant to section 203(h) of the Act.

Notice is also given that any interested person may, by March 19, 2021, at 5:30 p.m., submit to the Commission in writing a request for a hearing on the cancellation of the registration of any registrant listed in the attached Appendix, accompanied by a statement as to the nature of such person's interest, the reason for such person's request, and the issues, if any,
