SUPPLEMENTARY INFORMATION: Pursuant to the Federal Advisory Committee Act (FACA) (5 U.S.C. App. 2), the Secretary of Agriculture (Secretary) established the Committee in 2001 to examine the full spectrum of issues faced by the fruit and vegetable industry and to provide suggestions and ideas to the Secretary on how USDA can tailor its programs to meet the fruit and vegetable industry's needs.

The AMS Deputy Administrator for the Specialty Crops Program serves as the Committee's Executive Secretary, leading the effort to administer the Committee's activities. Representatives from USDA mission areas and other government agencies affecting the fruit and vegetable industry are periodically called upon to participate in the Committee's meetings as determined by the Committee. AMS is giving notice of the Committee meeting to the public so that they may participate and present their views. The meeting is open to the public.

Agenda items may include, but are not limited to, welcome and introductions, administrative matters, consideration of topics for potential working group discussion and proposal, and presentations by subject matter experts as requested by the Committee. Please check the FVIAC website for a final agenda on Monday, April 05, 2021, via <https://www.ams.usda.gov/about-ams/facas-advisory-councils/fviac>.
