**SUPPLEMENTARY INFORMATION:**

Supporting documents which explain in detail the information that the EPA will be collecting are available in the public docket for this ICR. The docket can be viewed online at [www.regulations.gov](http://www.regulations.gov) or in person at the EPA Docket Center, WJC West, Room 3334, 1301 Constitution Ave. NW, Washington, DC. The telephone number for the Docket Center is 202-566-1744. EPA is temporarily suspending its Docket Center and Reading Room for public visitors, with limited exceptions, to reduce the risk of transmitting COVID-19. Our Docket Center staff will continue to provide remote customer service via email, phone, and webform. For additional information about EPA's public docket, visit <http://www.epa.gov/dockets>.

Pursuant to section 3506(c)(2)(A) of the PRA (44 U.S.C. 3501 *et seq.*), EPA is soliciting comments and information to enable it to: (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information will have practical utility; (ii) evaluate the accuracy of the Agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (iii) enhance the quality, utility, and clarity of the information to be collected; and (iv) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. EPA will consider the comments received and amend the ICR as appropriate. The final ICR package will then be submitted to OMB for review and approval. At that time, EPA will issue another **Federal Register** notice to announce the submission of the ICR to OMB and the opportunity to submit additional comments to OMB.

**Abstract:** The Clean Watersheds Needs Survey (CWNS) is required by Clean Water Act (CWA) Sections 205(a) and 516. It is a periodic inventory of existing and planned publicly owned wastewater conveyance and treatment facilities, combined sewer overflow correction, stormwater management and other water pollution control facilities in the United States, as well as an estimate of how many of these facilities need to be built. The CWNS is a joint

effort between EPA and the states. The CWNS collects cost and technical data from states that are associated with publicly owned treatment works (POTWs) and other water pollution control facilities, existing and planned. The respondents who provide this information to EPA are state agencies responsible for environmental pollution control and local facility contacts who provide documentation to the states. Periodically, the states request data or documentation from contacts at the facility or local government level. These respondents are referred to as facilities.

No confidential information is used, nor is sensitive information protected from release under the Public Information Act. EPA achieves national consistency in the final results through the application of uniform guidelines and validation techniques.

**Form Numbers:** None.

**Respondents/affected entities:** States, Territories, and Local Facilities.

**Respondent's obligation to respond:** Voluntary.

**Estimated number of respondents:** 56 States and Territories, 5,349 Local Facilities (total).

**Frequency of response:** Every 4 years.

**Total estimated burden:** 9,645 hours (per year). Burden is defined at 5 CFR 1320.03(b).

**Total estimated cost:** \$505,004 (per year), includes \$0 annualized capital or operation & maintenance costs.

**Changes in Estimates:** There is an increase of 541 hours and \$134,820 in the total estimated respondent burden compared with the ICR previously approved by OMB. This increase is based upon an increase in facility universe, as well as an adjustment in labor rates and benefits.

Dated: February 18, 2021.

## FEDERAL HOUSING FINANCE AGENCY

[No. 2021-N-2]

### Federal Home Loan Bank Community Support Program—Opportunity To Comment on Members Subject To Review

**AGENCY:** Federal Housing Finance Agency.

**ACTION:** Notice.

**SUMMARY:** The Federal Housing Finance Agency (FHFA) is announcing that FHFA will review all applicable Federal Home Loan Bank (Bank) members in 2021 under FHFA's community support requirements regulation. This Notice invites the public to comment on the community support performance of individual members.

**DATES:** Public comments on individual Bank members' community support performance must be submitted to FHFA on or before March 31, 2021.

**ADDRESSES:** Comments on members' community support performance should be submitted to FHFA by electronic mail at

[hmgcommunitysupportprogram@fhfa.gov](mailto:hmgcommunitysupportprogram@fhfa.gov) or by fax to 202-649-4308.

**FOR FURTHER INFORMATION CONTACT:** Deatra Perkins, Senior Policy Analyst, at [hmgcommunitysupportprogram@fhfa.gov](mailto:hmgcommunitysupportprogram@fhfa.gov), Division of Housing Mission and Goals, Federal Housing Finance Agency, Ninth Floor, 400 Seventh Street SW, Washington, DC 20219.

**SUPPLEMENTARY INFORMATION:**

**I. Community Support Review**

Section 10(g)(1) of the Federal Home Loan Bank Act (Bank Act) requires FHFA to promulgate regulations establishing standards of community investment or service that Bank members must meet in order to maintain access to long-term Bank advances. See 12 U.S.C. 1430(g)(1). The regulations promulgated by FHFA must take into account factors such as the Bank member's performance under the Community Reinvestment Act of 1977 (CRA), 12 U.S.C. 2901 *et seq.*, and the Bank member's record of lending to first-time homebuyers. See 12 U.S.C. 1430(g)(2). Pursuant to section 10(g) of the Bank Act, FHFA has promulgated a community support requirements regulation that establishes standards a Bank member must meet in order to maintain access to long-term advances, and establishes review criteria FHFA must apply in evaluating a member's community support performance. See 12 CFR part 1290. The regulation includes standards and criteria for the two statutory factors—members' CRA performance and members' record of lending to first-time homebuyers. 12 CFR 1290.3. Only members subject to the CRA must meet the CRA standard. 12 CFR 1290.3(b). All members subject to community support review, including those not subject to the CRA, must meet the first-time homebuyer standard. 12 CFR 1290.3(c). Members that have been certified as community development financial institutions (CDFIs) are deemed to be in compliance with the

community support requirements and are not subject to periodic community support review, unless the CDFI member is also an insured depository institution or a CDFI credit union. 12 CFR 1290.2(d). In addition, FHFA will not review an institution's community support performance until it has been a Bank member for at least one year. 12 CFR 1290.2(e).

Under the regulation, FHFA reviews each applicable member once every two years. Starting April 1, 2021, each member that is subject to community support review will be required to submit a completed Community Support Statement to FHFA. All Community Support Statements for this review cycle must be submitted by October 29, 2021. FHFA will review the community support performance of each member after receiving the member's completed Community Support Statement.

**II. Public Comments**

FHFA encourages the public to submit comments by March 31, 2021, on the community support performance of Bank members. Each Bank is required to post a notice on its public website and to notify its Advisory Council, nonprofit housing developers, community groups, and other interested parties in its district of the opportunity to submit comments on the community support programs and activities of Bank members, with the name and address of each member subject to community support review. 12 CFR 1290.2(c)(1). In reviewing a member for community support compliance, FHFA will consider any public comments it has received concerning the member. 12 CFR 1290.2(c)(3). To ensure consideration by FHFA, comments concerning the community support performance of members being reviewed in 2021 must be submitted to FHFA, either by electronic mail to [hmgcommunitysupportprogram@fhfa.gov](mailto:hmgcommunitysupportprogram@fhfa.gov), or by fax to 202-649-4308, on or before March 31, 2021. 12 CFR 1290.2(c)(2).
