Certain Crepe Paper Products From the People’s Republic of China: Continuation of Antidumping Duty Order

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC) that revocation of the antidumping duty (AD) order on certain crepe paper products (crepe paper) from the People’s Republic of China (China) would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD order.

DATES: Applicable March 5, 2021.

SUPPLEMENTARY INFORMATION:

Background

On January 25, 2005, Commerce published the AD order on crepe paper from China.1 On August 4, 2020, Commerce published the notice of initiation of the five-year review of the Order, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).2 Commerce conducted this sunset review on an expedited basis, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), because it received a complete, timely, and adequate response from a domestic interested party,3 but no substantive response from respondent interested parties. As a result of its review, Commerce determined that revocation of the Order would likely lead to continuation or recurrence of dumping. Commerce also notified the ITC of the magnitude of the dumping margins likely to prevail should the Order be revoked.4 On February 26, 2021, the ITC published its determination, pursuant to section 751(c) and 752(a) of the Act, that revocation of the Order would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.5

Scope of the Order

For purposes of the Order, the term “certain crepe paper” includes crepe
