### Foreign-Trade Zones Board

[B-14-2021]

#### Foreign-Trade Zone (FTZ) 24—Pittston, Pennsylvania; Notification of Proposed Production Activity; Merck & Co., Inc. (Pharmaceutical Products); Riverside, Pennsylvania

Merck & Co., Inc. (Merck), submitted a notification of proposed production activity to the FTZ Board for its facility in Riverside, Pennsylvania. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on February 24, 2021.

Merck already has authority to produce pharmaceutical products within Subzone 24B. The current request would add finished products and foreign status materials to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Merck from customs duty payments on the foreign-status materials used in export production. On its domestic sales, for the foreign-status materials/components noted below and in the existing scope of authority, Merck would be able to choose the duty rates during customs entry procedures that apply to PRIMAXIN intermediate (imipenem and cilastatin bulk) and INVANZ intermediate (ertapenem sodium) (duty-free). Merck would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials sourced from abroad include: imipenem input; cilastatin input; ertapenem sodium input; BIS (2,

4-Dichlorophenyl) Chlorophosphate; Bi-Cyclic ADC-13 Ketone; Enol Phosphate; and, D-Carboxamide (duty rate ranges from duty-free to 6.5%). The request indicates that the materials are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is April 14, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via [www.trade.gov/ftz](http://www.trade.gov/ftz).

For further information, contact Christopher Wedderburn at [Chris.Wedderburn@trade.gov](mailto:Chris.Wedderburn@trade.gov).

Dated: March 2, 2021.

### International Trade Administration

[A-570-895]

#### Certain Crepe Paper Products From the People's Republic of China: Continuation of Antidumping Duty Order

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** As a result of the determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC)

that revocation of the antidumping duty (AD) order on certain crepe paper products (crepe paper) from the People's Republic of China (China) would likely lead to continuation or recurrence of dumping and material injury to an industry in the United States, Commerce is publishing a notice of continuation of the AD order.

**DATES:** Applicable March 5, 2021.

**FOR FURTHER INFORMATION CONTACT:** Robert Galantucci, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2923.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 25, 2005, Commerce published the AD order on crepe paper from China.<sup>1</sup> On August 4, 2020, Commerce published the notice of initiation of the five-year review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act).<sup>2</sup> Commerce conducted this sunset review on an expedited basis, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), because it received a complete, timely, and adequate response from a domestic interested party,<sup>3</sup> but no substantive response from respondent interested parties. As a result of its review, Commerce determined that revocation of the *Order* would likely lead to continuation or recurrence of dumping. Commerce also notified the ITC of the magnitude of the dumping margins likely to prevail should the *Order* be revoked.<sup>4</sup>

On February 26, 2021, the ITC published its determination, pursuant to section 751(c) and 752(a) of the Act, that revocation of the *Order* would likely lead to a continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.<sup>5</sup>
