OMB Control #: 2125–0579.

Background: States are legally required to enact and enforce laws that revoke or suspend the drivers licenses of any individual convicted of a drug offense and to make annual certifications to the FHWA on their actions. The Department of Transportation’s implementing regulations (23 CFR part 192) of 23 U.S.C. 159 require annual certifications by the Governors. In this regard, the State must submit by January 1 of each year either a written certification, signed by the Governor, stating that the State is in compliance with 23 U.S.C. 159; or a written certification stating that the Governor is opposed to the enactment or enforcement, and that the State legislature has adopted a resolution expressing its opposition to 23 U.S.C. 159.

Beginning in Fiscal Year 2012, States’ failure to comply by October 1 of each fiscal year resulted in a withholding penalty of 8 percent from States’ apportionments for the fiscal year. Any funds withheld from a State under 23 U.S.C. 159 shall not be available for apportionment to that State.

Respondents: 50 States and the District of Columbia and Puerto Rico.

The agency will summarize and/or include your comments in the request for OMB’s clearance of this information collection.
