

be made available prior to the meeting at <https://www.gsa.gov/ChetHNEPA>.

Following the presentations, there will be a moderated session during which members of the public can provide oral comments on the FEIS. Commenters will be allowed 3 minutes to provide comments. Comments will be recorded. Refer to the end of this notice for instructions on how to access the online public meeting.

Comments will be accepted during the meeting, by mail, and by email. Questions or comments concerning the FEIS should be directed to:

- *Email:* osmahn.kadri@gsa.gov.
- *Postal Mail/Commercial Delivery:* Potomac-Hudson Engineering, Inc., ATTN: CHFEB Final EIS, 77 Upper Rock Circle Suite 302, Rockville, MD 20850

All comments received written or oral will become public and part of the Administrative Record.

Further information, including an electronic copy of the FEIS, may be found online on the following website: <https://www.gsa.gov/ChetHNEPA>.

FOR FURTHER INFORMATION CONTACT: Osmahn A. Kadri, Regional Environmental Quality Advisor/NEPA Project Manager, GSA, at 415-522-3617. Please also call this number if special assistance is needed to attend and participate in the public meeting.

SUPPLEMENTARY INFORMATION:

Virtual Public Meeting Information

Members of the public may join the FEIS public meeting by entering the following information—Meeting ID: 960 8174 4705; Password: CHFBEIS, using any of the below methods. Note that the meeting is best viewed through the Zoom app, and attendees are encouraged to download the app at the Zoom website (<https://zoom.us>) or on their mobile device, and test their connection prior to the meeting to ensure best results.

- From their personal computer by launching the Zoom app (if already installed), and clicking 'Join a Meeting' and entering the above Meeting ID and Password. Attendees should follow the prompts to input their name and email address to access the meeting.

- From their personal computer, by going to the Zoom website at <http://zoom.us/join>, entering the Meeting ID and Password, and following the prompts to download and install the Zoom app.

- From their mobile device through the Zoom mobile app, by entering the above Meeting ID and Password.

- For attendees who do not have the Zoom app or do not wish to download the app, visit <http://zoom.us/join> using

your computer's browser, enter the Meeting ID, and click the 'Join from your browser' link that is displayed on the landing page. Then, follow the prompts to enter your name and the meeting Password.

Whether joining through the Zoom app or web browser, attendees should follow the prompts to connect their computer audio. Attendees are encouraged to connect through the 'Computer Audio' tab and click 'Join Audio by Computer' under the 'Join Audio' button on the bottom of their screen. Users who do not have a computer microphone and wish to provide public comment during the meeting may connect by following the prompts under the 'Phone Call' tab under the 'Join Audio' button.

For members of the public who do not have access to a personal computer, they may join the meeting audio by dialing the following number: 669-900-9128. When prompted, enter the following information: Meeting ID—960 8174 4705, followed by the pound (#) key; press pound (#) again when prompted for a participant ID; then enter Password—4068423 followed by the pound (#) key. Note, dialing in to the meeting is only necessary if you are not accessing the meeting through your computer or mobile app, or if you would like to provide oral comments during the meeting but do not have a computer microphone.

The public meeting will be recorded, and all comments provided will become part of the formal record.

Russell Larson,

Director, Portfolio Management Division, Pacific Rim Region, Public Buildings Service.

[30 Day-21-1161]

Agency Forms Undergoing Paperwork Reduction Act Review

In accordance with the Paperwork Reduction Act of 1995, the Centers for Disease Control and Prevention (CDC) has submitted the information collection request, titled Evaluation of Enhancing HIV Prevention Communication and Mobilization Efforts through Strategic Partnerships, to the Office of Management and Budget (OMB) for review and approval. CDC previously published a "Proposed Data

Collection Submitted for Public Comment and Recommendations" notice on June 15, 2020 to obtain comments from the public and affected agencies. CDC did not receive comments related to the previous notice. This notice serves to allow an additional 30 days for public and affected agency comments.

CDC will accept all comments for this proposed information collection project. The Office of Management and Budget is particularly interested in comments that:

(a) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(b) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(c) Enhance the quality, utility, and clarity of the information to be collected;

(d) Minimize the burden of the collection of information on those who are to respond, including, through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses; and

(e) Assess information collection costs.

To request additional information on the proposed project or to obtain a copy of the information collection plan and instruments, call (404) 639-7570. Comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Direct written comments and/or suggestions regarding the items contained in this notice to the Attention: CDC Desk Officer, Office of Management and Budget, 725 17th Street NW, Washington, DC 20503 or by fax to (202) 395-5806. Provide written comments within 30 days of notice publication.

Proposed Project

Evaluation of Enhancing HIV Prevention Communication and Mobilization Efforts through Strategic Partnerships (OMB Control No. 0920-1161)—Reinstatement without change—National Center for HIV/AIDS, Viral Hepatitis, STD, and TB Prevention

(NCHHSTP), Centers for Disease Control and Prevention (CDC).

Background and Brief Description

The Let’s Stop HIV Together (Together) campaign is a multifaceted national communication initiative that supports reduction of HIV incidence in the United States through multiple, concurrent communication and education campaigns for a variety of audiences, including the general public, populations most affected by HIV and health care providers. All components of the campaign support the comprehensive HIV prevention efforts of CDC and the Ending the HIV Epidemic initiative.

Within this context, the Centers for Disease Control and Prevention’s Division of HIV/AIDS Prevention (DHAP) is implementing various partnership activities to increase HIV awareness among the general public, reduce new HIV infections among disproportionately impacted populations, and improve health outcomes for people with HIV in United States and its territories. For example, DHAP is funding the “Enhancing HIV Prevention Communication and Mobilization Efforts through Strategic Partnerships” program. Partners funded under the partnership program will (1) support the dissemination of Together campaign materials, messaging, and other CDC resources that support HIV prevention and (2) implement national engagement efforts focusing on HIV

prevention and awareness. Partners represent civil, media, and LGBT-focused organizations.

In addition, DHAP will continue to support ongoing activities to engage and support the private sector in promoting HIV education, awareness, and policies in the workplace and community. Overall, partnership efforts serve to increase HIV awareness among the general public, reduce new HIV infections among disproportionately impacted populations, and improve health outcomes for people with HIV in the United States and its territories.

The project will evaluate the extent to which activities implemented by partners meet the initiative’s goals for disseminating, communicating, and engaging the public in HIV prevention and education activities. We will collect information from partners on their activities for disseminating HIV messages through materials distribution at national and local events, media and advertising, HIV testing facilitation, and formation and coordination of strategic partnerships; barriers and facilitators to implementation of these activities, and factors that may help contextualize their progress towards meeting the initiative’s goals; and their involvement in promoting HIV education, awareness, and policies in their organization. We will collect this information through these five sources: (a) Metrics Database: Partners will be required to report quarterly data to CDC and CDC’s evaluation contractor through a metrics

database. (b) Biannual key informant interviews: The point of contacts (POCs) from some partner organizations will be interviewed twice yearly via telephone. (c) Interim Progress Reports: Partners will complete a standardized progress report on a biannual basis via a user-friendly electronic form. The progress reports will gather information on key successes, facilitators and barriers, and major achievements. (d) Partner Survey: Partners will complete a brief online survey to assess their involvement in promoting HIV education, awareness, and policies in their organization. (e) Partnerships Activities Form: Partners may be asked to complete a brief electronic form to provide information on each partner activity that they complete. The form will collect information on information such as the type of event, the audience, and key highlights; the number of HIV tests administered (if any) and the number of preliminary positives; the number and type of materials distributed. This information will allow CDC to know what partners are doing to advance HIV prevention and education, and how CDC can alter their partnership efforts to facilitate HIV prevention and education in the future. The organization (and not the individual) will be the unit of analysis. As such, no personally identifiable information will be collected.

There is no cost to participants other than their time. The total estimated annualized burden hours are 4,411.

ESTIMATE OF ANNUALIZED BURDEN HOURS

Type of respondents	Form name	Number of respondents	Number of responses per respondent	Average burden per response (in hours)
Partner Organization	Metrics Database	44	4	18
Partner Organization	Key Informant Interview Guide	25	2	1
Partner Organization	Interim Progress Report	10	2	8
Partner Organization	Partner Survey & Screener	300	1	40/60
Partner Organization	Partnership Activities Form	499	4	25/60

Jeffrey M. Zirger,

Lead, Information Collection Review Office, Office of Scientific Integrity, Office of Science, Centers for Disease Control and Prevention.

Centers for Disease Control and Prevention

[60 Day-21-1182; Docket No. CDC-2021-0016]

Proposed Data Collection Submitted for Public Comment and Recommendations

AGENCY: Centers for Disease Control and Prevention (CDC), Department of Health and Human Services (HHS).

ACTION: Notice with comment period.

SUMMARY: The Centers for Disease Control and Prevention (CDC), as part of its continuing effort to reduce public burden and maximize the utility of government information, invites the general public and other Federal agencies the opportunity to comment on a proposed and/or continuing information collection, as required by the Paperwork Reduction Act of 1995. This notice invites comment on a reinstatement of a currently approved data collection titled “Formative
