

## ENVIRONMENTAL PROTECTION AGENCY

[FRL-10021-03-Region 8]

### Public Water System Supervision Program Revision for the State of Colorado

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notice.

**SUMMARY:** Public notice is hereby given that the state of Colorado has revised its Public Water System Supervision (PWSS) Program by adopting federal regulations for the Revised Total Coliform Rule (RTCR) that correspond to the National Primary Drinking Water Regulations (NPDWR). EPA has reviewed Colorado's regulations and determined they are no less stringent than the federal regulations. EPA is proposing to approve the RTCR for Colorado.

This approval action does not extend to public water systems in Indian country. Please see **SUPPLEMENTARY INFORMATION**, Unit B.

**DATES:** Any interested parties may request a public hearing on this determination by April 12, 2021. Please see **SUPPLEMENTARY INFORMATION**, Unit C, for details. Should no timely and appropriate request for a hearing be received, and the Regional Administrator (RA) does not elect to hold a hearing on his/her own motion, this determination shall become applicable April 12, 2021 and no further notice will be issued.

**ADDRESSES:** Requests for a public hearing should be submitted to: Robert Clement by email at [clement.robert@epa.gov](mailto:clement.robert@epa.gov) or by phone (303) 312-6653.

**FOR FURTHER INFORMATION CONTACT:** Robert Clement, Drinking Water B Section, EPA Region 8, Denver, Colorado by email at [clement.robert@epa.gov](mailto:clement.robert@epa.gov) or by phone toll-free at 1-(800) 227-8917 extension 312-6653, or directly at (303) 312-6653.

**SUPPLEMENTARY INFORMATION:** In accordance with section 1413 of the Safe Drinking Water Act (SDWA), 42 U.S.C. 300g-2, and 40 CFR 142.13, public notice is hereby given that the state of Colorado has revised its PWSS program by adopting federal regulations for the RTCR that correspond to the NPDWR in 40 CFR parts 141 and 142. EPA has reviewed Colorado's regulations and determined they are no less stringent than the federal regulations. EPA is proposing to approve Colorado's primacy revision for the RTCR. This approval action does not extend to public water systems in

Indian country as defined in 18 U.S.C. 1151. Please see **SUPPLEMENTARY INFORMATION**, Unit B.

#### A. Why are revisions to State programs necessary?

States with primary PWSS enforcement authority must comply with the requirements of 40 CFR part 142 to maintain primacy. They must adopt regulations that are at least as stringent as the NPDWRs at 40 CFR parts 141 and 142, as well as adopt all new and revised NPDWRs in order to retain primacy (40 CFR 142.12(a)).

#### B. How does this action affect Indian country (18 U.S.C. 1151) in Colorado?

EPA's approval of Colorado's revised PWSS program does not extend to Indian country as defined in 18 U.S.C. 1151. Indian country in Colorado generally includes (1) lands within the exterior boundaries of the following Indian reservations located within Colorado, in part or in full: The Southern Ute Indian Reservation and the Ute Mountain Ute Reservation; (2) any land held in trust by the United States for an Indian tribe; and (3) any other areas which are "Indian country" within the meaning of 18 U.S.C. 1151. EPA or eligible Indian tribes, as appropriate, will retain PWSS program responsibilities over public water systems in Indian country.

#### C. Requesting a Hearing

Any interested party may request a hearing on this determination within thirty (30) days of this notice. All requests shall include the following information: Name, address, and telephone number of the individual, organization, or other entity requesting a hearing; a brief statement of interest and information to be submitted at the hearing; and a signature of the interested individual or responsible official, if made on behalf of an organization or other entity. Frivolous or insubstantial requests for a hearing may be denied by the RA.

Notice of any hearing shall be given not less than fifteen (15) days prior to the time scheduled for the hearing and will be made by the RA in the **Federal Register** and in a newspaper of general circulation in the state. A notice will also be sent to both the person(s) requesting the hearing and the state. The hearing notice will include a statement of purpose of the hearing, information regarding time and location for the hearing, and the address and telephone number where interested persons may obtain further information. The RA will issue an order affirming or rescinding

the determination upon review of the hearing record.

Please bring this notice to the attention of any persons known by you to have an interest in this determination.

Dated: March 5, 2021.

**Overview of Information Collection**

*Collection Title:* Local Union Report (EEO-3).

*OMB Number:* 3046-0006.

*Frequency of Report:* Biennial.

*Type of Respondent:* Local referral unions with 100 or more members.

*Description of Affected Public:* Local referral unions and independent or unaffiliated referral unions and similar labor organizations.

*Responses:* 1,100<sup>1</sup> per biennial collection.

*Reporting Hours:* 2,252 per biennial collection.

*Burden Hour Cost:* \$70,415.95 per biennial collection.

*Federal Cost:* \$390,120.85 per biennial collection.

*Number of Forms:* 1.

*Form Number:* EEOC Form 274.

*Abstract:* Section 709(c) of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. 2000e-8(c), requires labor organizations to make and keep records relevant to a determination of whether unlawful employment practices have been or are being committed and produce reports required by the EEOC.

Accordingly, the EEOC issued regulations, 29 CFR 1602.22 and 1602.27-.28, which set forth the reporting requirements and related record retention policies for various kinds of labor organizations. 29 CFR 1602.22 requires every local union to retain the most recent report filed, and 29 CFR 1602.27-.28 require filers to make records necessary for completion of the EEO-3 and preserve them for a year (or if a charge of discrimination is filed, relevant records must be retained until final disposition of the matter). 29 CFR 1602.22 and 1602.27-.28 are related to recordkeeping which is part of standard administrative practices, and as a result, the EEOC believes that any impact on burden would be negligible and nearly impossible to quantify. Local referral unions with 100 or more members have been required to submit EEO-3 reports since 1967 (biennially since 1986). The EEOC uses EEO-3 data for research and to investigate charges of discrimination. The individual reports are confidential.

*Burden Statement:* The methodology for calculating annual burden reflects

the different staff that are responsible for preparing and filing the EEO-3. These estimates stem from a limited study that was conducted in 2015 with nine EEO-3 respondents. The EEOC accounts for time to be spent biennially on EEO-3 reporting by business agents and administrative staff, as well as time spent by attorneys who, in a few cases, may consult briefly during the reporting process. The estimated number of respondents included in the biennial EEO-3 collection is 1,100 local referral unions, as this is the approximate number of filers from the 2018 reporting cycle. The estimated hour burden per report will be 2.05 hours, and the estimated total biennial respondent burden hours will be 2,251.80. Burden hour cost was calculated using median hourly wage rates for administrative staff and legal counsel, and average hourly wage rates for labor union business agents.

The burden hour cost per report will be \$67.33, and the estimated total burden hour cost per biennial collection will be \$70,415.95 (See Table 1 for calculations).

TABLE 1—ESTIMATE OF BIENNIAL BURDEN FOR EEO-3 REPORT

Local referral union staff	Hourly wage rate <sup>a</sup>	Hours per local	Cost per local	Total burden hours	Total burden hour cost
Secretaries and Administrative Assistants .....	\$18.84	1	\$18.84	1,100	\$20,724.00
Business Agent .....	45.00	1	45.00	1,100	49,500.00
Corporate Legal Counsel .....	69.86	0.05	3.49	55	191.95
<b>Total .....</b>		<b>2.05</b>	<b>67.33</b>	<b>2,251.80</b>	<b>70,415.95</b>

**Note:** A limited study was conducted by the EEOC of local referral union EEO-3 respondents. The methodology included surveying nine local referral union respondents by asking a series of survey questions approved by the EEOC's Office of Legal Counsel regarding the type of local union staff involved in submitting EEO-3 data. The EEOC asked responding study participants to estimate how long on average it took identified local union staff members to complete the EEO-3 report and what proportion of that time was allocated to each staff member job title. The burden hours per local union by job title, 2.05, is estimated based on filer responses. The results of the study were published in the Final Notice of Submission for OMB Review—Extension Without Change: Local Union Report (EEO-3) on January 24, 2017: <https://www.federalregister.gov/documents/2017/01/24/2017-01558/agency-information-collection-activities-proposed-collection-submission-for-omb-review>.

<sup>a</sup>Hourly wage rates for administrative staff and legal counsel were obtained from the Bureau of Labor Statistics, May 2019 (see U.S. Dept. of Labor, Bureau of Labor Statistics, Occupational Outlook Handbook, [https://www.bls.gov/oes/current/oes\\_stru.htm](https://www.bls.gov/oes/current/oes_stru.htm)) and the average hourly wage rate for a labor union business agent was obtained from salaryexpert.com (see <https://www.salaryexpert.com/salary/job/labor-union-business-agent/united-states>).

These estimates are based upon filers' use of the EEO-3 online web-based application system to submit reports. During the 2018 EEO-3 collection cycle, approximately 1,100 local referral unions were identified as being eligible to report EEO-3 data, and all but 31 of the 975 responsive EEO-3 filers submitted their data electronically. Online electronic filing remains the most popular, efficient, accurate, and secure means of reporting for respondents required to submit the EEO-3 report. The EEOC has made online electronic filing much easier for

respondents required to file the EEO-3 report and as a result, more respondents are using this method. Accordingly, the EEOC will continue to encourage EEO-3 filers to submit data through online electronic filing and will only accept paper records from filers who have secured permission to submit data via paper submission.
