 Certain Hot-Rolled Steel Flat Products From the Netherlands: Rescission of Antidumping Duty Administrative Review; 2019–2020
AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.
SUMMARY: The Department of Commerce (Commerce) is rescinding the administrative review of the antidumping duty order on certain hot-rolled steel flat products (HR Steel) from the Netherlands covering the period of review (POR) October 1, 2019, through September 30, 2020, based on the timely withdrawal of the request for review.
SUPPLEMENTARY INFORMATION:

Background

On October 1, 2020, Commerce published a notice of opportunity to request an administrative review of the antidumping duty order on HR Steel from the Netherlands for the period October 1, 2019, through September 30, 2020. On November 2, 2020, AK Steel Corporation, Steel Dynamics Inc., SSAB Enterprises, LLC, Nucor Corporation, and United States Steel Corporation (the petitioners) timely requested an administrative review of the antidumping duty order with respect to Tata Steel Ijmuiden BV. Commerce received no other requests for an administrative review of the antidumping duty order.

On December 8, 2020, pursuant to section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we published in the Federal Register a notice of initiation of an administrative review of the antidumping duty order on HR Steel from the Netherlands with respect to Tata Steel Ijmuiden BV. On February 19, 2021, the petitioners timely withdrew their administrative review request for Tata Steel Ijmuiden BV.

Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review. The petitioners withdrew their request for review within 90 days of the publication date of the Initiation Notice. No other parties requested an administrative review of the antidumping duty order. Therefore, in accordance with 19 CFR 351.213(d)(1), we are rescinding the administrative review of the antidumping order on HR Steel from the Netherlands for the period October 1, 2019, through September 30, 2020, in its entirety.

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries of HR Steel from the Netherlands during the POR at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the Federal Register.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce’s presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Order

This notice also serves as a reminder to parties subject to an administrative protective order (APO) of their responsibilities.

SUPPLEMENTARY INFORMATION:

Background

On September 1, 2020, Commerce published in the Federal Register a notice of opportunity to request an administrative review of the antidumping duty order on heavy walled rectangular welded carbon steel pipes and tubes from Korea for the period September 1, 2019, through August 31, 2020. In September 2020, Commerce received timely requests, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), to conduct an administrative review of this antidumping duty order from Nucor Tubular Products Inc. (the petitioner), Dong-A Steel Co., Ltd., and HiSteel Co., Ltd. Based upon these requests, on October 30, 2020, in accordance with section 751(a) of the Act, Commerce published in the Federal Register a notice of initiation listing 29 companies for which Commerce received timely requests for review.

In January 2021, the petitioner timely withdrew their request for an administrative review of certain companies. These companies are listed in Appendix I.

As noted above, the petitioner withdrew their requests for review of certain companies by the 90-day deadline, and no other party requested an administrative review of this order with respect to these companies. Accordingly, we are rescinding this administrative review with respect to the companies listed in Appendix I.

Assessment

Commerce will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the Federal Register.
