

permit unfair discrimination between customers, issuers, brokers, or dealers.

The Commission notes that the proposed rule change will bring the Exchange's handling of deficiencies in a Company's compliance with LTSE Rule 14.425 into alignment with its handling of deficiencies in a Company's compliance with other LTSE Rules pertaining to corporate governance,³³ as detailed in the adjudicatory process set forth in LTSE Rule Series 14.500. The Commission further notes that any Company listed on LTSE would already have had to adopt and publish Long-Term Policies prior to being accepted for listing. The Commission therefore believes it is reasonable to afford a Company the opportunity to submit a Plan of Compliance should a deficiency subsequently arise in this area. The Commission notes in this regard that, in addition to submitting a Plan of Compliance, a listed Company that receives a deficiency notification from the Exchange is required to make a public announcement that discloses its receipt of the notification and the basis for it, and that such announcement must be made as promptly as possible but not more than four business days following receipt of the notification.³⁴ Based on the foregoing, the Commission finds that the proposed rule change is consistent with the Act.

IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,³⁵ that the proposed rule change (SR-LTSE-2021-01), be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.³⁶

J. Matthew DeLesDernier,
Assistant Secretary.

BILLING CODE 8011-01-P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Notice of Modification of Section 301 Action: Enforcement of U.S. WTO Rights in the Large Civil Aircraft Dispute

AGENCY: Office of the United States
Trade Representative (USTR).

ACTION: Notice.

SUMMARY: The U.S. Trade
Representative has determined to

modify the action being taken in the investigation by suspending the additional tariffs on goods of the European Union for a period of four months. The suspension is in accord with a joint U.S.-EU statement that promotes a resolution of the large civil aircraft dispute.

DATES: As of 12:01 a.m. eastern standard time on March 11, 2021, the additional duties on products of the European Union covered by the action taken in this investigation are suspended for a period of four months.

FOR FURTHER INFORMATION CONTACT: For questions about the investigation or this notice, contact Associate General Counsel Megan Grimball, at (202) 395-5725, or Director for Europe Michael Rogers, at (202) 395-3320.

SUPPLEMENTARY INFORMATION:

A. Proceedings in the Investigation

For background on the proceedings in this investigation, please see prior notices, including: Notice of initiation, 84 FR 15028 (April 12, 2019); notice of determination and action, 84 FR 54245 (October 9, 2019); and notices concerning revisions or modifications of action, 85 FR 10204 (February 21, 2020), 85 FR 50866 (August 18, 2020), 86 FR 674 (January 6, 2021), 86 FR 9420 (February 12, 2021), and FR Doc. 2021-05035 (March 11, 2021).

B. Modification of Action

Section 307(a) of the Trade Act of 1974, as amended, (Trade Act) provides that the U.S. Trade Representative may modify or terminate any action subject to the specific direction, if any, of the President with respect to such action, that is being taken under section 301 if any of the conditions described in section 301(a)(2) exist. Section 301(a)(2)(B)(iv) of the Trade Act provides that the U.S. Trade Representative is not required to take action under section 301(a)(1) "in extraordinary cases, where the taking of action . . . would have an adverse impact on the United States economy substantially out of proportion to the benefits of such action, taking into account the impact of not taking such action on the credibility of [actions taken under section 301]."

On March 5, 2021, the United States and the European Union issued a Joint Statement promoting a resolution of the large civil aircraft dispute:

The European Union and the United States today agreed on the mutual suspension for four months of the tariffs related to the World Trade Organization (WTO) Aircraft disputes. The suspension will cover all tariffs both on aircraft as well as on non-aircraft products,

and will become effective as soon as the internal procedures on both sides are completed.

This will allow the EU and the US to ease the burden on their industries and workers and focus efforts towards resolving these long running disputes at the WTO.

The EU and the US are committed to reach a comprehensive and durable negotiated solution to the Aircraft disputes. Key elements of a negotiated solution will include disciplines on future support in this sector, outstanding support measures, monitoring and enforcement, and addressing the trade distortive practices of and challenges posed by new entrants to the sector from non-market economies, such as China.

These steps signal the determination of both sides to embark on a fresh start in the relationship.

Promoting a successful resolution of the dispute by suspending the additional duties provides benefits to the U.S. economy that outweigh any adverse impacts on the U.S. economy, and the suspension maintains the credibility of the section 301 action. Accordingly, the U.S. Trade Representative has determined, in accordance with sections 307(a) and 301(a)(2)(B)(iv) of the Trade Act, to modify the action by suspending the additional duties on products of the European Union for four months. The decision to modify the action takes into account the public comments received in response to prior notices issued in the investigation as well as the advice of the interagency Section 301 Committee.

To give effect to the U.S. Trade Representative's determination, as specified in the Annex to this notice, the additional duties imposed by subheadings 9903.89.05, 9903.89.07, 9903.89.10, 9903.89.13, 9903.89.16, 9903.89.19, 9903.89.22, 9903.89.25, 9903.89.28, 9903.89.31, 9903.89.34, 9903.89.37, 9903.89.40, 9903.89.43, 9903.89.46, 9903.89.52, 9903.89.55, 9903.89.57, 9903.89.59, 9903.89.61, and 9903.89.63, and as provided by their associated subchapter notes, will not apply to products of Austria, Belgium, Bulgaria, Croatia, Republic of Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, and Sweden, that are entered for consumption, or withdrawn from warehouse for consumption, on or after 12:01 a.m. eastern standard time on March 11, 2021, and before 12:01 a.m. eastern daylight time on July 11, 2021.

Petition for Exemption

Docket No.: FAA-2021-0079.

Petitioner: Airlines for America.

Section of 14 CFR Affected: 121.463(c).

Description of Relief Sought: Airlines for America (A4A), on behalf of its member airlines, petitions for relief from § 121.463(c). The relief, if granted, would suspend the requirement for aircraft dispatcher operating familiarization flights until March 31, 2022. The petition seeks to allow dispatchers who have completed operating familiarization flights in previous years to remain qualified without exposing them and flight crew members to an increased risk for exposure to COVID-19.
