### Foreign-Trade Zones Board

[B-19-2021]

#### Foreign-Trade Zone (FTZ) 59—Lincoln, Nebraska; Notification of Proposed Production Activity; Zoetis Services, LLC; (Pharmaceutical Products); Lincoln, Nebraska

Zoetis Services, LLC (Zoetis) submitted a notification of proposed production activity to the FTZ Board for its facility in Lincoln, Nebraska. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on March 2, 2021.

The Zoetis facility is located within Subzone 59E. The facility is used for the production of pharmaceuticals for the animal pharmaceutical industry. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status material and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Zoetis from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status material noted below, Zoetis would be able to choose the duty rates during customs entry procedures that applies to Simparica® (Sarolaner) chewable tablets (duty-free). Zoetis would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material sourced from abroad is sarolaner spray dried dispersion (duty rate 6.5%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: [ftz@trade.gov](mailto:ftz@trade.gov). The closing period for their receipt is April 26, 2021.

#### Pentafluoroethane (R-125) from the People's Republic of China: Postponement of Preliminary Determination in the Countervailing Duty Investigation

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**DATES:** Applicable March 16, 2021.

**FOR FURTHER INFORMATION CONTACT:** Joshua Tucker at (202) 482-2044 or Adam Simons at (202) 482-6172, AD/CVD Operations Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 1, 2021, the Department of Commerce (Commerce) initiated a countervailing duty (CVD) investigation of imports of pentafluoroethane (R-125) from the People's Republic of China (China).<sup>1</sup> Currently, the preliminary determination is due no later than April 7, 2021.

##### Postponement of Preliminary Determination

Section 703(b)(1) of the Tariff Act of 1930, as amended (the Act), requires Commerce to issue the preliminary determination in a CVD investigation within 65 days after the date on which Commerce initiated the investigation. However, section 703(c)(1) of the Act permits Commerce to postpone the preliminary determination until no later than 130 days after the date on which Commerce initiated the investigation if: (A) The petitioner makes a timely request for a postponement; or (B) Commerce concludes that the parties concerned are cooperating, that the investigation is extraordinarily

complicated, and that additional time is necessary to make a preliminary determination. Under 19 CFR 351.205(e), the petitioner must submit a request for postponement 25 days or more before the scheduled date of the preliminary determination and must state the reasons for the request. Commerce will grant the request unless it finds compelling reasons to deny the request.

On March 2, 2021, the petitioner<sup>2</sup> submitted a timely request that Commerce postpone the preliminary CVD determination.<sup>3</sup> The petitioner stated that it requested postponement so that Commerce may sufficiently review all questionnaire responses and new factual information to permit a thorough investigation and the calculation of accurate subsidy rates.<sup>4</sup>

In accordance with 19 CFR 351.205(e), the petitioner has stated the reasons for requesting a postponement of the preliminary determination, and Commerce finds no compelling reason to deny the request. Therefore, in accordance with section 703(c)(1)(A) of the Act, Commerce is postponing the deadline for the preliminary determination to no later than 130 days after the date on which this investigation was initiated, *i.e.*, June 11, 2021. Pursuant to section 705(a)(1) of the Act and 19 CFR 351.210(b)(1), the deadline for the final determination of this investigation will continue to be 75 days after the date of the preliminary determination.

This notice is issued and published pursuant to section 703(c)(2) of the Act and 19 CFR 351.205(f)(1).

Dated: March 10, 2021.
