Title: Report of Medical, Legal, and Other Expenses Incident to Recovery for Injury or Death (VA Form 21P–8416b).

OMB Control Number: 2900–0545.

Type of Review: Extension of a currently approved collection.

Abstract: A claimant's eligibility for needs-based pension programs are determined in part by countable family income and certain deductible expenses. When a claimant is awarded compensation by another entity or government agency based on personal injury or death, the compensation is usually countable income for VA purposes (38 CFR 3.262(i)). However, medical, legal or other expenses incident to the injury or death, or incident to the collection or recovery of compensation, may be deducted from the amount of the award or settlement (38 CFR 3.271(g) and 3.272(g)). In these situations, VBA uses VA Form 21P–8416b *Report of Medical, Legal and Other Expenses Incident to Recovery for Injury or Death*, to gather information that is necessary to determine eligibility for income-based benefits and the rate payable; without this information, determination of eligibility would not be possible.
