

For entries that were not reported in the U.S. sales databases submitted by exporters individually examined during this review, Commerce will instruct CBP to liquidate such entries at the China-wide rate. If Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide rate.²⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of these reviews for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the subject merchandise exported by the companies listed above that have separate rates, the cash deposit rate will be that established in the final results of review (except, if the rates are zero, *de minimis*, or based entirely on AFA, then the cash deposit to be required will be the simple average of the rates we determine for the final results); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these PORs. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

Dated: March 15, 2021.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

National Voluntary Laboratory Accreditation Program—Proposed Revisions to the Personal Body Armor Laboratory Accreditation Program

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice; request for comment.

SUMMARY: The Chief of the National Institute of Standards and Technology's (NIST) National Voluntary Laboratory Accreditation Program (NVLAP) may approve modifications to a specific Laboratory Accreditation Program (LAP) when a request to modify the LAP is received. Modifications may include addition of tests, types of tests or standards that are directly relevant to the LAP. NVLAP has received a request

to revise the name of its Personal Body Armor LAP to the Law Enforcement and Corrections Equipment LAP in order to better encompass the scope of this program. NVLAP has also received a request to expand the technology tested under this program to include rifle testing, helmet testing and shield testing. NIST seeks feedback from the public on these proposed revisions.

DATES: Comments must be received by 5 p.m. Eastern Time on April 19, 2021.

ADDRESSES: Comments on the proposed revisions must be submitted to: Chief, National Voluntary Laboratory Accreditation Program, 100 Bureau Drive, Stop 2140, Gaithersburg, MD 20899–2140 or by sending email to nvlap@nist.gov.

FOR FURTHER INFORMATION CONTACT: Dana S. Leaman, Chief, NIST/NVLAP, 100 Bureau Drive, Stop 2140, Gaithersburg, MD 20899–2140, Phone: (301) 975–4016 or email: dana.leaman@nist.gov. Information regarding NVLAP and the accreditation process can be obtained from <http://www.nist.gov/nvlap>.

SUPPLEMENTARY INFORMATION:

I. Background

NIST administers NVLAP under regulations found in 15 CFR part 285. NVLAP provides an unbiased third-party evaluation and recognition of laboratory performance, as well as expert technical assistance to upgrade that performance, by accrediting calibration and testing laboratories found competent to perform specific calibrations or tests. NVLAP is comprised of a set of LAPs which are established on the basis of requests and demonstrated need. Each LAP includes specific calibration and/or test standards and related methods and protocols assembled to satisfy the unique needs for accreditation in the field of calibration, field of testing, product or service. Under NVLAP's Procedures and General Requirements, available at <https://nvlpubs.nist.gov/nistpubs/hb/2020/NIST.HB.150-2020.pdf>, the Chief of NVLAP (Chief) may seek input from interested parties when proposed modifications to a LAP are analyzed.

The NVLAP Personal Body Armor LAP was established in 2006 at the request of the U.S. Department of Justice (DOJ) National Institute of Justice (NIJ) Office of Science and Technology. The LAP was developed to accredit laboratories for body armor testing in support of the NIJ Compliance Testing Program (CTP). Presently, the LAP encompasses accreditation of ballistic-resistant body armor testing, stab-

resistant body armor testing, and autoloading pistol testing. Based on the requests for modification to the Personal Body Armor LAP, the Chief has preliminarily determined that revision of the program name to the Law Enforcement and Corrections Equipment LAP is supported by the program stakeholder and the laboratories accredited in the current program. Additionally, the Chief has preliminarily determined that there is also support to expand testing in the program to include rifle testing, helmet testing and shield testing.

II. Request for Comments

NVLAP solicits comments on whether (a) the additional tests or calibrations, types of tests or calibrations, or standards requested are directly relevant to the LAP; (b) it is feasible and practical to accredit testing or calibration laboratories for the additional tests or calibrations, types of tests or calibrations, or standards; and (c) it is likely that laboratories will seek accreditation for the additional tests or calibrations, types of tests or calibrations, or standards. NVLAP also specifically invites comments on: (a) Whether the proposed change to the name of the laboratory accreditation program will better reflect the testing encompassed under the LAP; and (b) whether the addition of accreditation for rifle testing, helmet testing and shield testing will support the NIJ's CTP as it relates to the performance and safety of equipment for use in law enforcement and corrections applications.

After analyzing the public comments, the Chief shall publish a **Federal Register** notice regarding a decision on whether the LAP will be revised.

Authority: 15 U.S.C. 272(b) & (c).

Kevin A. Kimball,
Chief of Staff.
