

Changes Since the Preliminary Results

Based on the comments received, we made changes for these final results which are explained in the Issues and Decision Memorandum.

Final Results of the Administrative Review

We determine that the following weighted-average dumping margin exists for the period May 1, 2018, through April 30, 2019.

Producer or exporter	Weighted-average dumping margin (percent)
Garg Tube Export LLP and Garg Tube Limited	13.90

Disclosure

We intend to disclose the calculations performed in connection with these final results to parties in this proceeding within five days after public announcement of the final results, in accordance with 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(A) of the Act and 19 CFR 351.212(b)(1), Commerce will determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For Garg Tube, we calculated importer-specific assessment rates on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and the total entered value of those sales in accordance with 19 CFR 351.212(b)(1).⁶ Where an importer-specific assessment rate is *de minimis* (*i.e.*, less than 0.5 percent), the entries by that importer will be liquidated without reference to antidumping duties. For entries of subject merchandise during the POR produced by Garg Tube for which it did not know the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁷

⁶ In these final results, Commerce applied the assessment rate calculation method adopted in *Antidumping Proceedings: Calculation of the Weighted-Average Dumping Margin and Assessment Rate in Certain Antidumping Duty Proceedings; Final Modification*, 77 FR 8101 (February 14, 2012).

⁷ See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

Consistent with its recent notice,⁸ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of this notice for all shipments of pipe and tube from India entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Garg Tube will be equal to the weighted-average dumping margin established in the final results of the review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published in the completed segment for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the producer has been covered in a prior completed segment of this proceeding, then the cash deposit rate will be the rate established in the completed segment for the most recent period for the producer of the merchandise; (4) the cash deposit rate for all other producers or exporters will continue to be 7.08 percent, the all-others rate established in the less-than-fair-value investigation for this proceeding.⁹ These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Secretary's presumption that

⁸ See *Notice of Discontinuation of Policy to Issue Liquidation Instructions After 15 Days in Applicable Antidumping and Countervailing Duty Administrative Proceedings*, 86 FR 3995 (January 15, 2021).

⁹ See *Antidumping Duty Order; Certain Welded Carbon Steel Standard Pipes and Tubes from India*, 51 FR 17384 (May 12, 1986).

reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

We are issuing and publishing these results of administrative review in accordance with sections 751(a) and 777(i) of the Act and 19 CFR 351.221(b)(5).

Dated: March 15, 2020.

Christian Marsh,

Acting Assistant Secretary for Enforcement and Compliance.

Diamond Sawblades and Parts Thereof From the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Determination of No Shipments, and Rescission of Review in Part; 2018-2019

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines

that diamond sawblades and parts thereof from the People's Republic of China (China) were sold at less than normal value during the period of review (POR) November 1, 2018, through October 31, 2019. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable March 19, 2021.

FOR FURTHER INFORMATION CONTACT:

Bryan Hansen or Thomas Schauer, AD/CVD Operations, Office I, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-3683 and (202) 482-0410, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 17, 2020, Commerce initiated the administrative review of the antidumping duty order on diamond sawblades and parts thereof from China.¹ The administrative review covers two mandatory respondents, Chengdu Huifeng New Material Technology Co., Ltd. (Chengdu Huifeng) and Wuhan Wanbang Laser Diamond Tools Co., Ltd. (Wuhan Wanbang).

On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days, thereby tolling the deadline for the preliminary results of review.² On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days, thereby tolling the deadline for the preliminary results of review until November 19, 2020.³ On October 19, 2020, Commerce extended the time limit for issuing the preliminary results of this review by 120 days, to no later than March 19, 2021.⁴

Scope of the Order

The merchandise subject to the antidumping duty order is diamond sawblades and parts thereof, which is typically imported under heading 8202.39.00.00 of the Harmonized Tariff Schedule of the United States (HTSUS). When packaged together as a set for retail sale with an item that is separately

classified under headings 8202 to 8205 of the HTSUS, diamond sawblades or parts thereof may be imported under heading 8206.00.00.00 of the HTSUS. On October 11, 2011, Commerce included the 6804.21.00.00 HTSUS classification number to the customs case reference file, pursuant to a request by U.S. Customs and Border Protection (CBP). Pursuant to requests by CBP, Commerce included to the customs case reference file the following HTSUS classification numbers: 8202.39.0040 and 8202.39.0070 on January 22, 2015, and 6804.21.0010 and 6804.21.0080 on January 26, 2015.

While the HTSUS numbers are provided for convenience and customs purposes, the written description is dispositive. A full description of the scope of the order is contained in the Preliminary Decision Memorandum.⁵

Preliminary Determination of No Shipments

Three companies that received a separate rate in previous segments of the proceeding and are subject to this review reported that they did not have any shipments of subject merchandise during the POR.⁶ We requested that CBP report any contrary information.⁷ To date, we have not received any contrary information from either CBP in response to our inquiry or any other sources that these companies had any shipments of the subject merchandise to the United States during the POR.⁸ Further, consistent with our practice, we find that it is not appropriate to rescind the review with respect to these companies, but rather to complete the review and issue appropriate instructions to CBP based on the final results of review.⁹

Rescission of Review in Part

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the party that requested a review withdraws its request within 90 days of the date of publication of the notice of initiation. The request for an administrative review of Husqvarna (Hebei) Co., Ltd. was withdrawn within 90 days of the date of publication of the *Initiation Notice*.¹⁰ As a result, Commerce is rescinding this review with respect to this company in accordance with 19 CFR 351.213(d)(1).

Separate Rates

Commerce preliminarily determines that four respondents are eligible to receive separate rates in this review.¹¹

Separate Rate for Eligible Non-Selected Respondents

Commerce preliminarily determines that the respondents not selected for individual examination, the Jiangsu Fengtai Single Entity,¹² and Zhejiang Wanli Tools Group Co., Ltd. (Zhejiang Wanli), are eligible to receive a separate rate in the administrative review.¹³ Consistent with our practice, we assigned to the Jiangsu Fengtai Single Entity, and Zhejiang Wanli, as the separate rate for the preliminary results of this review, a simple average of the rate calculated for Chengdu Huifeng and the rate assigned to Wuhan Wanbang based entirely on facts otherwise available with an adverse inference.¹⁴

China-Wide Entity

Under Commerce's policy regarding the conditional review of the China-wide entity,¹⁵ the China-wide entity

¹² Jiangsu Fengtai Diamond Tool Manufacture Co., Ltd., Jiangsu Fengtai Tools Co., Ltd., and Jiangsu Fengtai Sawing Industry Co., Ltd., comprise the Jiangsu Fengtai Single Entity. will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity in this review, the entity is not under review, and the entity's rate (*i.e.*, 82.05 percent) is not subject to change.¹⁶ Aside from the no-shipment and separate rate companies discussed above, Commerce considers all other companies for which a review was requested (which did not file a separate rate application) to be part of the China-wide entity.¹⁷

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B)

and (a)(2) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.213. Export price is calculated in accordance with section 772(c) of the Act. Because China is a non-market economy within the meaning of section 771(18) of the Act, normal value has been calculated in accordance with section 773(c) of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is made available to the public via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized

Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be found at <http://enforcement.trade.gov/frn/>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as Appendix I to this notice.

Preliminary Results of Administrative Review

We are assigning the following weighted-average dumping margins to the firms listed below for the period November 1, 2018, through October 31, 2019:

Exporters	Weighted-average dumping margin (percent)
Chengdu Huifeng New Material Technology Co., Ltd	0.00
Wuhan Wanbang Laser Diamond Tools Co., Ltd	82.05
Review-Specific Average Rate Applicable to the Following Companies:¹⁸	
Jiangsu Fengtai Single Entity	41.03
Zhejiang Wanli Tools Group Co., Ltd	41.03

Disclosure

We intend to disclose calculations performed in these preliminary results to parties within five days after public announcement of the preliminary results.¹⁹

Public Comment

Pursuant to 19 CFR 351.309(c)(ii), interested parties may submit case briefs no later than 30 days after the date of publication of this notice.²⁰ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than seven days after the date for filing case briefs.²¹ Commerce modified certain of its requirements for serving documents containing business proprietary information until further notice.²² Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue;

(2) a brief summary of the argument; and (3) a table of authorities.²³

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, filed electronically using ACCESS. Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. An electronically filed document must be received successfully in its entirety by ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice.²⁴

Unless the deadline is extended, Commerce intends to issue the final results of these reviews, including the results of its analysis of issues raised by parties in their comments, within 120

days after the publication of these preliminary results, pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h).

Assessment Rates

Upon issuing the final results, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries covered by this review.²⁵ If a respondent's weighted-average dumping margin is above *de minimis* (*i.e.*, 0.50 percent) in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for each importer's examined sales and, where possible, the total entered value of those same sales in accordance with 19 CFR 351.212(b)(1).²⁶ Where an importer- (or customer-) specific *ad valorem* rate is zero or *de minimis*, we will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²⁷

For entries that were not reported in the U.S. sales databases submitted by exporters individually examined during this review, Commerce will instruct CBP to liquidate such entries at the China-wide rate. If Commerce determines that an exporter under review had no shipments of the subject merchandise, any suspended entries that entered under that exporter's case number (*i.e.*, at that exporter's rate) will be liquidated at the China-wide rate.²⁸

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of these reviews for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the subject merchandise exported by the companies listed above that have separate rates, the cash deposit rate will be that established in the final results of review (except, if the rates are zero, *de minimis*, or based entirely on AFA, then the cash deposit to be required will be the simple average of the rates we determine for the final results); (2) for previously investigated or reviewed Chinese and non-Chinese exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity; and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

²⁸ See *Non-Market Economy Antidumping Proceedings: Assessment of Antidumping Duties*, 76 FR 65694, 65695 (October 24, 2011).

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during these PORs. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

Notification to Interested Parties

Commerce is issuing and publishing the preliminary results of this review in accordance with sections 751(a)(1)(B), 751(a)(3) and 777(i) of the Act, and 19 CFR 351.213 and 351.221(b)(4).

National Voluntary Laboratory Accreditation Program—Proposed Revisions to the Personal Body Armor Laboratory Accreditation Program

AGENCY: National Institute of Standards and Technology, Commerce.

SUMMARY: The Chief of the National Institute of Standards and Technology's (NIST) National Voluntary Laboratory Accreditation Program (NVLAP) may approve modifications to a specific Laboratory Accreditation Program (LAP) when a request to modify the LAP is received. Modifications may include addition of tests, types of tests or standards that are directly relevant to the LAP. NVLAP has received a request
