Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these preliminary results in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h)(1).

Changes Since the Preliminary Results

We made two changes to the preliminary margin calculation: (1) We refined conversion costs by diameters using ratios derived from the reported production-line-month specific costs; (2) we corrected the beginning date for U.S. sales. For a full discussion of these changes, see Comments 1 and 2 in the Issues and Decision Memorandum.

Final Results of the Review

Commerce determines that the following weighted-average dumping margin exists for the period October 31, 2017 through April 30, 2019:

Producer and/or exporter	Weighted-average dumping margin (percent)
POSCO	0.94

Disclosure

We intend to disclose the calculations performed for the final results of review within five days of the publication date of this notice in the **Federal Register**, in accordance with section 751(a) of the Act and 19 CFR 351.224(b).

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review.¹² In accordance with 19 CFR 351.212(b)(1), Commerce calculated an importer-specific *ad valorem* antidumping assessment rate for POSCO that is not zero or *de minimis*, and will instruct CBP to assess antidumping duties on all appropriate entries covered by this review.

Consistent with Commerce's assessment practice, for entries of subject merchandise during the POR

produced by POSCO for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.¹³

Consistent with its recent notice,¹⁴ Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for POSCO is equal to the weighted-average dumping margin established in the final results of this review; (2) for previously investigated companies not participating in this review, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter was not covered in this review or the investigation, but the producer was covered, the cash deposit rate will be the rate established in the most recently completed segment of this proceeding for the producer of subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 41.10 percent, the all-others rate established in the original less-than-fair-value investigation.¹⁵ These cash deposit requirements, when imposed, shall remain in effect until further notice.
