*Description:* The Patient Protection and Affordable Care Act, Public Law 111–148, (the Affordable Care Act) was enacted on March 23, 2010 and amended by the Health Care and Education Reconciliation Act of 2010, Public Law 111–152 on March 30, 2010. The Affordable Care Act added section 2713 to the Public Health Service (PHS) Act and incorporated this provision into ERISA and the Code. The Departments of Health and Human Services, Labor, and Treasury first published interim final rules on July 19, 2010, requiring non-grandfathered group health insurance coverage to provide benefits for certain preventive services without cost sharing, including benefits for certain women's preventive health services as provided for in comprehensive guidelines supported by the Health Resources and Services Administration. Additional interim final rules were issued on November 15, 2018, that finalize expanded exemptions to protect moral and religious beliefs for certain entities and individuals whose health plans are subject to a mandate of contraceptive coverage through guidance issued pursuant to the Affordable Care Act (83 FR 57536 and 83 FR 57592).

The regulations contain the following collections of information:

(1) Each organization seeking to be treated as an eligible organization to use the optional accommodation process offered under the regulation must either notify an issuer or third party administrator using the EBSA Form 700 method of self-certification or provide notice to HHS of its religious or moral objection to coverage of all or a subset of contraceptive services.

(2) A health insurance issuer or third party administrator providing or arranging separate payments for contraceptive services for participants and beneficiaries in insured plans (or student enrollees and covered dependents in student health insurance

coverage) of eligible organizations is required to provide a written notice to plan participants and beneficiaries (or student enrollees and covered dependents) informing them of the availability of such payments. The notice must be separate from but, contemporaneous with (to the extent possible) any application materials distributed in connection with enrollment (or re-enrollment) in group or student coverage of the eligible organization in any plan year to which the accommodation is to apply and will be provided annually. To satisfy the notice requirement, issuers may, but are not required to, use the model language set forth previously or substantially similar language.

(3) An eligible organization may also revoke its use of the accommodation process and must provide participants and beneficiaries written notice of such revocation as soon as possible.

The Department has received approval from OMB for this ICR under OMB Control No. 1210–0150. The current approval is scheduled to expire on November 30, 2021.

Dated: March 25, 2021.

### Employment and Training Administration

#### **Notice on Reallotment of Workforce Innovation Opportunity Act (WIOA) Title I Formula Allotted Funds for Dislocated Worker Activities for Program Year (PY) 2020**

**AGENCY:** Employment and Training Administration (ETA), Labor.

**ACTION:** Notice.

**SUMMARY:** The Workforce Innovation Opportunity Act (WIOA), requires the Secretary of Labor (Secretary) to conduct reallotment of certain WIOA formula allotted funds based on ETA 9130 financial reports submitted by states as of the end of the prior Program Year (PY). This notice publishes the Dislocated Worker PY 2020 funds for recapture by state and the amount to be reallotted to eligible states.

**DATES:** This notice is effective March 31, 2021.

**FOR FURTHER INFORMATION CONTACT:** Ms. Kimberly Vitelli, Administrator, U.S. Department of Labor, Office of

Workforce Investment, Employment and Training Administration, Room C–4510, 200 Constitution Avenue NW, Washington, DC Telephone (202) 693–3980 (this is not a toll-free number) or fax (202) 693–3981.

**SUPPLEMENTARY INFORMATION:** In the Fiscal Year (FY) 2020 Appropriations Act, Congress appropriated WIOA PY 2020 funds in two portions: (1) Funds available for obligation July 1, 2020 (*i.e.*, PY 2020 “base” funds), and (2) funds available for obligation October 1, 2020 (*i.e.*, FY 2021 “advance” funds). Together, these two portions make up the complete PY 2020 WIOA funding. Training and Employment Guidance Letter (TEGL) No. 16–19 announced WIOA allotments based on this appropriation and TEGL No. 16–18 alerted states to the recapture and reallotment of funds’ provisions based on obligations of PY 2019 funding, as required under WIOA Section 132(c). This section and 127(c) of WIOA requires the Secretary to conduct reallotment of excess unobligated WIOA Adult, Youth, and Dislocated Worker formula funds based on ETA 9130 financial reports submitted by states at the end of the prior program year (*i.e.*, PY 2019).

WIOA regulations at 20 CFR 683.135 describe the procedures the Secretary uses for recapture and reallotment of funds. ETA will not recapture any PY 2020 funds for the Adult and Youth programs because there is no state where PY 2019 unobligated funds exceeds the statutory requirements of 20 percent of state allotted funds. However, for the Dislocated Worker program, Kentucky, Nevada, Puerto Rico, and West Virginia had unobligated PY 2019 funds in excess of 20 percent of their allotments. Therefore, ETA will recapture a total of \$4,993,277 from PY 2020 funding from Kentucky, Nevada, Puerto Rico, and West Virginia, and reallot those funds to the remaining eligible states, as required by WIOA Section 132(c).

ETA will issue a Notice of Award to the states to reflect the recapture and reallotment of these funds. The adjustment of funds will be made to the FY 2021 advance portion of the PY 2020 allotments, which ETA issued in October 2020. The attached tables display the net changes to PY 2020 formula allotments.

WIOA and its implementing regulations do not provide specific requirements by which states must distribute reallotted funds, so states have flexibility to determine the methodology used. For any state subject to recapture

of funds, WIOA Section 132(c)(5) requires the Governor to prescribe equitable procedures for reacquiring funds from the state and local areas.

As mentioned, the recapture/reallotment adjustments will be made to the FY 2021 advance portion of the PY 2020 allotment. Therefore, for reporting

purposes, states must reflect the recapture/reallotment amount (decrease or increase) in the "Total Federal Funds Authorized" line of any affected FY 2021 ETA 9130 financial reports (State Dislocated Worker Activities, Statewide Rapid Response, Local Dislocated Worker Activities) in a manner

consistent with the method of distribution of these amounts to state and local areas used by the state. The state must include an explanation of the adjustment in the remarks section of the adjusted reports.
