SUPPLEMENTARY INFORMATION:

I. Proceedings in the Investigation

India has adopted a DST that imposes a two percent tax on revenue generated from a broad range of digital services offered in India, including digital platform services, digital content sales, digital sales of a company's own goods, data-related services, software-as-a-service, and several other categories of digital services. India's DST only applies to "non-resident" companies.

On June 2, 2020, the U.S. Trade Representative initiated an investigation of India's DST pursuant to section 302(b)(1)(A) of the Trade Act of 1974, as amended (Trade Act). See 85 FR 34709 (June 5, 2020) (notice of initiation). The notice of initiation solicited written comments on, *inter alia*, the following aspects of India's DST: Discrimination against U.S. companies; retroactivity; and possibly unreasonable tax policy. With respect to tax policy, USTR solicited comments on, *inter alia*, whether the DST diverged from principles reflected in the U.S. and international tax systems including extraterritoriality; taxing revenue not income; and a purpose of penalizing particular technology companies for their commercial success. Interested persons filed over 380 written submissions in response. The public submissions are available on www.regulations.gov in docket number USTR-2020-0022.

Under section 303 of the Trade Act, the U.S. Trade Representative requested consultations with the government of India regarding the issues involved in the investigation. Consultations were held on November 5, 2020.

Based on information obtained during the investigation, USTR prepared a comprehensive report on India's DST (India DST Report). The India DST Report is posted on the USTR website at <https://ustr.gov/issue-areas/enforcement/section-301-investigations/section-301-digital-services-taxes>. The report includes a full description of India's DST, and supports findings that India's DST is unreasonable and discriminatory and burdens or restricts U.S. commerce.

On January 6, 2021, based on the information obtained during the investigation and the advice of the Section 301 Committee, the U.S. Trade Representative determined that India's DST is unreasonable or discriminatory and burdens or restricts U.S. commerce, and therefore is actionable under sections 301(b) and 304(a) of the Trade Act (19 U.S.C. 2411(b) and 2414(a)). See 86 FR 2478 (January 12, 2021).

II. Proposed Action

Section 301(b) provides that upon determining that the acts, policies, and practices under investigation are actionable and that action is appropriate, the U.S. Trade Representative shall take all appropriate and feasible action authorized under section 301(c), subject to the specific direction, if any, of the President regarding such action, and all other appropriate and feasible action within the power of the President that the President may direct the U.S. Trade Representative to take under section 301(b), to obtain the elimination of that act, policy, or practice.

Section 301(c)(1)(B) of the Trade Act authorizes the U.S. Trade Representative to impose duties on the goods of the foreign country subject to the investigation. Pursuant to sections 301(b) and (c), USTR proposes that the U.S. Trade Representative should determine that action is appropriate and that appropriate action would include the imposition of additional *ad valorem* tariffs on certain products of India.

In particular, USTR proposes to impose additional tariffs of up to 25 percent *ad valorem* on an aggregate level of trade that would collect duties on goods of India in the range of the amount of DST that India is expected to collect from U.S. companies. Initial estimates indicate that the value of the DST payable by U.S.-based company groups to India will be up to approximately \$55 million per year.

USTR further proposes that the goods of India subject to additional tariffs would be drawn from the preliminary list of products in the Annex to this

notice, as specified by the listed eight-digit tariff subheadings.

III. Request for Public Comments

In accordance with section 304(b) of the Trade Act (19 U.S.C. 2414(b)), USTR invites comments from interested persons with respect to whether action is appropriate, and if so, the appropriate action to be taken.

USTR requests comments with respect to any issue related to the action to be taken in this investigation. With respect to the proposed tariff action outlined above, USTR specifically invites comments regarding:

- The level of the burden or restriction on U.S. commerce resulting from India's DST, including the amount of DST payments owed by U.S. companies, the annual growth rate of such payments, and other effects, such as compliance costs.
- The appropriate aggregate level of trade to be covered by additional duties.
- The level of the increase, if any, in the rate of duty.
- The specific products to be subject to increased duties, including whether the tariff subheadings listed in the Annex should be retained or removed, or whether tariff subheadings not currently on the list should be added.

In commenting on the inclusion or removal of particular products on the preliminary list of products subject to the proposed additional duties, USTR requests that commenters specifically address whether imposing increased duties on a particular product would be practicable or effective to obtain the elimination of India's acts, policies, and practices, and whether imposing additional duties on a particular product would cause disproportionate economic harm to U.S. interests, including small- or medium-size businesses and consumers.

Simultaneously with this notice, USTR also is requesting public comments on proposed trade actions in five other DST investigations initiated at the same time as the India DST investigation. Certain interested persons may wish to provide written comments or oral testimony on multi-jurisdictional issues common to two or more investigations. To avoid duplication, the USTR portal will have a separate docket for multi-jurisdictional submissions, and USTR will hold a separate multi-jurisdictional hearing.

To be assured of consideration, you must submit written comments on the proposed action by April 30, 2021, and post-hearing rebuttal comments by May 10, 2021 for the multi-jurisdictional hearing, and by May 17, 2021 for the India DST hearing.

IV. Hearing Participation

The Section 301 Committee will convene a virtual public hearing for comments pertaining to the India DST proposed action on May 10, 2021, beginning at 9:30 a.m. Those requesting to appear at this hearing should have comments applicable only to the India DST proposed action.

The Section 301 Committee will convene a virtual public hearing for comments pertaining to multiple jurisdictions on May 3, 2021, beginning at 9:30 a.m. Those requesting to appear at the multi-jurisdictional hearing should have comments that are applicable to two or more DST investigations.

For either hearing, you must submit a request to appear at the specific hearing using the electronic portal at <https://comments.ustr.gov/s/>. You will be able to view a docket entitled 'Request to Appear at Hearing on Proposed Action in Section 301 Investigation of India's Digital Services Tax.' Requests to appear must include a summary of testimony, and may be accompanied by a pre-hearing submission. Remarks at the hearing are limited to five minutes to allow for possible questions from the Section 301 Committee. All submissions must be in English. To be assured of consideration, USTR must receive your request to appear by April 21, 2021.

V. Procedures for Written Submissions

You must submit written comments, rebuttal comments, and requests to appear at the hearing using the electronic portal at <https://comments.ustr.gov/s/>. You will be able to

view a docket entitled 'Comments Concerning Proposed Action in Section 301 Investigation of India's Digital Services Tax' on the portal, docket number USTR-2021-0003.
