

records of agency ethics program activities” (5 CFR 2638.104(c)(2) and (4)).

The obligation to respond to the FR 28 form, the FR 28c form, and to the questions in Sections I and III of the FR 28i survey is required to obtain the benefit of Board employment. The obligation to respond to the questions in Section II of the FR 28i survey and the obligation to disclose gender, race, and ethnicity on the FR 28s form is voluntary.

Certain information provided on the FR 28 and the FR 28i forms may be kept confidential under exemption (b)(6) of the Freedom of Information Act (FOIA), which protects information in “personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy” (5 U.S.C. 552(b)(6)). For example, the release of information such as an applicant’s home address and phone number, as well as personal information regarding the applicant’s references, would likely constitute a clearly unwarranted invasion of personal privacy and, accordingly, would be kept confidential. However, the release of information such as the educational and professional qualifications of successful applicants would not likely constitute a clearly unwarranted invasion of personal privacy and, therefore, would not be treated as confidential under the FOIA.

Generally, information provided on the FR 28c form may be kept confidential pursuant to exemption 6 of the FOIA. In addition, financial information collected on the form (such as confidential details about the shares an applicant, their spouse, or their minor child owns in a bank) may be withheld under exemption 4 of the FOIA, which protects “financial information obtained from a person [that is] privileged and confidential” (5 U.S.C. 552(b)(4)). Information provided on the 28s would be kept confidential under exemption 6 of the FOIA to the extent release of such information would constitute a clearly unwarranted invasion of personal privacy and is not otherwise required under federal law.

The information collected on the FR 28, the FR 28c, the FR 28i, and the FR 28s forms will be maintained in a “system of records” within the meaning of the Privacy Act, 5 U.S.C. 552a(a)(5), and a Privacy Act statement will accompany each of the four forms that respectively comprise this information collection. The Board may disclose the information collected on these forms, including confidential information withheld from the public under a FOIA exemption, to third parties in

accordance with the Privacy Act’s “routine use” disclosure provisions, 5 U.S.C. 552a(a)(7) and (b)(3), which permit the disclosure of a record for a purpose that is compatible with the purpose for which the record was collected. The routine uses that would permit the disclosure of the information collected on each form are listed in the specific system of records notices (SORNs) that apply to each form. For the FR 28, the FR 28c, the FR 28i, and the FR 28s, the information collected will be stored in the SORN entitled “BGFRS–1, FRB—Recruiting and Placement Records,” located here: <https://www.federalreserve.gov/files/BGFRS-1-recruiting-and-placement-records.pdf>. The information collected on the FR 28c will also be stored in the SORN titled “BGFRS–41, FRB—Ethics Program Records,” located here: <https://www.federalreserve.gov/files/BGFRS-41-FRB-Ethics-Program-Records.pdf>. If the applicant is hired, the information provided on the FR 28s may also be stored in the SORN titled “BGFRS–24: FRB—EEO General Files,” located here: <https://www.federalreserve.gov/files/BGFRS-24-eeo-general-files.pdf>.

Specifically, the BGFRS–1 and the BGFRS–41 SORNs provide that the information may be disclosed outside the Board in accordance with general routine uses A, B, C, D, E, F, G, H, I, and J (see “General Routine Uses of Board Systems of Records available at <https://www.federalreserve.gov/files/SORN-page-general-routine-uses-of-board-systems-of-records.pdf>). The BGFRS–24 SORN provides that the information may be disclosed outside the Board in accordance with general routine uses A, B, C, D, E, F, G, I, and J (see *id.*). The BGFRS–1 SORN also provides that all or part of the record may be disclosed outside of the Board in order to disclose information to any source from which additional information is requested (to the extent necessary to identify the individual, inform the source of the purpose(s) of the request, and identify the type of information requested), when necessary to obtain information relevant to a Board decision to hire or retain an employee, issue a security clearance, conduct a security or suitability investigation of an individual, classify jobs, let a contract, or issue a license, grant or other benefit.

Current actions: On November 24, 2020, the Board published a notice in the **Federal Register** (85 FR 75016) requesting public comment for 60 days on the extension, with revision, of the FR 28. There are no revisions to the questions asked or the information collected on the FR 28i survey. However, as part of this OMB

authorization, the Board has added the FR 28c conflicts of interest form to this information collection, as it was previously collected pursuant to a separate OMB authorization, because the FR 28c form is associated with the application process. In addition, the Board has revised the FR 28 application form to remove the three conflicts of interest questions on the FR 28 application form. Given that detailed information on potential conflicts would no longer be collected on the FR 28 application form, the Board has amended the FR 28c form to delete the instruction that applicants provide additional information on conflicts of interest “not previously described on your employment application (FR 28).” The Board has also revised the hardcopy PDF version of the FR 28s voluntary form so that, regardless of the ethnicity identified by the applicant, the applicant would also be asked to voluntarily identify their race, in order to comport with the standards set out by OMB, which aligns with the similar form approved by OMB (the Standard Form 181) and the electronic version of the FR 28s form in the Taleo application submission portal. In addition, the legal authorization cited on the face of the FR 28s form (both the hardcopy PDF version and the electronic version in the Taleo portal) would be updated to reflect that the collection of information is authorized pursuant to sections 10 and 11(l) of the Federal Reserve Act, 12 U.S.C. 244 and 238(l). The comment period for this notice expired on January 25, 2021. The Board did not receive any comments. The revisions will be implemented as proposed.
