

03F-065BA (the contract), SafeGuard Document Destruction Inc. (SDD) of 800 Rike Drive, Suite A, Perrineville, NJ 08535, is responsible for providing locked bins and for shredding the hard copy records which the agency has identified for disposal at two of its regional offices—regional headquarters at 1650 Arch Street, Philadelphia, PA 19103 and the Chesapeake Bay Program Office at 410 Severn Avenue, Suite 109, Annapolis, MD 21403. Records that contain CBI may be included among those being shredded.

EPA will permit SDD personnel to have access to locked disposal bins which contain information submitted to EPA under the statutes administered by EPA Region 3. Some of the information may be claimed or determined to be CBI. In accordance with 40 CFR 2.301(h)(2)(i) (Clean Air Act (CAA)), and any provisions from 40 CFR 2.302 through 2.310 incorporating 40 CFR 2.301(h)(2)(i) (Clean Water Act (CWA)), Safe Drinking Water Act (SDWA), Resource Conservation and Recovery Act (RCRA), Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 40 CFR 2.306(j) (Toxic Substances Control Act (TSCA)), 40 CFR 2.307(h)(3) (Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA)), 40 CFR 2.308(i) (Federal Food, Drug and Cosmetic Act (FDCA)), 40 CFR 350.23(b) (Emergency Planning and Community Right-to-Know Act (EPCRA)), EPA has determined that SDD requires access to locked disposal bins which may contain CBI submitted to EPA, to perform successfully the duties required to carry out the contract.

Among the procedures established by EPA's confidentiality regulations for granting access to CBI is prior notification to the submitters of CBI that SDD may have access to this information. See 40 CFR 2.301(h)(2)(iii) for information submitted under the CAA, corresponding provisions of 40 CFR 2.302 through 2.311 for information submitted under the CWA, SDWA, RCRA, TSCA, FIFRA, FDCA, CERCLA, and 40 CFR 350.23 for EPCRA. This notification is intended to fulfill that requirement. EPA Region 3 has permitted SDD personnel access to this information prior to publishing this document. All potential access to CBI under the contract has and will continue to occur at the two EPA Region 3 offices located in Philadelphia and Annapolis. EPA Region 3 is implementing the following procedures to ensure the security of the files identified for disposal and the information therein. First, EPA personnel deposit records that are ready

for disposal into locked bins located at either of the two EPA Region 3 offices. Next, during normal business hours, SDD travels to the appropriate EPA Region 3 office building with its shredding apparatus and is escorted into the building by EPA personnel to retrieve the locked bins. Accompanied by EPA personnel, SDD conducts onsite shredding of the contents of the bins immediately after unlocking and emptying them into the shredding apparatus. The contract prohibits SDD personnel from viewing, inspecting, examining, or copying the materials identified for shredding and requires SDD to safeguard such information. Additionally, SDD is prohibited from transporting or shredding any records offsite.

SDD's potential access to CBI under the contract began on or about July 7, 2020 and will expire on October 31, 2021. If the contract is further extended, this access will also continue for the duration of the extension without further notice.
