Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS

web page located at: <https://www.fsis.usda.gov/federal-register>.

FSIS also will make copies of this publication available through the FSIS *Constituent Update*, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The *Constituent Update* is available on the FSIS web page. Through the web page, FSIS is able to provide information to a much broader, more diverse audience. In addition, FSIS offers an email subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <https://www.fsis.usda.gov/subscribe>. Options range from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves and have the option to password protect their accounts.

USDA Nondiscrimination Statement

In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age, marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at How to File a Program Discrimination Complaint and at any USDA office or write a letter addressed to USDA and provide in the

letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by: (1) Mail: U.S. Department of Agriculture, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue SW, Washington, DC 20250-9410; (2) fax: (202) 690-7442; or (3) email: program.intake@usda.gov.

USDA is an equal opportunity provider, employer, and lender.

Foreign-Trade Zones Board

[B-26-2021]

Foreign-Trade Zone (FTZ) 38— Spartanburg County, South Carolina; Notification of Proposed Production Activity; Black & Decker (U.S.), Inc. (Production and Kitting of Power Tools and Injection Molded Parts); Fort Mill, South Carolina

Black & Decker (U.S.), Inc. (Black & Decker) submitted a notification of proposed production activity to the FTZ Board for its facility in Fort Mill, South Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on March 30, 2021.

Black & Decker already has authority for the production and kitting of certain power tools and related components within Subzone 38M. The current request would add finished products and foreign-status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Black & Decker from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below and in the existing scope of authority, Black & Decker would be able to choose the duty rates during customs entry procedures that apply to cable tray cutters, pipe expanders (PEX), cordless staplers, and

plastic molded parts (compressor shrouds, mower shrouds and mower decks) (duty-free). Black & Decker would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components that may be sourced from abroad include: Belt hooks (metal); hex wrenches (metal); tubular rivets (metal); wire channels (plastic channel to hold wires); cable cutter parts (metal); Moving blocks, cutter heads, cutting blocks; cable cutter parts (plastic); Linkage triggers, housing pocket covers; cable cutter transmission parts (metal); Cutter holders, head flanges, shear block supports; stapler magazine parts (metal); Machined magazines, cores, staple pushers, frames, noses, nose covers; stapler magazine hub and cylinder assemblies (metal and plastic); stapler parts (metal); Drive bolts, boot straps, carriages, drivers, lower spring seats, guide rails, U channel lug rails, backdrive pawls, contact trips; stapler parts (plastic); Inner rings, cable guides, wire magazine covers; stapler transmission assembly parts (metal); Lift wheels, drive shaft bushings, front wear plates; PEX expander parts: Expander heads (metal), linkages (metal and plastic); PEX transmission parts (metal); Support plates, spindle cones, collars; transmission parts (metal); Spindle cams, cam and index, piston sleeves; lenses for LED lights; LED light assemblies; and, wire harness assemblies (duty rate ranges from duty-free to 9%). The request indicates that certain materials/components are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is May 17, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zones Board

[B-27-2021]

Foreign-Trade Zone (FTZ) 106— Oklahoma City, Oklahoma; Notification of Proposed Production Activity; Miraclon Corporation (Flexographic/ Aluminum Printing Plates and Direct Imaging/Thermo Imaging Layer Film); Weatherford, Oklahoma

Miraclon Corporation (Miraclon) submitted a notification of proposed production activity to the FTZ Board for its facility in Weatherford, Oklahoma. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on March 17, 2021.

Miraclon already has authority to produce flexographic printing plates, aluminum printing plates, direct imaging film, and thermo imaging layer film within Subzone 106F (originally approved as Eastman Kodak Company). The current request would add a foreign-status material to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status material described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Miraclon from customs duty payments on the foreign-status material used in export production. On its domestic sales, for the foreign-status material noted, Miraclon would be able to choose the duty rates during customs entry procedures that apply to flexographic printing plates, aluminum printing plates, direct imaging film, and thermo imaging layer film (duty-free to 3.7%). Miraclon would be able to avoid duty on foreign-status material which becomes scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material sourced from abroad is foam plastic sheets (duty rate, 6.5%). The request indicates that foam plastic sheets are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is May 17, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

Certain Quartz Surface Products From the People's Republic of China: Preliminary Results of the Antidumping Duty Administrative Review and Rescission of Administrative Review, in Part; 2018- 2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) is conducting an administrative review of the antidumping duty (AD) order on certain quartz surface products (quartz surface products) from the People's Republic of China (China). The period of review (POR) is November 20, 2018, through June 30, 2020. Commerce preliminarily finds that certain companies made sales of subject merchandise at less than normal value. We are also rescinding this review for nine companies where timely requests for withdrawals were filed by all parties who requested the reviews. Interested parties are invited to comment on these preliminary results.

DATES: Applicable April 6, 2021.
