SUPPLEMENTARY INFORMATION: On January 12, 2021, we published in the **Federal Register** (86 FR 2392) the NIA for the FY 2021 ANE competition. Following publication of the NIA, President Biden signed the American Rescue Plan Act of 2021, which

Accordingly, we are amending the NIA to notify prospective applicants that we are increasing the estimated available funds and estimated number of awards, and are making related conforming changes. In addition, we are extending the deadline for transmittal of applications in order to allow applicants more time to prepare and submit their applications. The application package will be adjusted to reflect the changes.

Applicants that have already submitted applications under the FY 2021 ANE competition may resubmit applications, but are not required to do so. If a new application is not submitted, the Department will use the application that was submitted by the original deadline. If a new application is submitted, the Department will consider the application that is most recently submitted before the deadline of May 3, 2021.

All other requirements and conditions stated in the NIA remain the same.
