

19 CFR 351.212(b)(1). For any entries found to be associated with the six companies under review, we will instruct CBP to liquidate such entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction, consistent with Commerce's reseller policy.<sup>15</sup>

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

#### Cash Deposit Requirements

The following cash deposit requirements will be effective for all entries of LWRPT from Turkey entered, or withdrawn from warehouse, for consumption on or after the date of publication of the notice of the final results of this administrative review, as provided for by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the six companies under review will continue to be equal to the company-specific weighted-average dumping margin established for each company in the most recently completed segment of this proceeding (except, if the rate is *de minimis*, *i.e.*, less than 0.5 percent, then the cash deposit will be zero percent) or, if a company-specific weighted-average dumping margin has not been established for the company, the cash deposit rate will continue to be equal to the all-others rate; (2) for merchandise exported by a company not covered in this review but covered in a prior completed segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for that company in the most recently completed segment of this proceeding in which the company was included; (3) if the exporter of the subject merchandise does not have its own rate but the producer has its own rate, the cash deposit rate will be the rate established in the most recently completed segment of the proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 27.04 percent, the all-others rate established in the less-than-fair-value investigation.<sup>16</sup>

<sup>15</sup> See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>16</sup> See *Notice of Final Determination of Sales at Less Than Fair Value: Light-Walled Rectangular*

These cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h)(1).

**SUMMARY:** Based on the affirmative final determinations by the Department of Commerce (Commerce) and the International Trade Commission (ITC), Commerce is issuing its countervailing duty orders on phosphate fertilizers from the Kingdom of Morocco (Morocco) and the Russian Federation (Russia).

**DATES:** Applicable April 7, 2021.

#### SUPPLEMENTARY INFORMATION:

##### Background

On February 16, 2021, Commerce published its affirmative final determinations in the countervailing duty investigations of phosphate fertilizers from Morocco and Russia.<sup>1</sup> On March 31, 2021, the ITC notified Commerce of its affirmative final determinations, pursuant to sections 705(b)(1)(A)(i) and 705(d) of the Tariff Act of 1930, as amended (the Act), that an industry in the United States is materially injured by reason of subsidized imports of phosphate fertilizers from Morocco and Russia.<sup>2</sup>

##### Scope of the Orders

The products covered by these orders are phosphate fertilizers from Morocco and Russia. For a full description of the scope of these orders, *see* the Appendix to this notice.

##### Countervailing Duty Orders

On March 31, 2021, in accordance with sections 705(b)(1)(A)(i) and 705(d) of the Act, the ITC notified Commerce of its final determinations in these investigations, in which it found that an industry in the United States is materially injured by reason of subsidized imports of phosphate fertilizers from Morocco and Russia.<sup>3</sup> In accordance with section 705(c)(2) of the Act, Commerce is issuing these countervailing duty orders.

Therefore, in accordance with section 706(a) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, countervailing duties on unliquidated entries of phosphate fertilizers from Morocco and Russia entered, or withdrawn from warehouse, for consumption on or after November 30, 2020, the date of publication of the *Preliminary Determinations* in the **Federal Register**,<sup>4</sup> but will not include

entries occurring after the expiration of the provisional measures period and prior to the date of publication of the ITC's final determinations in the **Federal Register**, as further described below.

### Suspension of Liquidation

In accordance with section 706 of the Act, Commerce will direct CBP to reinstitute the suspension of liquidation of phosphate fertilizers from Morocco and Russia, effective the date of publication of the ITC's notice of final determinations in the **Federal Register**, and to assess, upon further instruction by Commerce pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of the subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise. On or after the date of publication of the ITC's final injury determinations in the **Federal Register**, CBP must require, at the same time as importers would deposit estimated normal customs duties on this merchandise, a cash deposit equal to the subsidy rates noted below. These instructions suspending liquidation will remain in effect until further notice. The all-others rate applies to all producers or exporters not specifically listed below.

Company	Subsidy rate (percent)
Morocco:	
OCP S.A. <sup>5</sup> .....	19.97
All Others .....	19.97
Russia:	
Industrial Group Phosphorite LLC <sup>6</sup> .....	47.05
Joint Stock Company Apatit <sup>7</sup> .....	9.19
All Others .....	17.20

### Provisional Measures

Section 703(d) of the Act states that the suspension of liquidation pursuant

(November 30, 2020) (collectively, *Preliminary Determinations*).

<sup>5</sup> Commerce found the following companies to be cross-owned with OCP S.A.: Jorf Fertilizers Company I, Jorf Fertilizers Company II, Jorf Fertilizers Company III, Jorf Fertilizers Company IV, Jorf Fertilizers Company V, and Maroc Phosphore. See *Morocco Final Determination*.

<sup>6</sup> Commerce found the following companies to be cross-owned with Industrial Group Phosphorite LLC: Mineral and Chemical Company EuroChem, JSC; NAK Azot, JSC; EuroChem Northwest, JSC; Joint Stock Company Kovdorskyy GOK; EuroChem-Energo, LLC; EuroChem-Usolsky Potash Complex, LLC; EuroChem-BMU, LLC; JSC Nevinnomyssky Azot; and EuroChem Trading Rus, LLC. See *Russia Final Determination*.

<sup>7</sup> Commerce found the following companies to be cross-owned with Joint Stock Company Apatit: PhosAgro PJSC; PhosAgro-Belgorod LLC; PhosAgro-Don LLC; PhosAgro-Kuban LLC; PhosAgro-Kursk LLC; PhosAgro-Lipetsk LLC; PhosAgro-Orel LLC; PhosAgro-Stavropol LLC; PhosAgro-Volga LLC; PhosAgro-SeveroZapad LLC;

to an affirmative preliminary determination may not remain in effect for more than four months. In the underlying investigations, Commerce published the *Preliminary Determinations* on November 30, 2020.<sup>8</sup> Therefore, entries of phosphate fertilizers from Morocco and Russia made on or after March 30, 2021, and prior to the date of publication of the ITC's final determinations in the **Federal Register**, are not subject to the assessment of countervailing duties due to Commerce's discontinuation of the suspension of liquidation.

In accordance with section 703(d) of the Act, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate, without regard to countervailing duties, unliquidated entries of phosphate fertilizers from Morocco and Russia entered, or withdrawn from warehouse, for consumption on or after March 30, 2021, the date on which the provisional countervailing duty measures expired, through the day preceding the date of publication of the ITC final injury determinations in the **Federal Register**. Suspension of liquidation will resume on the date of publication of the ITC final injury determinations in the **Federal Register**.
