

in no more than one effort by lessees to adapt their systems and practices, and which allows adequate time for computer and accounting system changes.

This delay preserves the currently effective requirements while ONRR's review of comments is ongoing and final decisions are being made consistent with (1) the withdrawal of the Executive orders on which the 2020 Rule was, in part, based and (2) the issuance of new Executive orders, including, but not limited to, Executive Order 13990, "Protecting Public Health and the Environment and Restoring Science to Tackle the Climate Crisis," Executive Order 13992, "Revocation of Certain Executive Orders Concerning Federal Regulation," and Executive Order 14008, "Tackling the Climate Crisis at Home and Abroad." See 86 FR 7037 (Jan. 25, 2021), 86 FR 7049 (Jan. 25, 2021), and 86 FR 7619 (Feb. 1, 2021), respectively.

The Administrative Procedure Act's (APA) legislative history indicates that the purpose of the notice requirement at 5 U.S.C. 553(d)(3) is to "afford persons affected a reasonable time to prepare for the effective date of a rule or rules or to take any other action which the issuance of rules may prompt." S. Rep. No. 752, 79th Cong., 1st Sess. 201 (1946) and H.R. Rep. No. 1980, 79th Cong., 2nd Sess. 259 (1946). Delaying the effective date provides certainty for the regulated industry during the delay period while ONRR continues to review the 2020 Rule, and eliminates circumstances which would otherwise require regulated entities to update their reporting processes in anticipation of compliance with a rule that may be subject to further revision or withdrawal. ONRR is committed to ensuring transparency and providing certainty in the adequacy and finality of the 2020 Rule. Thus, it would be contrary to the public interest for the 2020 Rule to go into effect, with its accompanying changes in reporting and payment requirements, while the 2020 Rule remains under review. To do otherwise would lead to uncertainty and confusion regarding reporting and payment requirements, duplication of effort, a potential and unnecessary increase in administrative costs, and a strain on lessees and recipient States while the interpretation and application of valuation and payment rules change.

In the First Delay Rule, ONRR anticipated that a second delay might be necessary. See 86 FR 9288. For the reasons stated above, and specifically those related to the identified potential shortcomings in the 2020 Rule as well as undue burdens on regulated entities,

ONRR believes this second delay, until November 1, is appropriate. Thus, ONRR finds that there is good cause for this action under 5 U.S.C. 553(d)(3) for this rule to become effective immediately upon publication. This action is taken pursuant to delegated authority.
