Abstract: The Secretary of the United States Department of the Interior (“Secretary”) is responsible for mineral resource development on Federal and Indian lands and the Outer Continental Shelf. Laws pertaining to Federal and Indian mineral leases are posted at http://www.onrr.gov/Laws_R_D/PubLaws/default.htm. Pursuant to the Federal Oil and Gas Royalty Management Act of 1982 (“FOGRMA”) and other laws, the Secretary’s responsibilities include maintaining a comprehensive inspection, collection, and fiscal and production accounting and auditing system that: (1) Accurately determines mineral royalties, interest, and other payments owed, (2) collects and accounts for such amounts in a timely manner, and (3) disburses the funds collected. See 30 U.S.C. 1701 and 1711. ONRR performs these royalty and revenue management responsibilities for the Secretary. See Secretarial Order No. 3306.

(a) *General Information:* Congress enacted FOGRMA, in part, “to effectively utilize the capabilities of the States and Indian Tribes in developing and maintaining an efficient and effective Federal royalty management system.” 30 U.S.C. 1701(b)(5). Relevant to this ICR, FOGRMA provides the Secretary with authority to: (1) Review and approve delegation proposals from states seeking to perform royalty management functions, and (2) prepare a cooperative agreement with a State or Indian tribe seeking to perform royalty audits. 30 U.S.C. 1732 and 1735. Under 30 U.S.C. 1735, the Secretary can delegate all or part of the authority and responsibility to: “(1) conduct inspections, audits, and investigations; (2) receive and process production and financial reports; (3) correct erroneous reporting data; (4) perform automated verification; and (5) issue demands, subpoenas, and orders to perform restructured accounting, for royalty management enforcement purposes . . . to any State with respect to all Federal land within the State.” 30 U.S.C. 1735(a)(1)–(5). Through cooperative agreements, entered into pursuant to 30 U.S.C. 1732, oil or gas royalty management information is shared, and a State or Indian tribe is able to carry out certain inspection, auditing, investigation, or limited enforcement activities in cooperation with the

Secretary. A number of States and Indian tribes are working partners with ONRR and an integral part of the overall onshore and offshore compliance effort. Through the Appropriations Act of 1992 (Pub. L. 102-154), codified at 30 U.S.C. 196, the Secretary’s authority for oil and gas leases was extended to other energy and mineral leases, including coal, geothermal steam, and leases subject to 43 U.S.C. 1337(g) of the Outer Continental Shelf Lands Act (“OCSLA”) as discussed further below.

(b) *Information Collections:* This ICR covers the paperwork requirements under 30 CFR parts 1227, 1228, and 1229. This collection of information is necessary in order for States and Indian Tribes to conduct audits and related investigations of Federal and Indian oil, gas, coal, other solid minerals, and geothermal royalty revenues from Federal and Tribal leased lands. ONRR uses the information collected to: (1) Review and approve delegation proposals from States seeking to perform royalty management functions, and (2) prepare a cooperative agreement with a State or Indian tribe seeking to perform royalty audits. The requirements of 30 CFR parts 1227, 1228, and 1229 are:

(1) 30 CFR part 1227—Delegation to States. Part 1227 governs the delegation of certain Federal royalty management functions to a State under 30 U.S.C. 1735, for Federal oil and gas leases covering Federal lands within the State. This part also governs the delegation of audit and investigative functions to a State for Federal geothermal leases or solid mineral leases covering Federal lands within the State (30 U.S.C. 196), or leases covering lands offshore of the State subject to section 8(g) of the OCSLA (43 U.S.C. 1337(g)). To be considered for such delegation, a State must submit a written proposal to ONRR, which ONRR must approve. Following the delegation process, 30 CFR part 1227 outlines State responsibilities, compensation, performance reviews, and the process for terminating a delegation.

(2) 30 CFR part 1228—Cooperative Activities with States and Indian Tribes. FOGRMA (30 U.S.C. 1732) authorizes the Secretary to enter into a cooperative agreement with a State or Indian tribe to share oil and gas royalty management information, and to carry out inspection, audit, investigation, and enforcement activities on Federal and Indian lands. Federal regulations, at 30 CFR part 1228, implement this provision and set forth the requirements and procedures for entering into a cooperative agreement, the terms of such agreements, and subsequent

responsibilities that must be carried out under the cooperative agreement. Through the Secretary's delegation of the authority contained in 30 CFR 1228.5(a), a State or Indian tribe may enter into a cooperative agreement with ONRR's Director to carry out audits and related investigations of their respective leased lands. To enter into a cooperative agreement, a State or Indian tribe must submit a written proposal to ONRR. The proposal must outline the activities that the State or Indian tribe will undertake and must present evidence that the State or Indian tribe can meet the standards of the Secretary to conduct these activities. The State or Indian tribe also must submit an annual work plan and budget, as well as quarterly reimbursement vouchers.

(3) 30 CFR part 1229—Delegation to States. Part 1229 governs delegations to a State to conduct audits and related investigations for Federal lands within the State, and for Indian lands for which the State has received permission from the respective Indian tribes or allottees to carry out audit activities delegated to the State under 30 U.S.C. 1735. 30 CFR 1229.4. Under Part 1229, the State must receive the Secretary's delegation of authority and submit annual audit work plans detailing its audits and related investigations, annual budgets, and quarterly reimbursement vouchers. The State also must maintain records.

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission ("Commission") determines, pursuant to the Tariff Act of 1930 ("the Act"), that there is a reasonable indication that an industry in the United States is materially injured by reason of imports of certain mobile access equipment and subassemblies thereof ("mobile access equipment") from China, provided for in subheadings 8427.10.80, 8427.20.80, 8427.90.00, and 8431.20.00 of the Harmonized Tariff Schedule of the United States, that are alleged to be sold in the United States at less than fair value ("LTFV") and to be subsidized by the government of China.²

consumer organizations have the right to appear as parties in Commission antidumping and countervailing duty investigations. The Secretary will prepare a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Background

On February 26, 2021, the Coalition of American Manufacturers of Mobile Access Equipment ("CAMMAE" or "the Coalition")³ filed petitions with the Commission and Commerce, alleging that an industry in the United States is materially injured and threatened with material injury by reason of subsidized and LTFV imports of certain mobile access equipment from China. Accordingly, effective February 26, 2021, the Commission instituted countervailing duty investigation No. 701–TA–665 and antidumping duty investigation No. 731–TA–1557 (Preliminary).

Notice of the institution of the Commission's investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of March 4, 2021 (86 FR 12711). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, the Commission conducted its conference through written testimony and video conference on March 19, 2021. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on April 12, 2021. The views of the Commission are contained in USITC Publication 5186 (April 2021), entitled *Certain Mobile Access Equipment and Subassemblies Thereof from China: Investigation Nos. 701–TA–665 and 731–TA–1557 (Preliminary)*.

By order of the Commission.

Issued: April 12, 2021.
