III. Notice of Filing

The Commission will continue to use Docket No. MT2019–1 to consider matters raised by the Postal Service’s Request. The Commission invites comments on whether the Request complies with applicable statutory and regulatory requirements, including 39 U.S.C. 3641, 39 CFR part 3045, and Order No. 5239. Comments are due by May 14, 2021. The public portions of filings in this docket can be accessed via the Commission’s website (http://www.prc.gov).

39 U.S.C. 505 requires the Commission to designate an officer of the Commission to represent the interests of the general public in all public proceedings (Public Representative). The Commission previously appointed Gregory Stanton to serve as the Public Representative in this proceeding. He remains appointed to serve as the Public Representative.

IV. Ordering Paragraphs

It is ordered:

1. Pursuant to 39 U.S.C. 505, Gregory Stanton remains appointed to serve as the Public Representative in this proceeding.

2. Comments are due by May 14, 2021.

3. The Secretary shall arrange for publication of this Order in the Federal Register.

By the Commission.

Erica A. Barker,
Secretary.

SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Amend Rule 7.37–E

April 14, 2021.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b–4 thereunder, notice is hereby given that, on April 1, 2021, NYSE Arca, Inc. (“NYSE Arca” or the “Exchange”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The Exchange proposes to amend Rule 7.37–E to specify when the Exchange may adjust its calculation of the PBBO. Generally, the Exchange updates both the PBBO and NBBO based on quote updates received from data feeds from Away Markets, which are disclosed in Rule 7.37–E(d). In 2015, the Exchange described in a rule filing that when it routes interest to a protected quotation, the Exchange adjusts the PBBO. The Exchange proposes to amend its rules to include that description in Rule 7.37–E and provide additional specificity of when it may adjust its calculation of the PBBO.

As proposed, new paragraph (d)(2) of Rule 7.37–E would provide:

The Exchange may adjust its calculation of the PBBO based on information about orders it sends to Away Markets with protected quotations, execution reports received from those Away Markets, and certain orders received by the Exchange.

Proposed Rule 7.37–E(d)(2) is based on MEMX LLC (“MEMX”) Rule 13.4(b) with two non-substantive differences. First, the Exchange proposes to use the term “PBBO,” which is the term used in the Exchange’s rules for the best-priced

4 The term “PBBO” is defined in Rule 1.1 to mean the Best Protected Bid and the Best Protected Offer, which in turn mean the highest Protected Bid and the lowest Protected Offer, which refer to quotations in an NMS stock that is (i) displayed by an Automated Trading Center; (ii) disseminated pursuant to an effective national market system plan; and (iii) an Automated Quotation that is the best bid or best offer of a national securities association. The term NBBO is defined to mean the national best bid and offer. The Exchange notes that the NBBO may differ from the PBBO because the NBBO includes Manual Quotations, which are defined as any quotation other than an automated quotation. 17 CFR 242.600(b)(37).

5 The Exchange proposes non-substantive amendments to Rule 7.37–E(d) to update the names of the exchanges listed in the table by replacing the term “Bats” with “Choe,” adding reference to “BUX” for one of the Choe exchanges, replacing the term “NASDAQ” with “Nasdaq,” and adding the word “The” before Nasdaq Stock Market LLC.

7 The Exchange does not adjust its calculation of the NBBO based on information about orders sent to Away Markets, execution reports from Away Markets, or certain orders received by the Exchange. MEMX Rule 13.4(b) provides: “The Exchange may adjust its calculation of the NBBO based on information about orders sent to other venues with protected quotations, execution reports received from those venues, and certain orders received by the Exchange.”
