The Council will accept public comment on Coral Amendment 10 from April 28, 2021 through 5 p.m. on May 14, 2021.

Amendment 10 to the Coral, Coral Reef and Live Hard Bottom Habitat FMP

The draft amendment currently addresses a request from the rock shrimp industry to create a Shrimp Fishery Access Area (SFAA) along the eastern boundary of the northern extension of the Oculina Bank Coral HAPC to allow rock shrimp trawling and access to historic rock shrimp fishing grounds. Vessels fishing for rock shrimp in the South Atlantic region are required to carry approved Vessel Monitoring Systems (VMS) to harvest or possess rock shrimp. Establishing a SFAA would allow access to the area at times where the species is found slightly west of the existing boundary while retaining the integrity of the eastern boundary of the Oculina Bank Coral HAPC, maintaining the prohibition on all other bottom tending gear.

During the public hearings, Council staff will present an overview of the amendment and will be available to answer questions. Members of the public will have an opportunity to go on record to record their comments for consideration by the Council.

Special Accommodations

These hearings are physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.
