I. Introduction

On April 21, 2021, the Postal Service filed a request for an advisory opinion from the Commission regarding planned changes to the service standards for First-Class Mail and end-to-end Periodicals.¹ The intended effective date of the Postal Service's planned changes is no earlier than September 1, 2021. Request at 2. The Request was filed pursuant to 39 U.S.C. 3661 and 39 CFR part 3020. Before issuing its advisory opinion, the Commission shall accord an opportunity for a formal, on-the-record hearing pursuant to 5 U.S.C. 556 and 557. 39 U.S.C. 3661(c). This Order provides information on the Postal Service's planned changes, explains and

establishes the process for the on-the-record hearing, and lays out the procedural schedule to be followed in this case.

II. Pre-Filing Issues

On March 23, 2021, the Postal Service published a ten-year strategic plan announcing potential changes intended to achieve financial stability and service excellence.² In conjunction with this publication, the Postal Service also filed a notice of its intent to conduct a pre-filing conference regarding its proposed changes to the service standards for First-Class Mail and end-to-end Periodicals, which would “generally affect service on a nationwide or substantially nationwide basis.”³ Further, the Postal Service announced that it would propose amendments to the existing service standards for First-Class Mail and end-to-end Periodicals appearing in 39 CFR part 121. *See* Notice at 1; *see also* Request at 1.⁴

² *See* United States Postal Service, Delivering for America: Our Vision and Ten-Year Plan to Achieve Financial Sustainability and Service Excellence, March 23, 2021, at 3, available at, https://about.usps.com/what/strategic-plans/delivering-for-america/assets/USPS_Delivering-For-America.pdf (Postal Service’s Strategic Plan). Further information related to the Postal Service’s Strategic Plan is available at, <https://about.usps.com/what/strategic-plans/delivering-for-america/>.

³ Notice of Pre-Filing Conference, March 23, 2021, at 1 (Notice) (quoting 39 U.S.C. 3661(b)).

⁴ These proposed changes were published in the *Federal Register* on April 23, 2021 and are available

On March 24, 2021, the Commission issued Order No. 5848, which established Docket No. N2021–1 to consider the Postal Service’s proposed changes, notified the public concerning the Postal Service’s pre-filing conference, and appointed a Public Representative.⁵ Due to the COVID–19 pandemic, the Postal Service held its pre-filing conference virtually on April 6, 2021, from 1:00 p.m. to 3:00 p.m. Eastern Daylight Time (EDT). *See* Request at 2; *see also* Notice at 1, 4. The Postal Service asserts that it completed the pre-filing requirements appearing in 39 CFR 3020.111 and certifies that it has made a good faith effort to address concerns of interested persons about the Postal Service’s proposal raised at the pre-filing conference. *See* Request at 2.

III. The Request

A. The Postal Service’s Planned Changes

The Postal Service plans for these changes to become effective no earlier than September 1, 2021. *See id.* at 2. For First-Class Mail within the contiguous United States, the Postal Service states that its proposal would narrow the

scope of the existing 2-Day and 3-Day standards; instead 4-Day and 5-Day standards would apply to certain First-Class Mail traveling longer distances between origin and destination. *See id.* at 3.

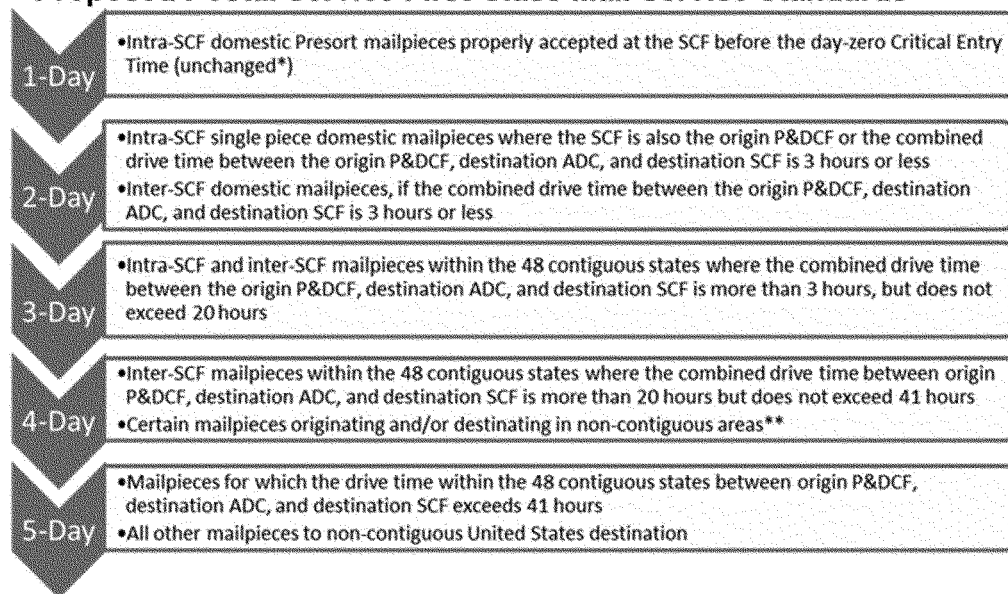

The Postal Service states that most First-Class Mail volume will be unaffected by the proposed changes. *See id.* at 4. It observes that First-Class Mail subject to the existing 1-Day (Overnight) service standard will not be affected. *See id.* at 3–4. Overall, the Postal Service asserts that approximately 70 percent of First-Class Mail volume would be subject to the proposed 1-Day, 2-Day, or 3-Day service standards; approximately 21 percent of First-Class Mail volume would be subject to the proposed 4-Day service standard; and approximately 10 percent of First-Class Mail volume would be subject to the proposed 5-Day service standard.⁶

The Postal Service plans to apply a 3–6-Day standard to certain end-to-end Periodicals merged with First-Class Mail for surface transportation, specifying that the Periodicals standard would equal the sum of 1 day plus the applicable First-Class Mail service standard. *See id.* at 6.

Specifically, the Postal Service proposes to apply the following standards to First-Class Mail.

⁶ *See id.* at 4. These figures total 101 percent due to rounding.

Proposed Postal Service First-Class Mail Service Standards

Notes:

* The existing First-Class Mail 1-Day service standard is codified in 39 CFR 121.1(a)(2).

** Specifically, this refers to the following:

- Mailpieces originating in the contiguous 48 states destined to the city of Anchorage, Alaska, the 968 3-Digit ZIP Code area in Hawaii, or the 006, 007, or 009 3-Digit ZIP Code areas in Puerto Rico.
- Mailpieces originating in the 006, 007, or 009 3-Digit ZIP Code areas in Puerto Rico and the destination is in the contiguous 48 states.
- Mailpieces originating in Hawaii and the destination is in Guam, or vice versa.
- Mailpieces originating in Hawaii and the destination is in American Samoa, or vice versa.
- Mailpieces for which both the origin and destination are within Alaska.

"SCF" refers to "Sectional Center Facility." *Id.* at 3. With respect to a particular SCF, "Intra-SCF" refers to mailpieces that originate and destinate within the 3-Digit ZIP Code areas assigned to that SCF in the Domestic Mail Manual and "Inter-SCF" refers to mailpieces that originate outside those 3-Digit ZIP Code areas. "P&DCF" refers to Processing & Distribution Center or Facility. Notice at 2. "ADC" refers to Area Distribution Center. *Id.*

B. The Postal Service's Position

The Postal Service states that the existing service standards do not reflect declining mail volumes and that attempting to meet the existing service standards has led to high costs, transportation inefficiencies, and difficulties in providing reliable and consistent service performance. *See* Request at 6. The Postal Service explains that transporting mail by surface (trucks) is more reliable and cost-effective than air transportation. *See id.* at 7. The Postal Service asserts that the proposed changes would allow the Postal Service to use surface rather

than air transportation for more mailpieces between additional Postal Service origin and destination processing facilities (OD Pairs). *See id.* at 3, 7–8. The Postal Service states that the proposed changes could generate a net improvement to the Postal Service's finances of approximately \$174.8 million annually, when considering transportation cost savings. *See id.* at 9.

The Postal Service asserts that implementing the proposed changes would enable it to: Provide more reliable and consistent service performance, improve its ability to run according to its operating plans and

optimize its surface transportation network, increase its use of more cost-effective air carriers for volume that will continue to be transported by air (such as volume destined for non-contiguous areas), achieve significant cost savings due to the creation of a more efficient transportation network, and implement future operational benefits. *See id.* at 6–9. It adds that the proposed changes are a key component of the Postal Service's Strategic Plan, intended to achieve financial stability and service excellence. *See id.* at 9–10.

Further, the Postal Service asserts that the proposed changes achieve the

objectives of 39 U.S.C. 3691(b)(1) better than the existing service standards. *See id.* at 10–12. The Postal Service contends that it has taken into account the factors set forth in 39 U.S.C. 3691(c), including the broader policies of title 39, United States Code, as required by 39 U.S.C. 3691(c)(8). *See id.* at 10–13. The Postal Service discusses how it will continue to satisfy the universal service provisions appearing in 39 U.S.C. 101,

403, and 3661(a) under the proposed service standards. *See id.*

C. The Postal Service's Direct Case

The Postal Service is required to file its direct case along with the Request. *See* 39 CFR 3020.114. The Postal Service's direct case includes all of the prepared evidence and testimony upon which the Postal Service proposes to rely on in order to establish that its

proposal accords with and conforms to the policies of title 39, United States Code. *See id.* The Postal Service provides the direct testimony of five witnesses and identifies a sixth individual to serve as its institutional witness and provide information relevant to the Postal Service's proposal that is not provided by other Postal Service witnesses.

IV. Initial Administrative Actions

A. General Procedures

The procedural rules in 39 CFR part 3020 apply to Docket No. N2021–1. Before issuing its advisory opinion, the Commission shall accord an opportunity for a formal, on-the-record hearing pursuant to 5 U.S.C. 556 and 557. 39 U.S.C. 3661(c). The Commission will sit *en banc* for Docket No. N2021–1. See 39 CFR 3020.122(b). Due to the COVID–19 pandemic, the Commission is conducting all business, including any hearing or public meeting for Docket No. N2021–1 virtually and not in person.

B. Scope

Docket No. N2021–1 is limited in scope to the specific changes proposed by the Postal Service in its Request. See 39 CFR 3020.102(b). To the extent that participants raise alternative proposals and present reasons why those alternatives may be superior to the Postal Service's proposal, the Commission would interpret such

discussion as critiquing the specific changes proposed by the Postal Service in its Request.⁷ However, the Commission would not evaluate or opine on the merits of such alternative proposal in its advisory opinion. See Order No. 2080 at 18. Pursuant to its discretion, the Commission may undertake evaluation of alternatives or other issues raised by participants in separate proceedings (such as special studies or public inquiries). See 39 CFR 3020.102(b). Moreover, any interested person may petition the Commission to initiate a separate proceeding (such as a rulemaking or public inquiry) at any time. See 39 CFR 3010.201(b) (initiation of notice and comment proceedings).

C. Procedural Schedule

The Commission establishes a procedural schedule, which appears below the signature of this Order. See 39 CFR 3010.151, 3020.110; see also 39

⁷ See Docket No. RM2012–4, Order Adopting Amended Rules of Procedure for Nature of Service Proceedings Under 39 U.S.C. 3661, May 20, 2014, at 18 (Order No. 2080).

CFR part 3020 Appendix A. These dates may be changed only if good cause is shown, if the Commission later determines that the Request is incomplete, if the Commission determines that the Postal Service has significantly modified the Request, or for other reasons as determined by the Commission. See 39 CFR 3020.110(b) and (c).

D. How To Access Material Filed in This Proceeding

1. Using the Commission's Website

The public portions of the Postal Service's filing are available for review on the Commission's website (<http://www.prc.gov>). The Postal Service's electronic filing of the Request and prepared direct evidence effectively serves the persons who participated in the pre-filing conference. See 39 CFR 3020.104. Other material filed in this proceeding will be available for review on the Commission's website, unless the information contained therein is subject to an application for non-public treatment. The Commission's rules on

how to file and access non-public material appear in 39 CFR part 3011.

2. Using Methods Other Than the Commission's Website

The Postal Service must serve hard copies of its Request and prepared direct evidence “only upon those persons who have notified the Postal Service, in writing, during the pre-filing conference(s), that they do not have access to the Commission’s website.” 39 CFR 3020.104. If you demonstrate that you are unable to effectively use the Commission’s Filing Online system or are unable to access the internet, then the Secretary of the Commission will serve material filed in Docket No. N2021–1 upon you via First-Class Mail. See 39 CFR 3010.127(b) and (c). You may request physical service by mailing a document demonstrating your need to the Office of Secretary and Administration, Postal Regulatory Commission, 901 New York Avenue NW, Suite 200, Washington, DC 20268–0001. Service may be delayed due to the impact of the COVID–19 pandemic. Pursuant to 39 CFR 3010.127(c), the Secretary shall maintain a service list identifying no more than two individuals designated for physical service of documents for each party intervening in this proceeding. Accordingly, each party must ensure that its listing is accurate and should promptly notify the Secretary of any errors or changes. See 39 CFR 3010.127(c).

E. How To File Material in This Proceeding

1. Using the Commission's Filing Online System

Except as provided in 39 CFR 3010.120(a), all material filed with the Commission shall be submitted in electronic format using the Filing Online system, which is available over the internet through the Commission’s website. The Commission’s website accepts filings during the Commission’s regular business hours, which are from 8:00 a.m. through 4:30 p.m. EDT, except for Saturdays, Sundays, and Federal holidays. A guide to using the Filing Online system, including how to create an account, is available at: <https://www.prc.gov/how-to-participate>. If you have questions about how to use the Filing Online system, please contact the dockets clerk by email at dockets@prc.gov or telephone at (202) 789–6847. Please be advised that the dockets clerk can only answer procedural questions but may not provide legal advice or recommendations.

2. Using Methods Other Than the Commission's Filing Online System

Material may be filed using a method other than the Commission’s website only if at least one of the following exceptions applies:

- The material cannot reasonably be converted to electronic format,
- The material contains non-public information (see 39 CFR part 3011),
- The filer is unable to effectively use the Commission’s Filing Online system and the document is 10 pages or fewer, or
- The Secretary has approved an exception to the requirements to use the Commission’s Filing Online system based on a showing of good cause. 39 CFR 3010.120(a).

Material subject to these exceptions may be filed by mail to the Office of Secretary and Administration, Postal Regulatory Commission, 901 New York Avenue NW, Suite 200, Washington, DC 20268–0001. Due to the agency’s virtual status, posting mailed materials to the Commission’s website may be delayed. Accordingly, before mailing materials, it is strongly recommended that individuals contact the dockets clerk by email at dockets@prc.gov or telephone at (202) 789–6847.

F. Technical Conference

1. Date and Purpose

A technical conference will be held live via WebEx on April 30, 2021, at 11:00 a.m. EDT.⁸ The technical conference is an informal, off-the-record opportunity to clarify technical issues as well as to identify and request information relevant to evaluating the Postal Service’s proposed changes. See 39 CFR 3020.115(c). At the technical conference, the Postal Service will make available for questioning its five witnesses whose direct testimony was filed along with the Request and a sixth individual to serve as its institutional witness, who will provide information relevant to the Postal Service’s proposal that is not provided by other Postal Service witnesses. See Request at 2, 4, 6–9; see also 39 CFR 3020.113(b)(6)–(7), 3020.115(b). The names and topics to which these six individuals are prepared to address are summarized above in Section III.C., Table 2, *infra*.

⁸ Normally, this technical conference would be set for day 10 (Saturday May 1, 2021) and extended to Monday May 3, 2021, in accordance with 39 CFR 3020.103; however, the Commission is taking into account the National Postal Forum scheduled for May 3 and 4, 2021.

ask questions of the Postal Service’s six witnesses, an individual need not formally intervene in this docket, but must register in advance as follows. Each individual seeking to participate in the live WebEx using an individual device (e.g., a desktop computer, laptop, tablet, or smart phone) must register by sending an email to N2021-1registration@prc.gov with the subject line “Registration” by April 27, 2021. In order to facilitate orderly public participation, this email shall provide the following information:

- Your first and last name;
- your email address (to receive the WebEx link);
- whether or not you would like the moderator to allow you the opportunity to question the Postal Service’s witness(es), and if so, which witness(es) you would like to question and/or the topic(s) of your question(s); and
- your affiliation (if you are participating in your capacity as an employee, officer, or member of an entity such as a corporation, association, or government agency).

The N2021-1registration@prc.gov email address is established solely for the exchange of information relating to the logistics of registering for and participating in the technical conference.⁹ No information related to the substance of the Postal Service’s Request shall be communicated, nor shall any information provided by participants apart from the list identified above be reviewed or considered. Only documents filed with the Commission’s docket system will be considered by the Commission. Before the technical conference, the Commission will email each identified individual a WebEx link, an explanation of how to connect to the technical conference, and information regarding the schedule and procedures to be followed.

3. Availability of Materials and Recording

To facilitate discussion of the matters to be explored at the technical conference, the Postal Service shall, if necessary, file with the Commission any materials not already filed in Docket No. N2021–1 (such as PowerPoint presentations or Excel spreadsheets) that the Postal Service expects to present at the technical conference by April 29, 2021. Doing so will foster an orderly discussion of the matters under consideration and facilitate the ability of individuals to access these materials should technical issues arise for any

participants during the live WebEx. After the live WebEx, if feasible, the Commission shall make the recording available and provide notice of where to access it in this docket. Participants in the WebEx, by participating, consent to such recording and posting. Information obtained during the technical conference or as a result of the technical conference is not part of the decisional record, unless admitted under the standards of 39 CFR 3010.322. *See id.* section 3020.115(e).

G. How To Intervene (Become a Party to This Proceeding)

To become a party to this proceeding, a person or entity must file a notice of intervention by May 5, 2021.¹⁰ This filing must clearly and concisely state: The nature and extent of the intervenor's interest in the issues (including the postal services used), the intervenor's position on the proposed changes in services (to the extent known), whether or not the intervenor requests a hearing, and whether or not the intervenor intends to actively participate in the hearing. *See* 39 CFR 3010.142(b). Page one of this filing shall contain the name and full mailing address of no more than two persons who are to receive service, when necessary, of any documents relating to this proceeding. *See id.* A party may participate in discovery; file testimony and evidence; conduct written examination of witnesses; conduct limited oral cross-examination; file briefs, motions, and objections; and present argument before the Commission or the presiding officer. *See id.* sections 3010.142(a); 3020.122(e). An opposition to a notice of intervention is due within 3 days after the notice of intervention is filed. *See id.* section 3010.142(d)(2).

H. Discovery

1. Generally Applicable Discovery Procedures

Discovery requests may be propounded upon filing a notice of intervention. Discovery that is reasonably calculated to lead to the admissible evidence is allowed. *See id.* section 3020.116(a). Each answer to a discovery request is due within 7 days after the discovery request is filed.¹¹ Any motion seeking to be excused from answering any discovery request is due

within 3 days after the discovery request is filed. *See* 39 CFR 3020.105(b)(1). Any response to such motion is due within 2 days after the motion is filed. *See id.* section 3020.105(b)(2). The Commission expects parties to make judicious use of discovery, objections, and motions practice, and encourages parties to make every effort to confer to resolve disputes informally before bringing disputes to the Commission to resolve.

2. Discovery Deadlines for the Postal Service's Direct Case

All discovery requests regarding the Postal Service's direct case must be filed by May 19, 2021. All discovery answers by the Postal Service must be filed by May 26, 2021. The parties are urged to initiate discovery promptly, rather than to defer filing requests and answers to the end of the period established by the Commission.

I. Rebuttal Case Deadlines

A rebuttal case is any evidence and testimony offered to disprove or contradict the evidence and testimony submitted by the Postal Service. A rebuttal case does not include cross-examination of the Postal Service's witnesses or argument submitted via a brief or statement of position. Any party that intends to file a rebuttal case must file a notice confirming its intent to do so by May 28, 2021. Any rebuttal case, consisting of any testimony and all materials in support of the case, must be filed by June 2, 2021.

J. Surrebuttal Case Deadlines

A surrebuttal case is any evidence and testimony offered to disprove or contradict the evidence and testimony submitted by the rebutting party. M. Presentation of Argument

1. General Procedures

Any person that has intervened in Docket No. N2021-1 (and thereby formally became a party to this proceeding) may submit written argument by filing a brief or a statement of position; they also may request to present oral argument at the hearing. *See* 39 CFR 3020.123, *see also* 39 CFR 3010.142(a). Any person that has not intervened in Docket No. N2021-1 may submit written argument by filing a statement of position. *See* 39 CFR 3020.123(g), *see also* 39 CFR 3010.142(a).

2. Presentation of Written Argument

A brief is a written document that addresses relevant legal and evidentiary issues for the Commission to consider and must adhere to the requirements of 39 CFR 3020.123(a)-(f). A statement of position is a less formal version of a brief that describes the filer's position on the Request and the information on the existing record in support of that position. *See* 39 CFR 3020.123(g).

¹⁰ Neither the Public Representative nor the Postal Service must file a notice of intervention; both are automatically deemed parties to this proceeding. *See* 39 CFR 3010.142(a).

¹¹ *See* 39 CFR 3020.117(b)(4), 3020.118(b)(1), 3020.119(b)(1). Filing an opposition to a notice of intervention shall not delay this deadline. *See* 39 CFR 3010.142(d)(3).

¹² This rule also requires designation of written cross-examination and provision of hard copies. 39 CFR 3020.122(e)(2). The Commission or presiding officer shall provide guidance on designation for a virtual hearing if necessary and in advance of such hearing.

a. Briefing Deadlines

Assuming that no rebuttal case is filed, initial briefs are due June 11, 2021, and reply briefs are due June 18, 2021. If any party files a notice confirming its intent to file a rebuttal case by May 28, 2021, then the briefing schedule may be revised.

b. Deadline for Statement of Position

Any interested person, including anyone that has not filed a notice of intervention and become a party to this proceeding, may file a statement of position. *See* 39 CFR 3020.123(g), *see also* 39 CFR 3010.142(a). A statement of position is limited to the existing record and may not include any new evidentiary material. *See* 39 CFR 3020.123(g). Filings styled as a brief or comments, conforming with the content and timing requirements, shall be deemed statements of positions. Any statement of position is due June 11, 2021.

3. Request To Present Oral Argument

Oral argument has not historically been part of N-cases; the Commission

would only grant a request to present oral argument upon an appropriate showing of need by the presenting party. *See* Order No. 2080 at 53. The Commission or presiding officer shall set a deadline for filing a request to present oral argument at the hearing.

N. The Commission's Advisory Opinion

Unless there is a determination of good cause for extension, the Commission shall issue its advisory opinion within 90 days of the filing of the Request. *See* 39 CFR 3020.102(a). Therefore, absent a determination of good cause for extension, the Commission shall issue its advisory opinion in this proceeding by July 20, 2021. "The opinion shall be in writing and shall include a certification by each Commissioner agreeing with the opinion that in his [or her] judgment the opinion conforms to the policies established under [title 39, United States Code]." 39 U.S.C. 3661(c). The advisory opinion shall address the specific changes proposed by the Postal Service in the nature of postal services. *See* 39 CFR 3020.102(b).
