*Title:* Capital Magnet Fund Application and Performance Report.

*OMB Control Number:* 1559-0036.

*Type of Review:* Revision of a currently approved collection.

*Description:* The Capital Magnet Fund was established through the Housing and Economic Recovery Act of 2008 (Pub. L. 110-289) or HERA, as a competitive grant program administered by the CDFI Fund. Through CMF, the CDFI Fund provides financial assistance grants to Certified Community Development Financial Institutions (CDFIs) and qualified Nonprofit Organizations with the development or management of Affordable Housing, as defined in 12 CFR part 1807, as one of their principal purposes. Capitalized terms not defined in this Notice (other than titles) have the meaning set forth in the CMF Interim Rule (12 CFR part 1807). CMF awards must be used to attract private financing for and increase investment in: (i) The Development, Preservation, Rehabilitation, and Purchase of Affordable Housing for primarily Extremely Low-, Very Low-, and Low-Income Families; and (ii) Economic Development Activities which, in conjunction with Affordable Housing Activities will implement a Concerted Strategy to stabilize or revitalize a Low-Income Area or an Underserved Rural Area.

CMF Award Recipients are selected through a competitive process involving a careful review of their Application for program funding. The Application requires the submission of quantitative data and narrative responses for three parts: (1) Business and Leveraging Strategy, (2) Community Impact, and (3) Organizational Capacity. The Award selection process is defined in the Notice of Funding Availability (NOFA) for each funding round.

CMF Award Recipients enter into Assistance Agreements with the CDFI Fund that set forth required terms and conditions of the Award, including reporting and data collection requirements. The Assistance Agreement requires the submission of an annual CMF Performance Report. The information collected in the CMF Performance Report is reviewed to ensure the Recipient's compliance with its Performance Goals and contractual

obligations, as well as the overall performance of the program.
