

wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the China-wide entity, we did not review the entity in this segment of the proceeding. Thus, the China-wide entity's rate (*i.e.*, 285.63 percent) did not change.

#### Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for shipments of the subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For the exporters listed above, the cash deposit rate will be the rate established in the final results of this review (except, if the rate is zero or *de minimis*, a zero cash deposit rate will be required for that company); (2) for previously investigated or reviewed China and non-China exporters not listed above that have separate rates, the cash deposit rate will continue to be the existing producer/exporter-specific rate published for the most recent period; (3) for all China exporters of subject merchandise that have not been found to be eligible for a separate rate, the cash deposit rate will be the China-wide rate of 285.63 percent; and (4) for all non-China exporters of subject merchandise that have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter(s) that supplied that non-China exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

#### Disclosure

We intend to disclose the calculations performed regarding these final results within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

#### Notification to Importers Regarding the Reimbursement of Duties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that

reimbursement of antidumping duties has occurred and the subsequent assessment of doubled antidumping duties.

#### Notification Regarding Administrative Protective Orders

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

#### Notification to Interested Parties

We are issuing and publishing these final results of administrative review in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(h).

Dated: April 26, 2021.

#### Certain Softwood Lumber Products from Canada: Notice of Initiation and Preliminary Results of Antidumping Duty Changed Circumstances Review

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) is initiating a changed circumstances review (CCR) to determine whether Chaleur Forest Products LP (CFP LP) and Chaleur Forest Products Inc. (CFP Inc.) are the successors-in-interest (SIIs) to Chaleur Sawmills LP (Chaleur LP) and Fornebu Lumber Co. Inc. (Fornebu Inc.), respectively, in the context of the antidumping duty (AD) order on certain softwood lumber products from Canada. We preliminarily determine that CFP LP and CFP Inc. are the SIIs to Chaleur LP and Fornebu Inc., respectively.

**DATES:** Applicable April 30, 2021.

#### SUPPLEMENTARY INFORMATION:

##### Background

On January 3, 2018, Commerce published in the **Federal Register** an AD order on certain softwood lumber products from Canada.<sup>1</sup> On March 11, 2021, CFP LP and CFP Inc. (collectively the Chaleur Companies) requested that, pursuant to section 751(b) of the Tariff Act of 1930, as amended (the Act), 19 CFR 351.216, and 19 CFR 351.221(c)(3), Commerce conduct a CCR of the *Order* to confirm that CFP LP and CFP Inc. are the SIIs to Chaleur LP and Fornebu Inc., respectively, and accordingly, to assign them the cash deposit rates of Chaleur LP and Fornebu Inc.<sup>2</sup> In its submission, the Chaleur Companies state that Chaleur LP and Fornebu Inc. undertook name changes to CFP LP and CFP Inc., respectively, but are otherwise unchanged.<sup>3</sup> In a March 19, 2021, filing, the Committee Overseeing Action for Lumber International Trade

Investigations or Negotiations (hereinafter referred to as the petitioner) argued that Fornebu Inc. was not eligible to receive a cash deposit rate that differs from the all-others rate that is listed in the *Order* and, thus, argued that Commerce should refrain from initiating the CCR.<sup>4</sup> In a March 29, 2021, filing, the Chaleur Companies argue that Fornebu Inc. is eligible for a CCR and that Commerce should therefore initiate and preliminarily determine that CFP LP and CFP Inc. are the SIIs to Chaleur LP and Fornebu Inc, respectively.<sup>5</sup>

### Initiation and Preliminary Results of CCR

Pursuant to section 751(b)(1) of the Act, Commerce will conduct a CCR upon receipt of information concerning, or a request from, an interested party for a review of an AD order which shows changed circumstances sufficient to warrant a review of the order. The information submitted by the Chaleur Companies supporting their claim that CFP LP and CFP Inc. are the SIIs to Chaleur LP and Fornebu Inc., respectively, demonstrates changed circumstances sufficient to warrant such a review.<sup>7</sup> Therefore, in accordance with section 751(b)(1)(A) of the Act and 19 CFR 351.216(d) and (e), we are initiating a CCR based upon the information contained in Chaleur Companies' filings.

Section 351.221(c)(3)(ii) of Commerce's regulations permits Commerce to combine the notice of initiation of a CCR and the notice of preliminary results if Commerce concludes that expedited action is warranted.<sup>8</sup> In this instance, because the record contains information necessary to make a preliminary finding, we find that expedited action is warranted and have combined the notice of initiation and the notice of preliminary results.<sup>9</sup> In this CCR, pursuant to section 751(b) of the Act, Commerce conducted an SII analysis. In making a successor-in-interest determination, Commerce examines several factors, including, but not limited to, changes in the following: (1) Management; (2) production facilities; (3) supplier relationships; and

(4) customer base.<sup>10</sup> While no single factor or combination of factors will necessarily provide a dispositive indication of a successor-in-interest relationship, generally, Commerce will consider the new company to be the successor to the previous company if the new company's resulting operation is not materially dissimilar to that of its predecessor.<sup>11</sup> Thus, if the record evidence demonstrates that, with respect to the production and sale of the subject merchandise, the new company operates as the same business entity as the predecessor company, Commerce may assign the new company the cash deposit rate of its predecessor.<sup>12</sup>

In accordance with 19 CFR 351.216, we preliminarily determine that CFP LP and CFP Inc. are the SIIs to Chaleur LP and Fornebu Inc., respectively. Record evidence, as submitted by the Chaleur Companies, indicates that CFP LP and CFP Inc. operate as essentially the same business entities as Chaleur LP and Fornebu Inc., respectively, with respect to the subject merchandise.<sup>13</sup> For the complete successor-in-interest analysis, including discussion of business proprietary information, refer to the accompanying Initiation and Preliminary Decision Memorandum. Commerce will issue its final results of the review in accordance with the time limits set forth in 19 CFR 351.216(e).
