SECURITIES AND EXCHANGE COMMISSION

Self-Regulatory Organizations; NYSE National, Inc.: Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Effective Date in Commentary .10 Under NYSE National Rule 2.1210

April 29, 2021.

Pursuant to Section 19(b)(1)1 of the Securities Exchange Act of 1934 (the “Exchange Act”)2 and Rule 19b–4 thereunder,3 notice is hereby given that on April 19, 2021, NYSE National, Inc. (“NYSE National” or the “Exchange”)4 filed with the Securities and Exchange Commission (“SEC” or “Commission”)5 the proposed rule change as described in Items I and II below, which items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes a rule change to extend the effective date in Commentary .10 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under NYSE National Rule 2.1210 (Registration Requirements) applicable to ETP Holders, from April 30, 2021 to June 30, 2021. The Exchange does not anticipate providing any further extensions to the temporary relief identified in this proposed rule change beyond June 30, 2021.6 The proposed rule change is available on the Exchange’s website at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to extend the effective date in Commentary .10 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under NYSE National Rule 2.1210 (Registration Requirements) applicable to ETP Holders,3 from April 30, 2021 to June 30, 2021. The proposed rule change would extend the 120-day period that

1 If due to unforeseen circumstances a further extension is necessary, the Exchange will submit a separate rule filing to further extend the temporary relief.
2 The term “ETP Holder” means the Exchange-approved holder of an ETP. See NYSE National Rule 1.1(i). The term “ETP” refers to an Equity Trading Permit issued by the Exchange for effecting approved securities transactions on the Exchange. See NYSE National Rule 1.1(b).
certain individuals can function as a principal without having successfully passed an appropriate qualification examination through June 30, 2021, and would apply only to those individuals who were designated to function as a principal prior to March 3, 2021. This proposed rule change is based on a filing recently submitted by the Financial Industry Regulatory Authority, Inc. ("FINRA")\(^6\) and is intended to harmonize the Exchange’s registration rules with those of FINRA so as to promote uniform standards across the securities industry. In response to COVID–19 global pandemic, last year FINRA began providing temporary relief by way of frequently asked questions ("FAQs")\(^7\) to address disruptions to the administration of FINRA qualification examinations caused by the pandemic that have significantly limited the ability of individuals to sit for examinations due to Prometric test center capacity issues.\(^8\) The first FAQ on March 20, 2020, provided that individuals who were designated to function as principals under FINRA Rule 1210.04\(^9\) prior to February 2, 2020, would be given until May 31, 2020, to pass the appropriate principal qualification examination.\(^10\) FINRA revised the FAQ to extend the expiration of the temporary relief to pass the appropriate principal examination until June 30, 2020, and then until August 31, 2020. On September 25, 2020, NYSE National filed with the Commission a proposed rule change for immediate effectiveness to extend the temporary relief provided via the FAQ by adopting temporary Commentary .10 (Temporary Extension of the Limited Period for Registered Persons to Function as Principals) under NYSE National Rule 2.1210 (Registration Requirements).\(^11\) Pursuant to this rule filing, individuals who were designated prior to September 3, 2020, to function as a principal under NYSE National Rule 2.1210.10 had until December 31, 2020, to pass the appropriate qualification examination. The Exchange thereafter filed a proposed rule change to extend the expiration date of the temporary relief from December 31, 2020, to April 30, 2021.\(^12\)

As mentioned in the prior filings, FINRA began providing, and then extended, temporary relief to address the interruptions in the administration of FINRA qualification examinations at Prometric test centers and the limited ability of individuals to sit for the examinations caused by the COVID–19 pandemic. The prior filings also noted that the pandemic could result in firms potentially experiencing significant disruptions to their normal business operations that may be exacerbated by being unable to keep principal positions filled. Specifically, the limitation of in-person activities and staff absenteeism as a result of the health and welfare concerns stemming from COVID–19 could result in firms having difficulty finding other qualified individuals to transition into that role or requiring them to reallocate employee time and resources away from other critical responsibilities at the firm. While there are signs of improvement, the COVID–19 conditions necessitating the temporary relief persist and FINRA has determined that there is a continued need for this temporary relief beyond April 30, 2021. Although Prometric has resumed testing in many of its U.S. test centers, Prometric’s safety practices mean that currently not all test centers are open, some of the open test centers are at limited capacity, and some open test centers are delivering only certain examinations.

While the NYSF has stated that an extension of the relief is impracticable for FINRA members to ensure that the individuals who they had designated to function in a principal capacity, as set forth in FINRA Rule 1210.04, could successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rule.\(^16\) Specifically, if the individual wanted to take a qualifying examination, they were required to accept the health risks associated with taking an in-person examination because those examinations were not available online. On February 24, 2021, however, FINRA adopted an interim accommodation request process to allow candidates to take additional FINRA examinations online, including the General Securities Principal ("Series 24") examination.\(^17\) Because the qualifying examination has been made available online only recently, FINRA is concerned that individuals who have been designated to function in a principal capacity may not have sufficient time to schedule, study for, and take the applicable examination before April 30, 2021, the date the temporary relief is set to expire. These ongoing circumstances make it impracticable for ETP Holders to ensure that the individuals whom they have designated to function in a principal capacity, as set forth in NYSE National Rule 2.1210.03, are able to successfully sit for and pass an appropriate qualification examination within the 120-calendar day period required under the rule, or to find other qualified staff to fill this position. Therefore, NYSE...
National is proposing to extend the effective date of the temporary relief provided through SR–NYSENAT–2020–38 until June 30, 2021. The proposed rule change would apply only to those individuals who were designated to function as a principal prior to March 3, 2021. Any individuals designated to function as a principal on or after March 3, 2021, would need to successfully pass an appropriate qualification examination within 120 days.

NYSE National believes that this proposed continued extension of time is tailored to address the needs and constraints on an ETP Holder’s operations during the COVID–19 pandemic, without significantly compromising critical investor protection. The proposed extension of time will help to minimize the impact of COVID–19 on ETP Holders by providing continued flexibility so that ETP Holders can ensure that principal positions remain filled. The potential risks from the proposed extension of the 120-day period are mitigated by the ETP Holder’s continued requirement to supervise the activities of these designated individuals and ensure compliance with federal securities laws and regulations, as well as NYSE National rules. NYSE National has filed the proposed rule change for immediate effectiveness and has requested that the Commission waive the requirement that the proposed rule change not become operative for 30 days after the date of filing, so NYSE National can implement the proposed rule change immediately.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Exchange Act,18 in general, and furthers the objectives of Section 6(b)(5),19 in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The proposed rule change is intended to minimize the impact of COVID–19 on ETP Holder operations by extending the 120-day period certain individuals may function as a principal without having successfully passed an appropriate qualification examination under NYSE.
expiration date of the relief set forth in SR–NYSENAT–2020–38 until June 30, 2021 is still needed. The Exchange stated that this temporary relief will provide flexibility to allow individuals who have been designated to function in a principal sufficient time to schedule, study for and take the applicable examination before the temporary relief expires. Notably, the Exchange stated that it does not anticipate providing any further extensions to the temporary amendments and that any individuals designated to function as a principal on or after March 3, 2021 will need to successfully pass an appropriate qualification examination within 120 days.

For these reasons, the Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Accordingly, the Commission hereby waives the 30-day operative delay and designates the proposal operative upon filing.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
