**Foreign-Trade Zones Board**

**[B-36-2021]**

**Foreign-Trade Zone (FTZ) 208—New London, Connecticut; Notification of Proposed Production Activity; Sheffield Pharmaceuticals, LLC (Over-the-Counter (OTC) Healthcare Products); New London and Norwich, Connecticut**

Sheffield Pharmaceuticals, LLC (Sheffield) submitted a notification of proposed production activity to the FTZ Board for its facilities in New London and Norwich, Connecticut. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 21, 2021.

A separate application has been submitted for FTZ designation at the company's facilities under FTZ 208. The facilities are used for the production of OTC healthcare products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Sheffield from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Sheffield would be able to choose the duty rate during customs entry procedures that applies to decongestant nasal spray, saline nasal spray and toothpaste (duty-free). Sheffield would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include plastic bottles, plastic stoppers with dip tubes, plastic spray pumps and caps for bottles, and plastic/foil laminate collapsible tubes (duty rate ranges from 3 to 5.3%). The request indicates that certain materials/components are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: *ftz@trade.gov*. The closing period for their receipt is June 15, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via *www.trade.gov/ftz*.

For further information, contact Diane Finver at *Diane.Finver@trade.gov* or (202) 482-1367.

Dated: April 30, 2021.

**Foreign-Trade Zones Board**

**[B-35-2021]**

**Foreign-Trade Zone 210—St. Clair County, Michigan; Application for Reorganization Under Alternative Site Framework**

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Economic Development Alliance of St. Clair County, grantee of FTZ 210, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on April 29, 2021.

FTZ 210 was approved by the FTZ Board on November 28, 1995 (Board Order 783, 60 FR 64156, December 14, 1995).

The current zone includes the following sites: *Site 1* (2 acres)—Port Huron Seaway Terminal, 2336 Military Street, Port Huron; *Site 2* (300 acres)—Port Huron Industrial Park, 16th and Dove Streets, Port Huron; *Site 3* (15 acres)—International Industrial Park, 330 Griswold Road, Port Huron; and, *Site 4* (9 acres)—Wilkie Brothers Warehouse, 1765 Michigan Avenue, Port Huron.

The grantee's proposed service area under the ASF would be Huron, Lapeer, Macomb, Sanilac and St. Clair Counties, Michigan, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Port Huron, Michigan, U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include all the existing sites as "magnet" sites. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board's regulations, Elizabeth Whiteman and Juanita Chen of the FTZ Staff are designated examiners to evaluate and analyze the facts and information
