DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[B-36-2021]

Foreign-Trade Zone (FTZ) 208—New London, Connecticut; Notification of Proposed Production Activity; Sheffield Pharmaceuticals, LLC (Over-the-Counter (OTC) Healthcare Products); New London and Norwich, Connecticut

Sheffield Pharmaceuticals, LLC (Sheffield) submitted a notification of proposed production activity to the FTZ Board for its facilities in New London and Norwich, Connecticut. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on April 21, 2021.

A separate application has been submitted for FTZ designation at the company's facilities under FTZ 208. The facilities are used for the production of OTC healthcare products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Sheffield from customs duty payments on the foreign-status components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Sheffield would be able to choose the duty rate during customs entry procedures that applies to decongestant nasal spray, saline nasal spray and toothpaste (duty-free). Sheffield would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include plastic bottles, plastic stoppers with dip tubes, plastic spray pumps and caps for bottles, and plastic/foil laminate collapsible tubes (duty rate ranges from 3 to 5.3%). The request indicates that certain materials/components are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: *ftz@trade.gov*. The closing period for their receipt is June 15, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via *www.trade.gov/ftz*.

For further information, contact Diane Finver at *Diane.Finver@trade.gov* or (202) 482-1367.

Dated: April 30, 2021.

Andrew McGilvray,

Executive Secretary.

Foreign-Trade Zones Board

[B-35-2021]

Foreign-Trade Zone 210—St. Clair County, Michigan; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Economic Development Alliance of St. Clair County, grantee of FTZ 210, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on April 29, 2021.

FTZ 210 was approved by the FTZ Board on November 28, 1995 (Board Order 783, 60 FR 64156, December 14, 1995).

The current zone includes the following sites: *Site 1* (2 acres)—Port Huron Seaway Terminal, 2336 Military Street, Port Huron; *Site 2* (300 acres)—Port Huron Industrial Park, 16th and Dove Streets, Port Huron; *Site 3* (15 acres)—International Industrial Park, 330 Griswold Road, Port Huron; and, *Site 4* (9 acres)—Wilkie Brothers Warehouse, 1765 Michigan Avenue, Port Huron.

The grantee's proposed service area under the ASF would be Huron, Lapeer, Macomb, Sanilac and St. Clair Counties, Michigan, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Port Huron, Michigan, U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include all the existing sites as "magnet" sites. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board's regulations, Elizabeth Whiteman and Juanita Chen of the FTZ Staff are designated examiners to evaluate and analyze the facts and information

presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is July 6, 2021. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to July 20, 2021.

A copy of the application will be available for public inspection in the "Reading Room" section of the FTZ Board's website, which is accessible via www.trade.gov/ftz. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or Juanita Chen at Juanita.Chen@trade.gov.

Dated: April 30, 2021.

Andrew McGilvray,
Executive Secretary.

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Order No. 2112]

Designation of New Grantee; Foreign-Trade Zone 156, Hidalgo County, Texas

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

The Foreign-Trade Zones (FTZ) Board (the Board) has considered the application (docketed April 15, 2021) submitted by the City of Weslaco, grantee of FTZ 156, requesting reissuance of the grant of authority for said zone to the Hidalgo County Regional Foreign Trade Zone, which has accepted such reissuance subject to approval by the FTZ Board. Upon review, the Board finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that the proposal is in the public interest.

Therefore, the Board approves the application and recognizes the Hidalgo County Regional Foreign Trade Zone as the new grantee for Foreign-Trade Zone 156, subject to the FTZ Act and the Board's regulations, including Section 400.13.

Low Melt Polyester Staple Fiber From the Republic of Korea: Preliminary Results of Antidumping Duty Administrative Review; 2019-2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Commerce) preliminarily determines that the sole producer/exporter subject to this administrative review made sales of subject merchandise at less than normal value (NV) during the period of review (POR) August 1, 2019, through July 31, 2020. Interested parties are invited to comment on these preliminary results.

DATES: Applicable May 6, 2021.

FOR FURTHER INFORMATION CONTACT:

Alice Maldonado or Melissa Kinter, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4682 or (202) 482-1413, respectively.

SUPPLEMENTARY INFORMATION:

Background

On October 6, 2020, based on a timely request for review, in accordance with 19 CFR 351.221(c)(1)(i), we initiated an administrative review on low melt polyester staple fiber (low melt PSF) from the Republic of Korea (Korea).¹ The review covers one producer and exporter of the subject merchandise, Toray Advanced Materials Korea, Inc. (TAK). For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.²

¹ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 85 FR 63081, 63084 (October 6, 2020).

² See Memorandum, "Decision Memorandum for the Preliminary Results of the 2019-2020 Administrative Review of the Antidumping Duty Order on Low Melt Polyester Staple Fiber from the Republic of Korea," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

Scope of the Order

The merchandise subject to this order is synthetic staple fibers, not carded or combed, specifically bi-component polyester fibers having a polyester fiber component that melts at a lower temperature than the other polyester fiber component (low melt PSF). The scope includes bi-component polyester staple fibers of any denier or cut length. The subject merchandise may be coated, usually with a finish or dye, or not coated.

Low melt PSF is classifiable under the Harmonized Tariff Schedule of the United States (HTSUS) subheading 5503.20.0015. Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of the order is dispositive.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Tariff Act of 1930, as amended (the Act). Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://enforcement.trade.gov/frn/>. A list of the topics discussed in the Preliminary Decision Memorandum is attached as an appendix to this notice.

Preliminary Results of the Review

As a result of this review, we preliminarily determine that the following estimated weighted-average dumping margin exists for TAK for the period August 1, 2019, through July 31, 2020:

Exporter/producer	Estimated weighted-average dumping margin (percent)
Toray Advanced Materials Korea, Inc	3.00
