On January 29, 2021, the National Biodiesel Board Fair Trade Coalition (the petitioner) timely requested an administrative review of the CVD order with respect to 18 companies. On March 4, 2021, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), Commerce initiated an administrative review of the CVD order for the POR with respect to these 18 companies. On March 23, 2021, Commerce placed U.S. Customs and Border Protection (CBP) entry data for U.S. imports of biodiesel from Argentina for the POR on the record of this review. On April 22, 2021, Commerce based on a lack of suspended entries from the companies subject to the review, Commerce placed its notice of intent to rescind this review on the record and invited interested parties to comment. Then, on April 23, 2021, the petitioner timely withdrew its request for review for all 18 companies.

Rescission of Review: Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if the parties that requested the review withdraw their requests within 90 days of the publication date of the notice of initiation of the requested review. The petitioner withdrew its request for review for all 18 companies within 90 days of the publication date of the Promotion Notice, and no other party requested an administrative review of the CVD order for the POR. Therefore, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding the administrative review of the CVD order on biodiesel from Argentina for the POR, in its entirety.

Assessment: Commerce will instruct CBP to assess countervailing duties on all appropriate entries of biodiesel from Argentina during the POR at rates equal to the cash deposit rates for estimated countervailing duties that were required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of this rescission notice in the Federal Register.

Notification Regarding Administrative Protective Orders: This notice also serves as a reminder to parties subject to countervailing duty orders, whether or not an APO is in effect, that their proprietary information is subject to APOs. Parties are reminded to make available to Commerce all non-confidential substitute information that would be required under APO, if the substitution of such information had been timely requested and complied with. The failure to comply with APO requirements may result in the imposition of additional duties, and in extreme cases, lead to suspension of entry.

Rescission of Review:

To Request Administrative Review, 86 FR 291 (January 5, 2021).
