

excluded. The FAA proposes to delete the airway segment between the Sault Ste Marie, MI, VOR/DME and the Sudbury, ON, Canada, VOR/DME, and the exclusionary language. The resulting airway would extend between the Ironwood, MI, VOR/DME and the Sawyer, MI, VOR/DME.

**V-180:** V-180 currently extends between the International Falls, MN, VOR/DME and the Dryden, ON, Canada, NDB. The airspace within Canada is excluded. The FAA proposes to remove the airway in its entirety.

All radials in the VOR Federal airway descriptions below are unchanged and stated in True degrees.

VOR Federal airways are published in paragraph 6010(a) of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The VOR Federal airways listed in this document would be subsequently updated in the next edition of this Order.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

### Regulatory Notices and Analyses

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under Department of Transportation (DOT) Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

### Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures” prior to any FAA final regulatory action.

### List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

### The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

#### **PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS**

- 1. The authority citation for part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(f), 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

#### **§ 71.1 [Amended]**

- 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020, is amended as follows:

*Paragraph 6010(a) Domestic VOR Federal Airways.*

\* \* \* \* \*

#### **V-36 [Amended]**

From Wawa, ON, Canada; to Sault Ste Marie, MI. From Buffalo, NY; Elmira, NY; INT Elmira 110° and LaGuardia, NY, 310° radials; to INT LaGuardia 310° and Stillwater, NJ, 043° radials. The airspace within Canada is excluded.

\* \* \* \* \*

#### **V-180 [Removed]**

\* \* \* \* \*

#### **V-316 [Amended] From Ironwood, MI; to Sawyer, MI.**

\* \* \* \* \*

Issued in Washington, DC, on May 4, 2021.

**George Gonzalez,**

*Acting Manager, Rules and Regulations Group.*

RIN 2120-AA66

#### **Proposed Modification of Class E Airspace; Saratoga, WY**

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice of proposed rulemaking (NPRM).

**SUMMARY:** This action proposes to modify the Class E airspace extending

upward from 700 feet above the surface at Shively Field Airport, Saratoga, WY. This action also proposes to remove the Class E airspace extending upward from 1,200 feet above the surface, and the Saratoga NDB and the Cherokee VOR/DME from the airspace’s text header and description. Lastly, this action proposes administrative updates to the airspace’s legal description. This action would ensure the safety and management of instrument flight rules (IFR) operations at the airport.

**DATES:** Comments must be received on or before June 24, 2021.

**ADDRESSES:** Send comments on this proposal to the U.S. Department of Transportation, Docket Operations, 1200 New Jersey Avenue SE, West Building Ground Floor, Room W12-140, Washington, DC 20590; telephone: 1-800-647-5527, or (202) 366-9826. You must identify FAA Docket No. FAA-2021-0274; Airspace Docket No. 20-ANM-58, at the beginning of your comments. You may also submit comments through the internet at <https://www.regulations.gov>.

FAA Order 7400.11E, Airspace Designations and Reporting Points, and subsequent amendments can be viewed online at <https://www.faa.gov/air-traffic/publications/>. For further information, you can contact the Airspace Policy Group, Federal Aviation Administration, 800 Independence Avenue SW, Washington, DC 20591; telephone: (202) 267-8783. The Order is also available for inspection at the National Archives and Records Administration (NARA). For information on the availability of FAA Order 7400.11E at NARA, email [fedreg.legal@nara.gov](mailto:fedreg.legal@nara.gov) or go to <https://www.archives.gov/federal-register/cfr/ibr-locations.html>.

#### **SUPPLEMENTARY INFORMATION:**

#### **Authority for This Rulemaking**

The FAA’s authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency’s authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use

of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority, as it would modify the Class E airspace at Shively Field Airport, Saratoga, WY, to support IFR operations at the airport.

#### Comments Invited

Interested parties are invited to participate in this proposed rulemaking by submitting such written data, views, or arguments, as they may desire. Comments that provide the factual basis supporting the views and suggestions presented are particularly helpful in developing reasoned regulatory decisions on the proposal. Comments are specifically invited on the overall regulatory, aeronautical, economic, environmental, and energy-related aspects of the proposal. Communications should identify both docket numbers and be submitted in triplicate to the address listed above. Persons wishing the FAA to acknowledge receipt of their comments on this notice must submit with those comments a self-addressed, stamped postcard on which the following statement is made: "Comments to Docket No. FAA-2021-0274; Airspace Docket No. 20-ANM-58". The postcard will be date/time stamped and returned to the commenter.

All communications received before the specified closing date for comments will be considered before taking action on the proposed rule. The proposal contained in this notice may be changed in light of the comments received. A report summarizing each substantive public contact with FAA personnel concerned with this rulemaking will be filed in the docket.

#### Availability of NPRMs

An electronic copy of this document may be downloaded through the internet at <https://www.regulations.gov>. Recently published rulemaking documents can also be accessed through the FAA's web page at [https://www.faa.gov/air\\_traffic/publications/airspace\\_amendments/](https://www.faa.gov/air_traffic/publications/airspace_amendments/).

You may review the public docket containing the proposal, any comments received, and any final disposition in person in the Dockets Office (see the **ADDRESSES** section for the address and phone number) between 9:00 a.m. and 5:00 p.m., Monday through Friday, except federal holidays. An informal docket may also be examined during normal business hours at the Northwest Mountain Regional Office of the Federal Aviation Administration, Air Traffic Organization, Western Service Center,

Operations Support Group, 2200 S 216th Street, Des Moines, WA 98198.

#### Availability and Summary of Documents for Incorporation by Reference

This document proposes to amend FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020. FAA Order 7400.11E is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11E lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

#### The Proposal

The FAA is proposing an amendment to 14 CFR part 71 by modifying the Class E airspace, extending upward from 700 feet above the surface, at Shively Field Airport, Saratoga, WY. This airspace is designed to contain IFR departures to 1,200 feet above the surface and IFR arrivals descending below 1,500 feet above the surface. To properly contain arriving and departing IFR aircraft, the radius south of the airport should be reduced from 6.9 miles to 5 miles. The radius north of the airport should increase from 6.9 miles to 7.3 miles. Also, the area extending north of the airport should be increased to properly contain IFR aircraft performing a procedure turn maneuver for the NDB-A Approach.

This action also proposes to remove the Class E airspace extending upward from 1,200 feet above the surface. This airspace area is wholly contained within the Denver en route airspace and duplication is not necessary.

Further, this action proposes to remove the Saratoga NDB and the Cherokee VOR/DME from the Class E's text header and airspace description. The navigational aids (NAVAIDs) are not needed to define the airspace and removal of the NAVAIDs simplifies the airspace's description.

Lastly, the action proposes administrative updates to the airspace's text header. The city name should be removed from the second line of the text header, and the airport's geographic coordinates on the third line of the text header should be updated to "lat. 41°26'37" N, long. 106°49'39" W" to match the FAA database.

Class E5 airspace designations are published in paragraph 6005 of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

#### Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial, and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

#### Environmental Review

This proposal will be subject to an environmental analysis in accordance with FAA Order 1050.1F, "Environmental Impacts: Policies and Procedures" prior to any FAA final regulatory action.

#### List of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (air).

#### The Proposed Amendment

Accordingly, pursuant to the authority delegated to me, the Federal Aviation Administration proposes to amend 14 CFR part 71 as follows:

#### **PART 71—DESIGNATION OF CLASS A, B, C, D, AND E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS**

■ 1. The authority citation for 14 CFR part 71 continues to read as follows:

**Authority:** 49 U.S.C. 106(f), 106(g), 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959–1963 Comp., p. 389.

#### **§ 71.1 [Amended]**

■ 2. The incorporation by reference in 14 CFR 71.1 of FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020, is amended as follows:

Paragraph 6005 Class E Airspace Areas  
Extending Upward From 700 Feet or More  
Above the Surface of the Earth.

\* \* \* \* \*

#### ANM WY E5 Saratoga, WY

Shively Field Airport, WY  
(Lat. 41°26'37" N, long. 106°49'39" W)

That airspace extending upward from 700 feet above the surface within a 5-mile radius of the airport beginning at the 075° bearing from the airport clockwise to the 234° bearing from the airport, and within a 7.3-mile radius of the airport from the 234° bearing from the airport clockwise to the 075° bearing from the airport, and within 4 miles east and 8 miles west of the 341° bearing from the airport, extending from the 7.3-mile radius to 16.1 miles north of the airport.

Issued in Des Moines, Washington, on April 28, 2021.

**B.G. Chew,**

Acting Group Manager, Operations Support Group, Western Service Center.

### Coast Guard

#### 33 CFR Part 165

[Docket Number USCG-2021-0199]

RIN 1625-AA00

#### Safety Zones; July 4th Holiday Fireworks in the Coast Guard Captain of the Port Maryland-National Capital Region Zone

**AGENCY:** Coast Guard, DHS.

**ACTION:** Notice of proposed rulemaking.

**SUMMARY:** The Coast Guard is proposing to establish three temporary safety zones for navigable waters within the Captain of the Port Maryland-National Capital Region Zone. This action is necessary to provide for the safety of life on these navigable waters of the Severn River in Anne Arundel County, MD, on July 3, 2021, (with alternate date of July 5, 2021), Kent Island Narrows (North Approach) in Queen Anne's County, MD, on July 4, 2021, (with alternate date of July 5, 2021), and Susquehanna River in Harford County, MD, on July 4, 2021, (with alternate date of July 5, 2021), during fireworks displays to commemorate the July 4th holiday. This proposed rulemaking would prohibit persons and vessels from being in these safety zones unless authorized by the Captain of the Port Maryland-National Capital Region or a designated representative. We invite your comments on this proposed rulemaking.

**DATES:** Comments and related material must be received by the Coast Guard on or before May 25, 2021.

**ADDRESSES:** You may submit comments identified by docket number USCG-2021-0199 using the Federal eRulemaking Portal at <https://www.regulations.gov>. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section for further instructions on submitting comments.

**FOR FURTHER INFORMATION CONTACT:** If you have questions about this proposed rulemaking, call or email Mr. Ron Houck, Sector Maryland-National Capital Region Waterways Management Division, U.S. Coast Guard; telephone 410-576-2674, email [Ronald.L.Houck@uscg.mil](mailto:Ronald.L.Houck@uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
COTP Captain of the Port  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background, Purpose, and Legal Basis

The Fifth Coast Guard District has been notified of three fireworks displays planned throughout the Maryland-National Capital Region to commemorate the July 4th holiday. Hazards from these fireworks displays include accidental discharge of fireworks, dangerous projectiles, and falling hot embers or other debris. To respond to these hazards, the Coast Guard plans to establish temporary safety zones to protect the nearby public.

1. The Sherwood Forest Club, Inc., of Sherwood Forest, MD, plans to conduct a fireworks display from 9:20 p.m. to 9:50 p.m. on July 3, 2021. The fireworks are to be launched from the end of the Sherwood Forest Club main pier, located adjacent to the Severn River, approximately 200 yards east of Brewer Pond in Sherwood Forest, MD. In the event of inclement weather, the fireworks display will be scheduled for July 5, 2021. The COTP Maryland-National Capital Region has determined that potential hazards associated with the fireworks to be used in this display would be a safety concern for anyone within 150 yards of the fireworks discharge site.

2. Queen Anne's County Government, of Centreville, MD, plans to conduct a fireworks display from 10 p.m. to 10:20

p.m. on July 4, 2021. The fireworks are to be launched from Kent Island along the Kent Island Narrows (North Approach) in Chester, MD. In the event of inclement weather, the fireworks display will be scheduled for July 5, 2021. The COTP Maryland-National Capital Region has determined that potential hazards associated with the fireworks to be used in this display would be a safety concern for anyone within 800 feet of the fireworks discharge site.

3. The Independence Day Commission of Havre de Grace, MD, plans to conduct a fireworks display from 9:30 p.m. to 10 p.m. on July 4, 2021. The fireworks are to be launched from a fireworks barge located in the Susquehanna River, approximately 300 yards southeast of Concord Point in Havre de Grace, MD. In the event of inclement weather, the fireworks display will be scheduled for July 5, 2021. The COTP Maryland-National Capital Region has determined that potential hazards associated with the fireworks to be used in this display would be a safety concern for anyone within 200 yards of the fireworks barge.

The Coast Guard is requesting that interested parties provide comments within a shortened comment period of 15 days instead of the typical 30 days for this notice of proposed rulemaking. The Coast Guard believes a shortened comment period is necessary and reasonable to ensure the Coast Guard has time to review and respond to any significant comments submitted by the public in response to this NPRM and has a final rule in effect in time for the first scheduled event.

The Coast Guard is proposing this rulemaking under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231).

##### III. Discussion of Proposed Rule

The COTP is proposing to establish three temporary safety zones for certain navigable waters within the COTP Maryland-National Capital Region Zone, as described in 33 CFR 3.25-15, and would be enforced during the times described below for each zone.

The first safety zone would be enforced from 8:30 p.m. to 10:30 p.m. on July 3, 2021, or if necessary due to inclement weather, from 8:30 p.m. to 10:30 p.m. on July 5, 2021. The safety zone would cover all navigable waters of the Severn River, within 150 yards of a fireworks discharge site located at the end of Sherwood Forest Club main pier in approximate position latitude 39°01'54.0" N, longitude 076°32'41.8" W, Sherwood Forest, MD. The duration of the zone is intended to ensure the safety of vessels and these navigable
