[Investigation Nos. 731–TA–753, 754, and 756 (Fourth Review)]

Cut-to-Length Carbon Steel Plate From China, Russia, and Ukraine; Scheduling of Expedited Five-Year Reviews

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the antidumping duty order on cut-to-length carbon steel plate from China and the termination of the suspended investigations on cut-to-length carbon steel plate from Russia and Ukraine would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

SUPPLEMENTARY INFORMATION:

Background.—On February 5, 2021, the Commission determined that the domestic interested party group response to its notice of institution (85 FR 69362, November 2, 2020) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews. Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(3)). For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Please note the Secretary’s Office will accept only electronic filings at this time. Filings must be made through the Commission’s Electronic Document Information System (EDIS, https://edis.usitc.gov). No in-person paper-based filings or paper copies of any electronic filings will be accepted until further notice.

Staff report.—A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on May 13, 2021, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in § 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution, and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before May 20, 2021 and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by May 20, 2021. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary

2 The Commission has found a joint response to its notice of institution filed on behalf of ArcelorMittal USA LLC, Nucor Corporation, and SSAB Enterprises, LLC, domestic producers of cut-to-length carbon steel plate, to each be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

See id. On December 16, 2020, the Commission found a violation of section 337 based on the misappropriation of Complainants’ trade secrets (including the Medytox manufacturing processes but not the Medytox bacterial strain).

See id. The Commission also set a bond during the period of Presidential review in an amount of $441 per 100U vial of Respondents’ accused products. See id.

On February 12, 2021, Complainants filed an appeal from the Commission’s final determination with the Federal Circuit. On the same day, Respondents also filed an appeal from the Commission’s final determination of a violation of section 337. On February 18, 2021, Complainants and Evolus (“Settling Parties”) announced that they reached a settlement agreement to resolve all pending issues between them.

On March 3, 2021, the Settling Parties filed a joint petition to rescind the LEO and CDO based on the settlement agreements between Complainants and Evolus. No party opposed the joint petition. On May 3, 2021, the Commission rescinded the remedial orders issued in this investigation based on the settlement agreements. Comm’n Notice (May 3, 2021).

On February 25, 2021, Evolus filed an unopposed motion, pursuant to Commission Rule 210.50(d) (19 CFR 210.50(d)), for the return of the bond it paid under the CDO during the period of Presidential review. On February 26, 2021, the motion was amended to reflect Daewoong’s consent to the motion. On March 4, 2021, OUII filed a response in support of the motion.

On March 31, 2021, the ALJ issued the subject ID granting the motion. The ID notes that the motion was filed within 90 days of the expiration of the period of Presidential review, in compliance with Commission Rule 210.50(d)(1)(ii) (19 CFR 210.50(d)(1)(ii)). See id at 2. The ID also finds no substantive or procedural reason to deny the return of the bond to Evolus. See id. No petition for review of the subject ID was filed.

The Commission has determined not to review the subject ID. The bond is returned to Evolus.

The Commission’s vote on this determination took place on May 6, 2021. The authority for the Commission’s determination is contained in section...
