inspection requirements for activities with direct national security significance.

The contract clause at DFARS 252.204–7010, as prescribed at DFARS 204.470–3, is included in contracts for research and development or major defense acquisition programs involving fissionable materials (e.g., uranium, plutonium, neptunium, thorium, americium); other radiological source materials; or technologies directly related to nuclear power production, including nuclear or radiological waste materials.

The clause requires a contractor to provide written notification to the applicable DoD program manager and a copy of the notification to the contracting officer if the contractor is required to report its activities under the U.S.–IAEA Additional Protocol. Upon such notification, DoD will determine if access may be granted to IAEA inspectors, or if a national security exclusion should be applied.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

On March 11, 2021, the President signed into law the ARP (Pub. L. 117–2). This new law makes available approximately $39.6 billion for institutions of higher education under the HEERF grant program, with funding appropriated through existing programs previously authorized under the CRRSAA (Pub. L. 116–260).

With this notice, the Secretary is announcing that proprietary institutions of higher education, as defined in section 102(b) of the Higher Education Act of 1965, as amended, 20 U.S.C. 1002(b) (HEA), that did not previously receive funding under section 314(a)(4) of CRRSAA may apply for HEERF III grant funds under the ARP (a)(4) program, Proprietary Institution Grant Funds for Students ALN 84.425Q. The estimated available funds for this program is approximately $396 million. Allocations for eligible proprietary institutions of higher education will be calculated on the basis of the formula specified under section 314(a)(1)(A)–(F) of CRRSAA, with the total amount of funding allocated to the (a)(4) funding stream determined under ARP section 2003(4).

Under CRRSAA section 314(d)(7), which continues to apply to ARP (a)(4) funds, awards from the Proprietary Institution Grant Funds for Students program may only be used to provide emergency financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare. In making such emergency financial aid grants to students, grantees must prioritize grants to students with exceptional need, such as students who receive Pell Grants. Please note that drawing down any amount of these supplemental funds constitutes an institution’s acceptance of the terms and conditions under the ARP and Supplemental Agreement, which are included as appendices to this notice for reference.

The Department will award supplemental funds to eligible institutions that previously received a CRRSAA section 314(a)(4) ALN 84.425Q award without requiring these institutions to submit a new application for funding. However, by August 11, 2021 (90 days of the publication of this notice) and prior to receiving an award, eligible institutions must submit a Required Proprietary Institution Certification (RPIC) form, which must be signed by the institution’s president or chief executive officer and any owners with an ownership interest in the institution of 25 percent or more.

The Department is adopting this form as an additional risk mitigation procedure. Completed RPIC forms must be emailed to HEERFARP4@ed.gov.

Proprietary institutions that did not receive a CRRSAA section 314(a)(4) award but are on the Department’s published ARP (a)(4) allocation table may apply for and receive ARP (a)(4) funds. To receive an award, institutions must submit an application as well as the RPIC form by August 11, 2021.

The Department recognizes that some institutions may not want additional funds under the ARP. Institutions wanting to decline their award or a specified amount may submit the Voluntary Decline of HEERF Grant Funds form to HEERFRefund@ed.gov, available at www2.ed.gov/about/offices/list/ope/arp.html, to redirect these funds to institutions with greater needs. If the Department has already made an ARP supplemental award to the institution, the Department will deobligate those supplemented funds in G5 by the amount specified in the form. Any returned funds will be redistributed to institutions that have not declined funds by applying the appropriate distribution formula and making additional supplemental awards. Institutions have 90 days from the publication of this notice to indicate if
they would like to decline or return unneeded ARP funds.

   - (b) Register both your DUNS number and TIN with the System for Award Management (SAM), the Government’s primary registrant database;
   - (c) Provide your DUNS number and TIN on your SAM application; and
   - (d) Maintain an active SAM registration with current information while your application is under review by the Department and, if you are awarded a grant, during the project period.

   You can obtain a DUNS number from Dun and Bradstreet at the following website: http://fedgov.dnb.com/webform. A DUNS number can be created within one to two business days.

   If you are a corporate entity, agency, institution, or organization, you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow two to five weeks for your TIN to become active. The SAM registration process can take approximately seven business days, but may take upwards of several weeks, depending on the completeness and accuracy of the data you enter into the SAM database. Thus, if you think you might want to apply for Federal financial assistance under a program administered by the Department, please allow sufficient time to obtain and register your DUNS number and TIN.

   If you are currently registered with SAM, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your registration annually. This may take three or more business days. Information about SAM is available at wwwSAM.gov. To further assist you with obtaining and registering your DUNS number and TIN in SAM or updating your existing SAM account, we have prepared a SAM.gov Tip Sheet, which you can find at: www2.ed.gov/fund/grant/apply/sam-faqs.html.

Supplemental Agreement (ALN 84.425Q) (a)(4) Program

Proprietary Institution Supplemental Grant Funds for Students

The terms, conditions, and requirements governing your institution’s (Recipient’s) use of these supplemental grant funds awarded pursuant to section 3003 of the American Rescue Plan Act of 2021 (ARP) (Pub. L. 117–2) (supplemental award or grant) by the U.S. Department of Education (Department) are governed by section 3003 of the ARP and section 314 of the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) (Pub. L. 116–260) and the following terms and conditions of this Supplemental Agreement.

By Drawing Down These Grant Funds, You Agree To Be Bound by the Conditions Set Forth on Behalf of the Institution You Represent, and You WARRANT That You Have the Authority To Bind the Institution to the Following Conditions

Use of Grant Funds

1. Section 314(d)(7) of the CRRSAA requires Recipient, as an institution of higher education as defined in section 102(b) of the Higher Education Act of 1965, as amended (HEA), 20 U.S.C. 1002(b), to use the funds made available by this supplemental award under Assistance Listing Number (ALN) 84.425Q only for emergency financial aid grants to students as described in section 314(c)(3) of the CRRSAA.

2. Under section 314(c)(3) of the CRRSAA, Recipient must make emergency financial aid grants to students (which may include students exclusively enrolled in distance education), which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care.

3. Recipient acknowledges that it retains discretion to determine the amount and availability of each individual emergency financial aid grant consistent with all applicable laws, including non-discrimination laws. Recipient acknowledges it must not distribute emergency financial aid grants in a manner that discriminates against individuals on the basis of race, color, national origin, disability, or sex. See, e.g., 42 U.S.C. 2000d et seq. (Title VI), 20 U.S.C. 701 et seq. (Rehabilitation Act), 20 U.S.C. 1681 (Title IX).

4. Recipient further acknowledges that under CRRSAA section 314(c)(3), it must prioritize grants to students with exceptional need, such as students who receive Pell Grants. However, students do not need to be Pell recipients or students who are eligible for Pell Grants in order to receive an emergency financial aid grant.

5. Recipient acknowledges that it may not condition the receipt of an emergency financial aid grant on continued or future enrollment with the Recipient. Recipient also acknowledges that it may not require a student to consent to the application of the emergency financial aid grant to the student’s outstanding account balance with Recipient as a condition of receipt of or eligibility for an emergency financial aid grant. Recipient also acknowledges that adding preconditions to receiving a financial aid grant that thwart this requirement may be subject to oversight and corrective action.

6. In consideration for this award, Recipient agrees that Recipient holds these grant funds in trust for students and acts in the nature of a fiduciary for students.

7. Recipient acknowledges that the Secretary recommends (a) the maximum Federal Pell Grant for the applicable award year as an appropriate maximum amount for a student’s emergency financial aid grant in most cases, and (b) that the Recipient should consider each student’s particular socioeconomic circumstances in the administration of these grants.

8. The Secretary strongly encourages Recipient’s financial aid administrator to exercise the use of professional judgment available under HEA section 479A, 20 U.S.C. 1087tt, to make adjustments on a case-by-case basis to exclude individual emergency financial aid grants from the calculation of a student’s expected family contribution. The Secretary has determined that consider these individual emergency financial aid grants do not constitute Federal financial aid under Title IV of the HEA.

9. Recipient acknowledges that it may voluntarily decline all or a portion of its ARP (a)(4) funds. The recipient may indicate this by submitting the Voluntary Decline of HEERF form (OMB Control Number 1840–0855) to the Department by August 11, 2021. Recipient further acknowledges if it submits this form, it will be ineligible for the future redistribution of ARP HEERF grant funds to other institutions with greater needs due to the coronavirus.

10. Recipient acknowledges that to assist with the management and oversight of this ARP (a)(4) grant, recipient must first complete and submit to the Department the Required Proprietary Institution Certification form (OMB Control Number 1840–0855) prior to receiving a supplemental grant award.

Grant Administration

11. Recipient acknowledges that consistent with 2 CFR 200.305, it must minimize the time between drawing down funds from G5 and paying incurred obligations (liquidation). Recipient further acknowledges that if it draws down funds and does not pay the incurred obligations (liquidates) within 15 calendar days it may be subject to heightened scrutiny by the Department, Recipient’s auditors, and/or the Department’s Office of the Inspector General (OIG). Recipient further acknowledges that returning funds pursuant to mistakes in drawing down excessive grant funds in advance of need may also be subject to heightened scrutiny by the Department, Recipient’s auditors, and/or the Department’s OIG. Finally, Recipient acknowledges that it must maintain drawn down grant funds in an interest-bearing account, and any interest earned on all Federal grant funds above $500 (all Federal grants together) during an institution’s fiscal year must be returned (remitted) to the Federal government via a process described here: https://www2.ed.gov/documents/funding/101/g5-returning-interest.pdf.

12. Recipient may not charge any indirect or administrative costs to funds made available under this award because the allocation in this grant award represents an amount of funds that must be distributed to students.

13. Recipient acknowledges that any obligation under this grant (pre-award costs pursuant to 2 CFR 200.458) must have been incurred on or after March 13, 2020, the date of the declaration of a National Emergency Concerning the Novel Coronavirus Disease (COVID–19) Outbreak (85 FR 15337).

14. Recipient must promptly and to the greatest extent practicable distribute all grant funds from this award in the form of emergency financial aid grants to students within the one-year period of performance (2 CFR 200.77) specified in Box 6 of this Grant Award Notification (GAN).

15. Recipient must, to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to coronavirus pursuant to section 315 of the CRRSAA.
16. Recipient acknowledges that its failure to draw down any amount ($1 or more) of its supplemental grant funds within 90 days of the date of this supplemental award will constitute nonacceptance of the terms, conditions, and requirements of this Supplemental Agreement and of these supplemental grant funds. In such event, the Department, in its sole discretion, may choose to deobligate these supplemental grant funds or take other appropriate administrative action, up to and including terminating the grant award pursuant to 2 CFR 200.340.

Reporting and Accountability

17. Recipient must promptly and timely provide a detailed accounting of the use and expenditure of the funds provided by this supplemental award in such manner and with such frequency as the Secretary may require.

18. Recipient must have a compliance audit conducted of its administration of the HEERF programs for any institutional fiscal year during which Recipient expended $500,000 or more in total HEERF grant funds, whether under section 18004(a)(1) of the CARES Act, section 314(a)(4) of the CRRSAA, or section 303 of the ARP, or was on Federal Student Aid’s Heightened Cash Monitoring (HCM) 1 or 2 list during any point of the institution’s fiscal year in which it expended any HEERF grant funds (https://studentaid.gov/data-center/school/hcm). The HEERF compliance audit must be conducted in accordance with Government Auditing Standards, issued by the Comptroller General of the United States, and the applicable audit guide developed by the Department’s Office of Inspector General. To the extent practicable, the annual Title IV audit may be used to cover certain areas of the HEERF audit if separately auditing those areas would be duplicative. The Office of the Inspector General has published their audit guide available here: https://www2.ed.gov/about/offices/list/oig/nonfed/proprietary.html.

19. Recipient must acknowledge it is under a continuing affirmative duty to inform the Department if Recipient is to close or terminate operations as an institution or merge with another institution. In such cases, Recipient must promptly notify in writing the assigned education program officer contact in Box 3 of the GAN. Additionally, Recipient must promptly notify the assigned education program officer if the Recipient’s Authorized Representative changes.

20. Recipient must cooperate with any examination of records with respect to the advanced funds by making records and authorized individuals available when requested, whether by (a) the Department and/or its OIG; or (b) any other Federal agency, commission, or department in the lawful exercise of its jurisdiction and authority. Recipient must retain all financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award for a period of three years from the date of submission of the final expenditure report pursuant to 2 CFR 200.334.

21. Recipient acknowledges that failure to comply with this Supplemental Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CRRSAA or ARP any other applicable law may result in Recipient’s liability under the False Claims Act, 31 U.S.C. 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; and Subparts A through E of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.
