16. Recipient acknowledges that its failure to draw down any amount ($1 or more) of its supplemental grant funds within 90 days of the date of this supplemental award will constitute nonacceptance of the terms, conditions, and requirements of this Supplemental Agreement and of these supplemental grant funds. In such event, the Department, in its sole discretion, may choose to deobligate these supplemental grant funds or take other appropriate administrative action, up to and including terminating the grant award pursuant to 2 CFR 200.340.

Reporting and Accountability

17. Recipient must promptly and timely provide a detailed accounting of the use and expenditure of the funds provided by this supplemental award in such manner and with such frequency as the Secretary may require.

18. Recipient must have a compliance audit conducted of its administration of the HEERF funds for any institutional fiscal year during which Recipient expended $500,000 or more in total HEERF grant funds, whether under section 18004(a)(1) of the CARES Act, section 314(a)(4) of the CRRSAA, or section 303 of the ARP, or was on Federal Student Aid’s Heightened Cash Monitoring (HCM) 1 or 2 list during any point of the institution’s fiscal year in which it expended any HEERF grant funds (https://studentaid.gov/data-center/school/hcm). The HEERF compliance audit must be conducted in accordance with Government Auditing Standards, issued by the Comptroller General of the United States, and the applicable audit guide developed by the Department’s Office of Inspector General. To the extent practicable, the annual Title IV audit may be used to cover certain areas of the HEERF audit if separately auditing those areas would be duplicative. The Office of the Inspector General has published their audit guide available here: https://www2.ed.gov/about/offices/list/oig/nonfed/proprietary.html.

19. Recipient acknowledges it is under a continuing affirmative duty to inform the Department if Recipient is to close or terminate operations as an institution or merge with another institution. In such cases, Recipient must promptly notify in writing the assigned education program officer contact in Box 3 of the GAN. Additionally, Recipient must promptly notify the assigned education program officer if the Recipient’s Authorized Representative changes.

20. Recipient must cooperate with any examination of records with respect to the advanced funds by making records and authorized individuals available when requested, whether by (a) the Department and/or its OIG; or (b) any other Federal agency, commission, or department in the lawful exercise of its jurisdiction and authority. Recipient must retain all financial records, supporting documents, statistical records, and all other non-Federal entity records pertinent to a Federal award for a period of three years from the date of submission of the final expenditure report pursuant to 2 CFR 200.334.

21. Recipient acknowledges that failure to comply with this Supplemental Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CRRSAA or ARP any other applicable law may result in Recipient’s liability under the False Claims Act, 31 U.S.C. 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; and Subparts A through E of the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR part 200, as adopted and amended as regulations of the Department in 2 CFR part 3474.

AGENCY: Office of Postsecondary Education, Department of Education.

ACTION: Notice.

SUMMARY: The U.S. Department of Education (Department) publishes an Information for Financial Aid Professionals (IFAP) Electronic Announcement (EA) that describes the public reporting requirements for Emergency Financial Aid Grants to Students under the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) and American Rescue Plan Act, 2021 (ARP) section (a)(1) and (a)(4) programs.

FOR FURTHER INFORMATION CONTACT: Karen Epps, U.S. Department of Education, Office of Postsecondary Education, 400 Maryland Ave. SW, Room 250–64, Washington, DC 20202. Telephone: (202) 377–3711; Email: HEERF@ed.gov.

If you use a telecommunications device for the deaf (TDD) or a text telephone (TTY), call the Federal Relay Service, toll free, at 1–800–877–8339.

SUPPLEMENTARY INFORMATION: Section 314(e) of CRRSAA (Pub. L. 116–260) directs institutions receiving funds under section 314 to submit (in a time and manner required by the Secretary) a report to the Secretary describing the use of funds distributed from the HEERF. While ARP does not explicitly identify procedures by which institutions submit a report to the Secretary, the Department exercises this reporting authority under 2 CFR 200.328 and 2 CFR 200.329. The reporting requirements are intended to ensure that the statutory requirements described below are met for (1) the CRRSAA and ARP (a)(1) Student Grant Programs, and
costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making such financial aid grants to students, grantees must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

The Certification and Agreements for the CRRSAA and ARP (a)(1) and (a)(4) programs provide that each institution applying for HEERF funds must promptly and timely provide a detailed accounting of the use and expenditure of the funds in such manner and with such frequency as the Secretary may require. Each HEERF participating institution must post the information listed below on the institution’s primary website, as an initial report under the CRRSAA and ARP (a)(1) and (a)(4) programs. This report is associated with the approved information collection under OMB control number 1801-0005.

The Department encourages institutions to report as soon as possible, but no later than 30 days after the publication of this notice or 30 days after the date the Department first obligated funds under HEERF I, II, or III to the institution for Emergency Financial Aid Grants to Students, whichever comes later. The following information must appear in a format and location that is easily accessible to the public. This information must also be updated no later than 10 days after the end of each calendar quarter (September 30, and December 31, March 31, June 30) thereafter.

In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

2. CRRSAA and ARP (a)(4) Student Grant Programs

Under both the CRRSAA and ARP (a)(4) programs, allocations for eligible proprietary institutions of higher education are calculated on the basis of the formula specified under section 314(a)(1)(A)–(F) of CRRSAA. For ARP, the total amount of funding allocated to the (a)(4) funding stream is determined under ARP section 2003(a).

Under CRRSAA section 314(d)(7), which continues to apply to ARP (a)(4) funds, awards from the Proprietary Institution Grant Funds for Students Program may only be used to provide financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student’s cost of attendance or for emergency financial aid grants to students from the new CRRSAA funds that it was required or which it would have been required to provide under its original Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Student Aid Portion award. The ARP, with some changes, is a continuation of the CRRSAA programs. Under the ARP (a)(1) program, as authorized under section 2003 of the ARP, the amount each institution must use for financial aid grants to students is determined by calculating the sum of 50 percent of the amount each institution receives under the formula factors in CRRSAA section 314(a)(1)(A)–(D); and 100 percent of the amount received under the formula factors in CRRSAA section 314(a)(1)(E)–(F). Student award amounts for both the CRRSAA and ARP (a)(1) programs are identified for each institution in their respective allocation table.

Under the CRRSAA and ARP (a)(1) programs, student portion funds must be used to provide financial aid grants to students (including students exclusively enrolled in distance education) which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

On March 11, 2021, the President signed into law the ARP (Pub. L. 117–2). This new law makes available approximately $39.6 billion for institutions of higher education under HEERF, with funding appropriated through existing programs previously authorized under the CRRSAA (Pub. L. 116–260).

With this notice, the Secretary is announcing the availability of HEERF grant funds under the ARP (a)(1) programs under ALNs 84.425E and 84.425F. These programs, with some changes, are a continuation of the CRRSAA section 314(a)(1) program, which the Department implemented as two funding streams: (1) The Student Aid Portion (ALN 84.425E) for financial grants to students, and (2) the Institutional Portion (ALN 84.425F) for institutional uses of funds related to the coronavirus.

Eligible institutions are institutions of higher education, as defined in sections 101 and 102(c) of the Higher Education Act of 1965, as amended (HEA), 20 U.S.C. 1001, 1002(c). Allocations for these programs will be calculated according to the formulas in ARP section 2003(1) and section 314(a)(1) of the CRRSAA. Under ARP section 2003, grant awards under these programs may be used to (1) defray expenses associated with coronavirus (including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll) or (2) provide financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants. The amount each institution must use for financial aid grants to students is determined by calculating the sum of 50 percent of the amount each institution receives under the formula factors in CRRSAA section 314(a)(1)(A)–(D), and 100 percent of the amount received under the formula factors in CRRSAA section 314(a)(1)(E)–(F). This amount is identified for each institution in the allocation table.

Additionally, under ARP section 2003(5), institutions must use a portion of their Institutional Portion funds under ALN 84.425F, if the institutions have not directed all of these funds to student grants, to (1) implement evidence-based practices to monitor and suppress coronavirus in accordance with the public health guidelines and (2) conduct direct outreach to financial
