16. Recipient acknowledges that its failure to draw down any amount ($1 or more) of its supplemental grant funds within 90 days of the date of this supplemental award will constitute nonacceptance of the terms, conditions, and requirements of this Supplemental Agreement and of these supplemental grant funds. In such event, the Department, in its sole discretion, may choose to deobligate these supplemental grant funds or take other appropriate administrative action, up to and including terminating the grant award pursuant to 2 CFR 200.340.

The HEERF compliance audit must be conducted in accordance with Government Auditing Standards, issued by the Comptroller General of the United States, and the applicable audit guide developed by the Department’s Office of Inspector General. 21. While ARP does not explicitly identify procedures by which institutions submit a report to the Secretary, the Department exercises this reporting authority under 2 CFR 200.328 and 2 CFR 200.329. The reporting requirements are intended to ensure that the statutory requirements described below are met for (1) the CRRSAA and ARP (a)(1) Student Grant Programs, and

costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making such financial aid grants to students, grantees must prioritize grants to students with exceptional need, such as students who receive Pell Grants.

The Certification and Agreements for the CRRSAA and ARP (a)(1) and (a)(4) programs provide that each institution applying for HEERF funds must promptly and timely provide a detailed accounting of the use and expenditure of the funds in such manner and with such frequency as the Secretary may require. Each HEERF participating institution must post the information listed below on the institution’s primary website, as an initial report under the CRRSAA andARP (a)(1) and (a)(4) programs. This report is associated with the approved information collection under OMB control number 1801–0005.

The Department encourages institutions to report as soon as possible, but no later than 30 days after the publication of this notice or 30 days after the date the Department first obligated funds under HEERF I, II, or III to the institution for Emergency Financial Aid Grants to Students, whichever comes later.

The following information must appear in a format and location that is easily accessible to the public. This information must also be updated no later than 10 days after the end of each calendar quarter (September 30, and December 31, March 31, June 30) thereafter, unless the Secretary specifies an alternative method of reporting:

1. An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used the applicable amount of funds designated under the CRRSAA and ARP (a)(1) and (a)(4) programs to provide Emergency Financial Aid Grants to Students.

2. The total amount of funds that the institution will receive or has received from the Department pursuant to the institution’s Certification and Agreement for Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

3. The total amount of Emergency Financial Aid Grants distributed to students under the CRRSAA and ARP (a)(1) and (a)(4) programs as of the date of submission (i.e., as of the initial report and every calendar quarter thereafter).

4. The estimated total number of students at the institution that are eligible to receive Emergency Financial Aid Grants to Students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

5. The total number of students who have received an Emergency Financial Aid Grant to students under the CRRSAA and ARP (a)(1) and (a)(4) programs.

6. The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under the CRRSAA and ARP (a)(1) and (a)(4) programs.

7. Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

Note: For the initial report and each report thereafter, institutions should use data suppression and other methodologies to protect the personally identifiable information from student education records consistent with the Family Educational Rights and Privacy Act (20 U.S.C. 1232g; 34 CFR part 99). This means that if the total number of eligible students or the total number of students who received Emergency Financial Aid Grants is less than 10, but not 0, then the institution must display the total number of students eligible and/or the total number of students who received Emergency Financial Aid Grants as less than 10 (“<10”) on the publicly available websites controlled by the institution.

Institutions that the Department determines have not met the reporting requirement as described in this notice may, consistent with the Department’s authority to monitor grantee compliance, be subject to appropriate enforcement actions, up to and including being determined to be ineligible for certain other HEERF program funding. For other subsequent reports for this program and other related HEERF programs, the Department will notify participating institutions of the Department’s preferred reporting method. The Department may choose to collect additional information from institutions in accordance with the CRRSAA and ARP (a)(1) and (a)(4) programs. Certification and Agreements.

SUPPLEMENTARY INFORMATION:

Full Text of Announcement

I. Funding Opportunity Description

On March 11, 2021, the President signed into law the ARP (Pub. L. 117–2). This new law makes approximately $39.6 billion for institutions of higher education under HEERF, with funding appropriated through existing programs previously authorized under the CRRSAA (Pub. L. 116–260).

With this notice, the Secretary is announcing the availability of HEERF grant funds under the ARP (a)(1) programs under ALNs 84.425E and 84.425F. These programs, with some changes, are a continuation of the CRRSAA section 314(a)(1) program, which the Department implemented as two funding streams: (1) The Student Aid Portion (ALN 84.425E) for financial grants to students, and (2) the Institutional Portion (ALN 84.425F) for institutional uses of funds related to the coronavirus.

Eligible institutions are institutions of higher education, as defined in sections 101 and 102(c) of the Higher Education Act of 1965, as amended (HEA), 20 U.S.C. 1001, 1002(c). Allocations for these programs will be calculated according to the formulas in ARP section 2003(1) and section 314(a)(1) of the CRRSAA. Under ARP section 2003, grant awards under these programs may be used to (1) defray expenses associated with coronavirus (including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll) or (2) provide financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student’s cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care), or child care. In making financial aid grants to students, an institution of higher education must prioritize grants to students with exceptional need, such as students who receive Pell Grants. The amount each institution must use for financial aid grants to students is determined by calculating the sum of 50 percent of the amount each institution receives under the formula factors in CRRSAA section 314(a)(1)(A)–(D); and 100 percent of the amount received under the formula factors in CRRSAA section 314(a)(1)(E)–(F). This amount is identified for each institution in the allocation table.

Additionally, under ARP section 2003(5), institutions must use a portion of their Institutional Portion funds under ALN 84.425F, if the institutions have not directed all of these funds to student grants, to (1) implement evidence-based practices to monitor and suppress coronavirus in accordance with the public health guidelines and (2) conduct direct outreach to financial...
