Foreign-Trade Zones Board

[B-38-2021]

Foreign-Trade Zone (FTZ) 134— Proposed Production Activity; Chattanooga, Tennessee, Volkswagen Group of America Chattanooga Operations, LLC (Passenger Motor Vehicles); Chattanooga, Tennessee

Volkswagen Group of America Chattanooga Operations, LLC (Volkswagen), submitted a notification of proposed production activity to the FTZ Board for its facility in Chattanooga, Tennessee. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 6, 2021.

Volkswagen already has authority to produce passenger motor vehicles within within FTZ 134. The current request would add foreign status materials/components to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status materials/components described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Volkswagen from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below, Volkswagen would be able to choose the duty rates during customs entry procedures that applies to passenger motor vehicles (duty rate 2.5%). Volkswagen would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The materials/components sourced from abroad include: Sound absorbers (bitumen film hot melt adhesive); polycrystalline fiber nonwoven mats; and, steel seal gaskets (duty rate ranges from 2.7% to 4.3%). The request indicates that certain materials/components are subject to duties under Section 232 of the Trade Expansion Act of 1962 (Section 232) or Section 301 of the Trade Act of 1974 (Section 301),

depending on the country of origin. The applicable Section 232 and Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is June 23, 2021.

A copy of the notification will be available for public inspection in the "Reading Room" section of the Board's website, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Wedderburn at Chris.Wedderburn@trade.gov.

SUPPLEMENTARY INFORMATION:

Background

In accordance with sections 735(d) and 771(i)(1) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.210(c), Commerce published its affirmative final determinations in the less-than-fair-value investigations of mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam on March 25, 2021.¹ On May 10, 2021, the ITC notified Commerce of its final affirmative determinations that an industry in the United States is materially injured within the meaning of section 735(b)(1)(A)(i) of the Act, by reason of the less-than-fair-value imports of mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam.²

Scope of the Orders

The merchandise covered by these orders are mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam. For a complete description of the scope of the orders, see the Appendix to this notice.

Amendment to Final Determination; Mattresses From Cambodia

A ministerial error is defined as an error in addition, subtraction, or other arithmetic function, clerical error resulting from inaccurate copying, duplication, or the like, and any other similar type of unintentional error which the Secretary considers ministerial.³

² See ITC Letter, dated May 10, 2021 (ITC Letter).

³ See section 735(e) of the Act and 19 CFR 351.224(f).

Pursuant to sections 735(e) of the Act and 19 CFR 351.224(e) and (f), Commerce is amending the *Cambodia Final Determination* to reflect the correction of two ministerial errors in the final estimated weighted-average dumping margin calculated for the collapsed entity, Best Mattresses International Company Limited (Best Mattresses)/Rose Lion Furniture International Company Limited (Rose Lion). In addition, because Best Mattresses/Rose Lion's estimated weighted-average dumping margin is the basis for the estimated weighted-average dumping margin for all other Cambodian producers and exporters of subject merchandise, we also are revising the all-others rate in the *Cambodia Final Determination*.⁴ The amended estimated weighted-average dumping margins are listed in the "Estimated Weighted-Average Dumping Margins" section below.

Antidumping Duty Orders

On May 10, 2021, in accordance with sections 735(b)(1)(A)(i) and 735(d) of the Act, the ITC notified Commerce of its final determinations that an industry in the United States is materially injured by reason of imports of mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam.⁵ Therefore, in accordance with sections 735(c)(2) and 736 of the Act, we are issuing these antidumping duty orders. Because the ITC determined that imports of mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam are materially injuring a U.S. industry, unliquidated entries of such merchandise from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam, entered or withdrawn from warehouse for consumption, are subject to the assessment of antidumping duties.

As a result of the ITC's final affirmative determinations, in accordance with section 736(a)(1) of the Act, Commerce will direct U.S. Customs and Border Protection (CBP) to assess, upon further instruction by Commerce, antidumping duties equal to the amount by which the normal value of the merchandise exceeds the export price or constructed export price of the merchandise, for all relevant entries of mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam. Antidumping duties will be assessed on unliquidated entries of

mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam entered, or withdrawn from warehouse, for consumption on or after November 3, 2020, the date of publication of the *Preliminary Determinations*,⁶ but will not include entries occurring after the expiration of the provisional measures period and before the publication in the **Federal Register** of the ITC's injury determination, as further described below.

Suspension of Liquidation

In accordance with section 736 of the Act, Commerce will instruct CBP to reinstitute the suspension of liquidation of subject merchandise (*i.e.*, mattresses from Cambodia, Indonesia, Malaysia, Serbia, Thailand, Turkey, and Vietnam), effective the date of publication of the ITC final determination in the **Federal Register**, and to assess, upon further instruction by Commerce pursuant to section 736(a)(1) of the Act, antidumping duties for each entry of the subject merchandise equal to the amount by which normal value of the merchandise exceeds the export price or constructed export price of the merchandise. We intend to instruct CBP to require, at the same time as importers would normally deposit estimated import duties on this merchandise, cash deposits for each entry of subject merchandise equal to the rates noted below. These instructions suspending

Appendix

Scope of the Orders

The products covered by these orders are all types of youth and adult mattresses. The term "mattress" denotes an assembly of materials that at a minimum includes a "core," which provides the main support system of the mattress, and may consist of innersprings, foam, other resilient filling, or a combination of these materials. Mattresses may also contain: (1) "Upholstery," the material between the core and the top panel of the ticking on a single-sided mattress; or between the core and the top and bottom panel of the ticking on a double-sided mattress; and/or (2) "ticking," the outermost layer of fabric or other material (e.g., vinyl) that encloses the core and any upholstery, also known as a cover.

The scope of these orders is restricted to only "adult mattresses" and "youth mattresses." "Adult mattresses" are frequently described as "twin," "extra-long twin," "full," "queen," "king," or "California king" mattresses. "Youth mattresses" are typically described as "crib," "toddler," or "youth" mattresses. All adult and youth mattresses are included regardless of size and size description.

The scope encompasses all types of "innerspring mattresses," "non-innerspring mattresses," and "hybrid mattresses." "Innerspring mattresses" contain innersprings, a series of metal springs joined together in sizes that correspond to the dimensions of mattresses. Mattresses that contain innersprings are referred to as "innerspring mattresses" or "hybrid mattresses." "Hybrid mattresses" contain two or more support systems as the core, such as layers of both memory foam and innerspring units.

"Non-innerspring mattresses" are those that do not contain any innerspring units. They are generally produced from foams (e.g., polyurethane, memory (viscoelastic), latex foam, gel-infused viscoelastic (gel foam), thermobonded polyester, polyethylene) or other resilient filling.

Mattresses covered by the scope of these orders may be imported independently, as part of furniture or furniture mechanisms (e.g., convertible sofa bed mattresses, sofa bed mattresses imported with sofa bed mechanisms, corner group mattresses, day-bed mattresses, roll-away bed mattresses, high risers, trundle bed mattresses, crib mattresses), or as part of a set in combination with a "mattress foundation." "Mattress foundations" are any base or support for a mattress. Mattress foundations are commonly referred to as "foundations," "boxsprings," "platforms," and/or "bases." Bases can be static, foldable, or adjustable. Only the mattress is covered by the scope if imported as part of furniture, with furniture mechanisms, or as part of a set in combination with a mattress foundation.

Excluded from the scope of these orders are "futon" mattresses. A "futon" is a bi-fold frame made of wood, metal, or plastic material, or any combination thereof, that functions as both seating furniture (such as a couch, love seat, or sofa) and a bed. A "futon mattress" is a tufted mattress, where the top covering is secured to the bottom with thread that goes completely through the mattress from the top through to the bottom, and it does not contain innersprings or foam. A futon mattress is both the bed and seating surface for the futon.

Also excluded from the scope are airbeds (including inflatable mattresses) and waterbeds, which consist of air- or liquid-filled bladders as the core or main support system of the mattress.

Also excluded is certain multifunctional furniture that is convertible from seating to sleeping, regardless of filler material or components, where that filler material or components are upholstered, integrated into the design and construction of, and inseparable from, the furniture framing, and the outermost layer of the multifunctional furniture converts into the sleeping surface. Such furniture may, and without limitation, be commonly referred to as "convertible sofas," "sofabeds," "sofa chaise sleepers," "futons," "ottoman sleepers" or a like description.

Also excluded from the scope of these orders are any products covered by the existing antidumping duty orders on uncovered innerspring units from China or Vietnam. See *Uncovered Innerspring Units from the People's Republic of China: Notice of Antidumping Duty Order*, 74 FR 7661 (February 19, 2009); *Antidumping Duty Order: Uncovered Innerspring Units from the Socialist Republic of Vietnam*, 73 FR 75391 (December 11, 2008).

Also excluded from the scope of these orders are bassinet pads with a nominal length of less than 39 inches, a nominal width less than 25 inches, and a nominal depth of less than 2 inches.

Additionally, also excluded from the scope of these orders are "mattress toppers." A

"mattress topper" is a removable bedding accessory that supplements a mattress by providing an additional layer that is placed on top of a mattress. Excluded mattress toppers have a height of four inches or less.

The products subject to these orders are currently properly classifiable under HTSUS subheadings: 9404.21.0010, 9404.21.0013, 9404.29.1005, 9404.29.1013, 9404.29.9085, and 9404.29.9087. Products subject to these orders may also enter under HTSUS subheadings: 9404.21.0095, 9404.29.1095, 9404.29.9095, 9401.40.0000, and 9401.90.5081. Although the HTSUS subheadings are provided for convenience and customs purposes, the written description of the merchandise subject to these orders is dispositive.
