

exporters not listed in the table above that have a separate rate, the cash deposit rate will continue to be the existing exporter-specific rate published for the most recent period; (3) for all China exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be the rate previously established for the China-wide entity, which is 154.07 percent; and (4) for all non-China exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the China exporter that supplied that non-China exporter. The cash deposit requirements, when imposed, shall remain in effect until further notice.

#### Notification to Importers Regarding the Reimbursement of Duties

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

#### Notification Regarding Administrative Protective Orders (APOs)

This notice also serves as a reminder to parties subject to APOs of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this notice of amended final results of administrative review in accordance with sections 751(a)(1) and 777(i) of the Act ad 19 CFR 351.221(b)(5).

Dated: May 10, 2021.

**Christian Marsh,**  
Acting Assistant Secretary for Enforcement and Compliance.

#### Appendix—List of Sections in the Issues and Decision Memorandum

- I. Summary
- II. Background
- III. Scope of the Order
- IV. Changes Since the Preliminary Results of Review

V. Discussion of the Issues  
 Comment 1: Ministerial Errors in the Margin Calculation  
 Comment 2: Ministerial Errors in the Liquidation Instructions  
 Comment 3: Surrogate Value for Sodium Hypochlorite  
 Comment 4: Value Added Tax Deduction  
 VI. Recommendation

## DEPARTMENT OF COMMERCE

### International Trade Administration

#### Request for Applicants for the Appointment to the United States-India CEO Forum

**AGENCY:** International Trade Administration, Department of Commerce.

**ACTION:** Notice.

**SUMMARY:** This notice announces membership opportunities for appointment, or reappointment, to the U.S. Section of the U.S.-India CEO Forum.

**DATES:** Applications should be received no later than 45 days after publication of this Notice.

**ADDRESSES:** Please send requests for consideration to Noor Sclafani at the Office of South Asia, U.S. Department of Commerce, by email at [noor.sclafani@trade.gov](mailto:noor.sclafani@trade.gov).

#### FOR FURTHER INFORMATION CONTACT:

Noor Sclafani, International Trade Specialist, Office of South Asia, U.S. Department of Commerce, telephone: (202) 823-1840.

#### SUPPLEMENTARY INFORMATION:

Established in 2005, the U.S.-India CEO Forum brings together leaders of the respective business communities of the United States and India to discuss issues of mutual interest, particularly ways to strengthen the economic and commercial ties between the two countries, and to communicate their joint recommendations to the U.S. and Indian governments.

The Forum will have U.S. and Indian public and private sector co-chairs. The Secretary of Commerce will serve as the U.S. Government chair. Other senior U.S. Government officials may also participate in the Forum.

The Forum also includes U.S. and Indian private sector members, who will be divided into two sections. The U.S. Section will consist of up to 20 members representing the views and interests of the private sector business community in the United States. Each government will appoint the members

to its respective Section. The Secretary of Commerce will appoint the U.S. Section and the U.S. Section's private sector co-chair. The Forum will allow the private sector to develop and provide recommendations to the two governments that reflect private sector views, needs, concerns, and suggestions about the creation of an environment in which their respective private sectors can partner, thrive, and enhance bilateral commercial ties to expand trade and economic links between the United States and India. The Forum will work in tandem with, and provide input to, the government-to-government U.S.-India Commercial Dialogue.

Candidates are currently being sought for membership in the U.S. Section. Each candidate must be the Chief Executive Officer or President (or have a comparable level of responsibility) of a U.S.-owned or controlled company that is incorporated in and has its main headquarters located in the United States and is currently conducting business in both countries. Candidates must be U.S. citizens or otherwise legally authorized to work in the United States and be generally able to travel to India and locations in the United States to attend Forum meetings as well as U.S. Section meetings. Travel and in-person activities are contingent upon the safety and health conditions in the United States and India. Should safety or health conditions not be appropriate for travel and/or in-person activities, the meeting may be postponed or a virtual meeting may be scheduled instead. The candidate may not be a registered foreign agent under the Foreign Agents Registration Act of 1938, as amended.

Applications for membership in the U.S. Section by eligible individuals will be evaluated based on the following criteria:

- A demonstrated commitment by the individual's company to the Indian market either through exports or investment.
- A demonstrated strong interest in India and its economic development.
- The ability to offer a broad perspective and business experience to the discussions.
- The ability to address cross-cutting issues that affect the entire business community.
- The ability to initiate and be responsible for activities in which the Forum will be active.
- If applicable, prior work by the applicant on the U.S. Section of the Forum.

The evaluation of applications for membership in the U.S. Section will be undertaken by a committee of staff from multiple U.S. Government agencies. The

U.S. Section of the Forum should include members who represent a diversity of business sectors and geographic locations. To the extent possible, the U.S. Section should include members from small, medium, and large firms. The Secretary will consider the same criteria when appointing the U.S. private sector co-chair.

U.S. Section members will receive no compensation for their participation in Forum-related activities. Individual members will be responsible for all travel and related expenses associated with their participation, including attendance at Forum and Section meetings. At the meetings, the U.S. and Indian Sections will be expected to offer recommendations to the U.S. and Indian governments. Only appointed members may participate in official Forum meetings; substitutes and alternates may not participate. U.S. Section members will serve for three-year terms but may be reappointed.

To be considered for membership in the U.S. Section, please submit the following information as instructed in the **ADDRESSES** and **DATE** captions above: Name and title of the individual requesting consideration; name and address of company's headquarters; location of incorporation; size of the company; size of company's export trade, investment, and nature of operations or interest in India; and a brief statement describing the candidate's qualifications that should be considered, including information about the candidate's ability to initiate and be responsible for activities in which the Forum will be active. Candidates who have previously been members of the U.S. Section will need to submit new application materials. All candidates will be notified once selections have been made.

Dated: May 12, 2021.

**Valerie Dees,**

*Director of the Office of South Asia.*

## DEPARTMENT OF COMMERCE

### National Institute of Standards and Technology

#### Selection of Naval Undersea Warfare Center Newport Division as the Designated Institute for Underwater Acoustics Measurements

**AGENCY:** National Institute of Standards and Technology, Department of Commerce.

#### **ACTION:** Notice; request for comments.

**SUMMARY:** The National Institute of Standards and Technology (NIST), an agency of the United States Department of Commerce, has designated the Naval Undersea Warfare Center (NUWC) Division Newport as the U.S. Designated Institute (DI) for Underwater Acoustics Measurements to meet the needs of the national security of the United States. This designation is in accordance with the Mutual Recognition Arrangement (MRA) of the Comité International des Poids et Mesures (CIPM), to which NIST is a signatory as the National Measurement Institute (NMI) of the United States. Section 6.1 of the MRA allows NIST to designate a laboratory other than itself to participate in the CIPM key comparisons on behalf of its nation and to be responsible for disseminating the national measurement standards relevant to a particular measurand if a substantial and demonstrable scientific need, trade barrier to an industry in the United States, or a national security need is addressed by such designation and such need cannot be addressed by NIST.

**DATES:** NIST's designation of the Naval Undersea Warfare Center (NUWC) Division Newport as the U.S. Designated Institute for Underwater Acoustics Measurements will expire on March 31, 2024. NIST will consider comments from the public regarding this designation received by that date as part of an annual review of the status and performance of the DI.

**ADDRESSES:** Comments regarding NIST's designation or any requests for further information may be sent to James Fedchak, Associate Director for Measurement Services, Physical Measurement Laboratory, National Institute of Standards and Technology, by mail to 100 Bureau Drive, Mail Stop 8400, Gaithersburg, Maryland 20899, or by electronic mail to [james.fedchak@nist.gov](mailto:james.fedchak@nist.gov).

**FOR FURTHER INFORMATION CONTACT:** For further information, please contact James Fedchak, Associate Director for Measurement Services, Physical Measurement Laboratory, National Institute of Standards and Technology, 100 Bureau Drive, Mail Stop 8400, Gaithersburg, Maryland 20899, or by electronic mail to [james.fedchak@nist.gov](mailto:james.fedchak@nist.gov) or (301) 975-8962.

#### **SUPPLEMENTARY INFORMATION:**

*Background Information:* As the NMI of the United States, NIST is responsible for all measurement standards in the United States. NIST is a signatory to the CIPM MRA. Section 6.1 of the MRA provides for cases where an NMI

chooses to nominate a laboratory other than itself to be responsible for the national measurement standards relevant to that particular measurand. Under the provisions of the MRA, NIST may designate a U.S. organization other than itself to be the DI responsible for certain national measurement standards and associated services that are not covered by the activities of NIST in accordance with the terms of the MRA.

The DI is responsible for the following tasks: Maintaining the United States' national measurement standard for a specific measurand; disseminating standards for that measurand to industry, government, and academia in the United States; submitting its quality system for review by the NIST Quality Manager and the NIST Measurement Services Council, or their designees; and maintaining its National Voluntary Laboratory Accreditation Program (NVLAP) accreditation with a scope that covers the intended measurement capability. When it is determined by NIST to be appropriate, the DI is responsible for these additional tasks: Participating, in partnership with NIST, in activities of the MRA; establishing and maintaining calibration and measurement capabilities (CMCs) that address the scope of designation for inclusion in the International Bureau of Weights and Measures (BIPM) Key Comparison Database; and participating in BIPM and Regional Metrology Organization Key Comparisons.

The status and performance of a DI will be reviewed annually by the NMSC (or their designees). NIST will consider comments received in response to this notice as one element of this review. If the DI does not meet the responsibilities as specified above, or if the identified scientific need or trade barrier is determined to no longer exist, NIST may revoke the designation of a DI.

*Underwater Acoustics Measurements:* NUWC Division Newport provides research, development, test and evaluation, engineering, analysis, and assessment, and fleet support capabilities for submarines, autonomous underwater systems, and offensive and defensive undersea weapon systems, and stewards existing and emerging technologies in support of undersea warfare. NUWC Division Newport is headquartered in Rhode Island, has detachments in West Palm Beach, Florida and Andros Island in the Bahamas, and has facilities in Seneca Lake and Fisher's Island in New York, and Dodge Pond, Connecticut.

The need for a DI for an underwater acoustics measurand was identified by the Director of NIST's Physical Measurement Laboratory as a need for
