DEPARTMENT OF STATE

[Public Notice: 11425]

Determination Under Subsection 402(d)(1) of the Trade Act of 1974, As Amended—Continuation of Waiver Authority

Pursuant to the authority vested in the President under the Trade Act of 1974, as amended, Public Law 93–618, 88 Stat. 1978 (hereinafter “the Act”), and assigned to the Secretary of State by virtue of Section 1(a) of Executive Order 13346 of July 8, 2004, and delegated by Department of State Delegation of Authority 245–2, of July 31, 2017, I determine, pursuant to Section 402(d)(1) of the Act, 19 U.S.C. 2432(d)(1), that the further extension of the waiver authority granted by Section 402 of the Act will substantially promote the objectives of Section 402 of the Act. I further determine that continuation of the waiver applicable to Turkmenistan will substantially promote the objectives of Section 402 of the Act.

This Determination shall be published in the Federal Register.

Daniel Smith,
Acting Deputy Secretary of State.

FOR FURTHER INFORMATION CONTACT:
Sarah Lopp, Director for Environment and Natural Resources, at sarah.b.lopp@ustr.eop.gov, or 202–881–9034.

SUPPLEMENTARY INFORMATION:

I. Background

Article 24.26 of the USMCA establishes an Environment Committee composed of senior government representatives. The Committee oversees implementation of the Environment Chapter and provides a forum to discuss and review implementation issues. USMCA requires the Committee to meet within one year of the date of entry into force and every two years thereafter unless the Parties otherwise agree. All Committee decisions and reports will be made publicly available, unless the Parties decide otherwise. The Committee will provide for public input on matters relevant to its work, as appropriate, and hold a public session at each meeting.

II. Committee Meeting

On June 17, 2021, the Committee will meet virtually in a government-to-government session. During the meeting the Parties will: (1) Review implementation of Chapter 24 (Environment), and discuss how the Parties are meeting their Chapter 24 obligations, and (2) receive a presentation from the Commission on Environmental Cooperation (CEC) Secretariat on cooperation and public Submissions for Enforcement Matters (SEMs). This session will not be open to the public.

III. Public Session on USMCA Chapter 24 Implementation

Following the government-to-government session, the Committee invites all interested persons to attend a virtual public session on USMCA Chapter 24 implementation. At the public session, the Committee will welcome questions, input, and information concerning implementation of the Chapter 24 obligations. The Committee will address questions raised in comments submitted to USTR, and through a live chat function overseen by a moderator. Prior to the meeting, USTR will make details on how to access the public session available on the USTR website at https://ustr.gov/issue-areas/environment.

IV. Comments

USTR invites all interested persons to submit specific questions and comments on topics and issues for the U.S. government to consider as it prepares for the Committee meeting. As noted, during the public session the public will be able to ask questions through a chat function overseen by a moderator. The Committee will address both questions raised in written comments in advance and through the live chat. When preparing comments, we encourage submitters to refer to Chapter 24 of the USMCA, which you can access at: https://ustr.gov/sites/default/files/files/agreements/usmca/24Environment.pdf.

Kelly Milton,
Assistant U.S. Trade Representative for Environment and Natural Resources, Office of the United States Trade Representative.

BILLING CODE 4710–46–P

OFFICE OF THE UNITED STATES TRADE REPRESENTATIVE

Notice of the First United States-Mexico-Canada Agreement Environment Committee Meeting

AGENCY: Office of the United States Trade Representative.

ACTION: Notice of meeting and request for comments.

SUMMARY: The Parties to the United States-Mexico-Canada Agreement (USMCA) intend to hold the first meeting of the Environment Committee (Committee) virtually, on June 17, 2021. Following the government-to-government meeting, the Committee will hold a virtual public session. The Office of the United States Trade Representative (USTR) will accept comments on suggestions for topics to be discussed during the Committee meeting, and questions for the public session.

DATES:
June 17, 2021, from 3:00 p.m. to 5:00 p.m. EST: The Parties’ will host a virtual public session of the Committee. June 4, 2021, at 11:30 p.m. EST: Deadline for submission of written comments on suggestions for meeting topics and questions for the public session.

ADDRESSES: Submit written comment to Sarah Lopp, Director for Environment and Natural Resources, by email at sarah.b.lopp@ustr.eop.gov with the subject line “USMCA Environment Committee Meeting”.

FOR FURTHER INFORMATION CONTACT:
Sarah Lopp, Director for Environment and Natural Resources, at sarah.b.lopp@ustr.eop.gov, or 202–881–9034.

BILLING CODE 4710–46–P

DEPARTMENT OF TRANSPORTATION

Pipeline and Hazardous Materials Safety Administration

AGENCY: Pipeline and Hazardous Materials Safety Administration (PHMSA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, PHMSA invites comments on four information collections pertaining to hazardous materials transportation for which PHMSA intends to request renewal from the Office of Management and Budget.

DATES: Interested persons are invited to submit comments on or before July 19, 2021.

ADDRESSES: You may submit comments identified by the Docket Number PHMSA–2021–0055 (Notice No. 2021–04) by any of the following methods:

• Federal eRulemaking Portal: http://www.regulations.gov. Follow the instructions for submitting comments.
• Fax: 1–202–493–2251.
• Mail: Docket Management System; U.S. Department of Transportation, West Building, Ground Floor, Room W12–140, Routing Symbol M–30, 1200 27009
New Jersey Avenue SE, Washington, DC 20590.

- Hand Delivery: To the Docket Management System; Room W12–140 on the ground floor of the West Building, 1200 New Jersey Avenue SE, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays.

Instructions: All submissions must include the agency name and Docket Number (PHMSA–2021–0058) for this notice at the beginning of the comment. To avoid duplication, please use only one of these four methods. All comments received will be posted without change to the Federal Docket Management System (FDMS) and will include any personal information you provide.

Requests for a copy of an information collection should be directed to Steven Andrews or Shelby Geller, Standards and Rulemaking Division, (202) 366–8553, ohmspra@dot.gov. Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, 1200 New Jersey Avenue SE, Washington, DC 20590–0001.

Docket: For access to the dockets to read background documents or comments received, go to http://www.regulations.gov or DOT’s Docket Operations Office (see ADDRESSES).

Privacy Act: In accordance with 5 U.S.C. 553(c), DOT solicits comments from the public to better inform its rulemaking process. DOT posts these comments, without edit, including any personal information the commenter provides, to www.regulations.gov, as described in the system of records notice (DOT/ALL–14 FDMS), which can be reviewed at www.dot.gov/privacy.

Confidential Business Information: Confidential Business Information (CBI) is commercial or financial information that is both customarily and actually treated as private by its owner. Under the Freedom of Information Act (FOIA; 5 U.S.C. 552), CBI is exempt from public disclosure. If your comments responsive to this notice contain commercial or financial information that is customarily treated as private, that you actually treat as private, and that is relevant or responsive to this notice, it is important that you clearly designate the submitted comments as CBI. Please mark each page of your submission containing CBI as “PROPIN.” PHMSA will place any redacted portions of those submissions in the public docket of this notice. Submissions containing CBI should be sent to Steven Andrews or Shelby Geller, Standards and Rulemaking Division and addressed to the Pipeline and Hazardous Materials Safety Administration, U.S. Department of Transportation, 1200 New Jersey Avenue SE, Washington, DC 20590–0001 or ohmspra@dot.gov. Any commentary that PHMSA receives which is not specifically designated as CBI will be placed in the public docket for this notice.

FOR FURTHER INFORMATION CONTACT:

SUPPLEMENTARY INFORMATION:
Section 1320.8(d), title 5, Code of Federal Regulations (CFR) requires PHMSA to provide interested members of the public and affected agencies an opportunity to comment on information collection and recordkeeping requests. This notice identifies information collection requests that PHMSA will be submitting to the Office of Management and Budget (OMB) for renewal and extension. These information collections are contained in 49 CFR 171.6 of the Hazardous Materials Regulations (HMR; 49 CFR parts 171–180). PHMSA has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on changes in proposed or final rules published since the information collections were last approved. The following information is provided for each information collection: (1) Title of the information collection, including former title if a change is being made; (2) OMB control number; (3) summary of the information collection activity; (4) description of affected public; (5) estimate of total annual reporting and recordkeeping burden; and (6) frequency of collection. PHMSA will request a 3-year term of approval for each information collection activity and will publish a notice in the Federal Register upon OMB’s approval.

Applications for Preemption Determination: With the exception of highway routing matters covered under 49 U.S.C. 5125(c), any person directly affected by any requirement of a State, political subdivision, or Native American Tribe may apply to the Chief Counsel for a determination whether that requirement is preempted by § 107.202(a), (b), or (c). The application must include the text of the State, political subdivision, or Native American Tribe requirement for which the determination is sought; specify each requirement of the Federal hazardous materials transportation law, regulations issued under the Federal hazardous material transportation law, or hazardous material transportation security regulations or directives issued by the Secretary of Homeland Security with which the applicant seeks the preemption.
American Tribe requirement to be compared; explain why the applicant believes the State, political subdivision, or Native American Tribe requirement should or should not be preempted under the standards of §107.202; and state how the applicant is affected by the State, political subdivision, or Native American Tribe requirement.

(5) **Waivers of Preemption:** With the exception of requirements preempted under 49 U.S.C. 5125(c), any person may apply to the Chief Counsel for a waiver of preemption with respect to any requirement that: (1) The State, political subdivision thereof, or Native American Tribe acknowledges to be preempted under the Federal hazardous materials transportation law, or (2) has been determined by a court of competent jurisdiction to be so preempted. The Chief Counsel may waive preemption with respect to such requirement upon a determination that such requirement affords an equal or greater level of protection to the public than is afforded by the requirements of the Federal hazardous materials transportation law or the regulations issued thereunder, and does not unreasonably burden commerce.

The information collected under these application procedures is used in the review process by PHMSA in determining the merits of the petitions for rulemakings and for reconsideration of rulemakings, as well as applications for special permits, preemption determinations, and waivers of preemption to the HMR. The procedures governing these petitions for rulemaking and for reconsideration of rulemakings are covered in subpart B of part 106. Applications for special permits, preemption, determinations, and waivers of preemption are covered under subparts B and C of part 107. Rulemaking procedures help PHMSA determine if a regulatory change is necessary, is consistent with public interest, and maintains a level of safety equal to or superior to that of current regulations. Special permit procedures provide the information required for analytical purposes to determine if the requested relief provides for a comparable level of safety as provided by the HMR. Additionally, PHMSA uses information from preemption procedures to determine whether a requirement of a State, political subdivision, or Indian tribe is preempted under 49 U.S.C. 5125, or regulations issued thereunder, or whether a waiver of preemption should be issued. The following information collections and their burdens are associated with this OMB Control Number.

**Affected Public:** Shippers, carriers, packaging manufacturers, and other affected entities.

**Annual Reporting and Recordkeeping Burden:**
- Number of Respondents: 3,818.
- Total Annual Responses: 3,818.
- Total Annual Burden Hours: 4,278.75.
- Frequency of Collection: On occasion.
- Title: Flammable Cryogenic Liquids.
- OMB Control Number: 2137–0542.

**Summary:** Provisions in §177.840(a)(2) specify certain safety procedures and documentation requirements for drivers of motor vehicles transporting flammable cryogenic liquids. This information allows the driver to take appropriate remedial actions to prevent a catastrophic release of the flammable cryogenics should the temperature of the material begin to rise excessively or if the travel time will exceed the safe travel time. These requirements are intended to ensure a high level of safety when transporting flammable cryogenics due to their extreme flammability and high compression ratio when in a liquid state. The following information collections and their burdens are associated with this OMB Control Number.

**Affected Public:** Carriers of cryogenic materials.

**Annual Reporting and Recordkeeping Burden:**
- Number of Respondents: 350.
- Total Annual Responses: 36,400.
- Total Annual Burden Hours: 1,214.
- Frequency of Collection: On occasion.
- Title: Response Plans for Shipments of Oil.
- OMB Control Number: 2137–0591.

**Summary:** In recent years, several major oil discharges damaged the marine environment of the United States. Under authority of the Federal Water Pollution Control Act, as amended by the Oil Pollution Act of 1990 (33 U.S.C. 1251 et seq.), PHMSA issued regulations in 49 CFR part 130 that require preparation of written spill response plans. The following information collections and their burdens are associated with this OMB Control Number.
Effective Date: May 17, 2021.

This information collection is currently under 30-day Review—Open for Public Comment. Comments must be submitted on or before June 17, 2021. Written comments and recommendations for the proposed information collection should be sent to Docket PRAMain, Office of the Comptroller of the Currency, 400 7th Street SW, Suite 3E–218, Washington, DC 20219.

Instructions: You must include “OCC” as the agency name and “1557–0332” in your comment. In general, the OCC will publish comments on www.reginfo.gov without change, including any business or personal information provided, such as name and address information, email addresses, or phone numbers. Comments received, including attachments and other supporting materials, are part of the public record and subject to public disclosure. Do not include any information in your comment or supporting materials that you consider confidential or inappropriate for public disclosure.

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-Day Review—Open for Public Comments” or by using the search function.

You may review comments and other related materials that pertain to this information collection following the close of the 30-day comment period for this notice by the following method:
