INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701–TA–666 and 731–TA–1558 (Preliminary)]

Walk-Behind Snow Throwers From China; Determinations

On the basis of the record 1 developed in the subject investigations, the United States International Trade Commission (‘‘Commission’’) determines, pursuant to the Tariff Act of 1930 (‘‘the Act’’), that there is a reasonable indication that an industry in the United States is materially injured by reason of subsidized imports of walk-behind snow throwers from China and LTFV imports of walk-behind snow throwers from China. Accordingly, effective March 30, 2021, the Commission instituted countervailing duty investigation No. 701–TA–666 and antidumping duty investigation No. 731–TA–1558 (Preliminary).

Notice of the institution of the Commission’s investigations and of a public conference to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the Federal Register of April 6, 2021 (86 FR 17852). In light of the restrictions on access to the Commission building due to the COVID–19 pandemic, the Commission conducted its conference through written testimony and video conference on April 20, 2021. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§703(a) and 733(a) of the Act (19 U.S.C. 1671b(a) and 1673b(a)). It completed and filed its determinations in these investigations on May 14, 2021. The views of the Commission are contained in USITC Publication 5197 (May 2021), entitled Walk-Behind Snow Throwers from China: Investigation Nos. 701–TA–666 and 731–TA–1558 (Preliminary). By order of the Commission.

Issued: May 14, 2021.

Lisa Barton,
Secretary to the Commission.
