

therefore believes that the proposed rule change is consistent with the requirements of Section 17A of the Act¹⁴ and the regulations thereunder applicable to it and is appropriately filed pursuant to Section 19(b)(3)(A) of the Act¹⁵ and paragraph (f)(2) of Rule 19b-4¹⁶ thereunder.

(B) Clearing Agency's Statement on Burden on Competition

ICC does not believe the proposed rule change would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purpose of the Act. As discussed above, the proposed changes modify ICC's CP and client fee schedules to introduce incentive programs for Index Options for the second half of 2021 and will apply uniformly across all market participants. The implementation of such changes does not preclude other market participants from offering similar incentive programs. Moreover, ICC does not believe that the amendments would adversely affect the ability of market participants to access clearing services. Accordingly, ICC does not believe the amendments impose any burden on competition not necessary or appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed rule change have not been solicited or received. ICC will notify the Commission of any written comments received by ICC.
