

other assurances made applicable to the award of funds in accordance with regulations of the Department of Transportation; and applicable Federal financial assistance and contracting principles promulgated by the Office of Management and Budget. In complying with these requirements, recipients, in particular, must ensure that no concession agreements are denied or other contracting decisions made on the basis of speech or other activities protected by the First Amendment. If the Department determines that a recipient has failed to comply with applicable Federal requirements, the Department may terminate the award of funds and disallow previously incurred costs, requiring the recipient to reimburse any expended award funds.

3. Reporting

Award recipients are required to submit quarterly reports, signed by an officer of the recipient, to the Program Office to keep MARAD informed of all activities during the reporting period. The reports will indicate progress made, planned activities for the next reporting period, and a listing of any purchases made with grant funds during the reporting period. In addition, the report will include an explanation of any deviation from the projected budget and timeline. Quarterly reports will also contain, at a minimum, the following: (i) A statement as to whether the award recipient has used the grant funds consistent with the terms contemplated in the grant agreement; (ii) if applicable, a description of the budgeted activities not procured by recipient; (iii) if applicable, the rationale for recipient's failure to execute the budgeted activities; (iv) if applicable, an explanation as to how and when recipient intends to accomplish the purposes of the grant agreement; and (v) a budget summary showing funds expended since commencement, anticipated expenditures for the next reporting period, and expenditures compared to overall budget.

Award recipients will also collect information and report on the project's observed performance with respect to the relevant long-term outcomes that are expected to be achieved through the project. Performance indicators will not include formal goals or targets, but will include observed measures under baseline (pre-project) as well as post-implementation outcomes for an agreed-upon timeline, and will be used to evaluate and compare projects and monitor the results that grant funds achieve to the intended long-term outcomes of the AMHP. Performance reporting continues for several years

after the project is completed, and MARAD does not provide Marine Highway Grant funding specifically for performance reporting.

G. Federal Awarding Agency Contacts

To ensure applicants receive accurate information about eligibility, the program, or in response to other questions, applicants are encouraged to contact MARAD directly, rather than through intermediaries or third parties. Please see contact information in the **FOR FURTHER INFORMATION CONTACT** section above.

[DOT-NHTSA-2020-104]

National Emergency Medical Services Advisory Council Notice of Public Meeting

AGENCY: National Highway Traffic Safety Administration, U.S. Department of Transportation (DOT).

ACTION: Notice of public meeting.

SUMMARY: This notice announces a meeting of the National Emergency Medical Services Advisory Council (NEMSAC).

DATES: The meeting will be held August 11–12, 2021, from 9:00 a.m. to 5:00 p.m. EDT.

Requests to attend the meeting must be received by August 6, 2021.

Requests for accommodations to a disability must be received by August 6, 2021.

If you wish to speak during the meeting, you must submit a written copy of your remarks to DOT by August 6, 2021.

Requests to submit written materials to be reviewed during the meeting must be received no later than August 6, 2021.

ADDRESSES: The meeting will be held virtually (depending on the status of the Coronavirus Disease 2019 (COVID-19) pandemic) or at the U.S. Department of Transportation, 1200 New Jersey Avenue SE, Washington, DC 20590. Copies of the meeting minutes will be available on the NEMSAC internet website at *EMS.gov*. The detailed agenda

will be posted on the NEMSAC internet website at *EMS.gov* at least one week in advance of the meeting.

FOR FURTHER INFORMATION CONTACT:

Clary Mole, EMS Specialist, U.S. Department of Transportation, at *Clary.Mole@DOT.gov* or 202.366.2795. Any committee related requests should be sent to the person listed in this section.

SUPPLEMENTARY INFORMATION:

I. Background

The NEMSAC was established pursuant to Section 31108 of the Moving Ahead for Progress in the 21st Century (MAP-21) Act of 2012, under the Federal Advisory Committee Act. The purpose of NEMSAC is to serve as a nationally recognized council of emergency medical services (EMS) representatives to provide advice and consult with:

a. The Federal Interagency Committee on Emergency Medical Services (FICEMS) on matters relating to EMS issues; and

b. The Secretary of Transportation on matters relating to EMS issues affecting DOT.

The NEMSAC provides an important national forum for the non-Federal deliberation of national EMS issues and serves as a platform for advice on DOT's national EMS activities. NEMSAC also provides advice and recommendations to the FICEMS. NEMSAC is authorized under Section 31108 of the MAP-21 Act of 2012, codified at 42 U.S.C. 300d-4.

II. Agenda

At the meeting, the agenda will cover the following topics:

- Updates from Federal Emergency Services Liaisons
- Updates on the FICEMS Initiatives
- Updates on NHTSA Initiatives
- Committee Reports

III. Public Participation

The meeting will be open to the public. Members of the public who wish to attend in person must RSVP to the person listed in the **FOR FURTHER INFORMATION CONTACT** section with your name and affiliation.

The U.S. Department of Transportation is committed to providing equal access to this meeting for all participants. If you need alternative formats or services because of a disability, such as sign language, interpretation, or other ancillary aids, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section no later than the deadline listed in the **DATES** section.

There will be a thirty (30) minute period allotted for comments from

members of the public joining the meeting. To accommodate as many speakers as possible, the time for each commenter may be limited. Individuals wishing to reserve speaking time during the meeting must submit a request at the time of registration, as well as the name, address, and organizational affiliation of the proposed speaker. If the number of registrants requesting to make statements is greater than can be reasonably accommodated during the meeting, the NHTSA office of EMS may conduct a lottery to determine the speakers. Speakers are requested to submit a written copy of their prepared remarks for inclusion in the meeting records and for circulation to NEMSAC members. All prepared remarks submitted on time will be accepted and considered as part of the record. Any member of the public may present a written statement to the committee at any time.

Authority: 42 U.S.C. 300d-4(b); 49 CFR part 1.95(i)(4).

Issued in Washington, DC.

Nanda Narayanan Srinivasan,
Associate Administrator, Research and Program Development.

DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[Docket No. NHTSA-2019-0082]

Agency Information Collection Activities; Notice and Request for Comment; Drivers' Use of Camera-Based Rear Visibility Systems Versus Traditional Mirrors

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation (DOT).

ACTION: Notice and request for comments on a request for approval of a new collection of information.

SUMMARY: The National Highway Traffic Safety Administration (NHTSA) is re-issuing an announcement of our intention to request the Office of Management and Budget's (OMB) approval of a proposed collection of certain information by the Agency. Before a Federal agency can collect certain information from the public, it must receive approval from OMB. Procedures established under the Paperwork Reduction Act of 1995 (the PRA) require Federal agencies to publish a notice in the **Federal Register** concerning each proposed collection of

information and to allow 60 days for public comment in response to the notice. The proposed collection of information supports research addressing safety-related aspects of drivers' use of camera-based rear visibility systems intended to serve as a replacement for traditional mirrors. On August 28, 2019, NHTSA published a notice in the **Federal Register** Notice soliciting public comments with a 60-day comment period. NHTSA received 22 public comments submitted to the docket and one additional comment submitted via email. Given the extended time period since the initial publication of that notice, NHTSA is publishing this new 60-day notice. This new notice addresses comments received on the original 60-day notice relevant to the current study design.

DATES: Comments must be received on or before July 23, 2021.

ADDRESSES: You may submit comments identified by the docket number in the heading of this document or by any of the following methods:

- **Federal eRulemaking Portal:** Go to <http://www.regulations.gov>. Follow the instructions for submitting comments on the electronic docket site by clicking on "Help" or "FAQ".

- **Mail or Hand Delivery:** Docket Management, U.S. Department of Transportation, 1200 New Jersey Avenue SE, West Building, Room W12-140, Washington, DC 20590, between 9 a.m. and 5 p.m., Monday through Friday, except on Federal holidays. To be sure someone is there to help you, please call (202) 366-9322 before coming.

- **Fax:** 202-493-2251.

Instructions: Each submission must include the Agency name and the Docket number for this Notice. Note that all comments received will be posted without change to www.regulations.gov, including any personal information provided. Please see the Privacy heading below.

Privacy Act: Anyone is able to search the electronic form of all comments received into any of our dockets by the name of the individual submitting the comment (or signing the comment, if submitted on behalf of an association, business, labor union, etc.). You may review DOT's complete Privacy Act Statement in the **Federal Register** published on April 11, 2000 (65 FR 19477-78) or you may visit <http://www.dot.gov/privacy.html>.

Docket: For access to the docket to read comments received, go to <http://www.regulations.gov>, or the street address listed above. Follow the online instructions for accessing the dockets.

FOR FURTHER INFORMATION CONTACT:

Elizabeth Mazzae, Applied Crash Avoidance Research Division, Vehicle Research and Test Center, NHTSA, 10820 State Route 347—Bldg. 60, East Liberty, Ohio 43319; Telephone (937) 666-4511; Facsimile: (937) 666-3590; email address: elizabeth.mazzae@dot.gov.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d)), an agency must ask for public comment on the following: (i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (ii) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (iii) how to enhance the quality, utility, and clarity of the information to be collected; (iv) how to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses. In compliance with these requirements, NHTSA asks for public comments on the following proposed collection of information:

Title: Drivers' Use of Camera-Based Rear Visibility Systems Versus Traditional Mirrors.

OMB Control Number: New.

Form Numbers: NHTSA forms 1553, 1554, 1555, 1556, 1557, 1558.

Type of Request: New collection.

Type of Review Requested: Regular.

Requested Expiration Date of Approval: Three years from date of approval.

Summary of the Collection of Information:

NHTSA proposes to perform research involving the collection of information from the public as part of a multi-year effort to learn about drivers' use of camera-based indirect visibility systems as compared to their use of traditional rearview mirrors. This research is
