#### **Certain Lined Paper Products From India: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2018-2019**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) determines that Navneet Education Ltd. (Navneet) and Super Impex did not make sales of certain lined paper products from India at prices below normal value during the period of review (POR) September 1, 2018, through August 28, 2019. In addition, Commerce determines that Marisa International had no shipments during the POR.

**DATES:** Applicable May 25, 2021.

**FOR FURTHER INFORMATION CONTACT:** Samuel Brummitt, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-7851.

#### **SUPPLEMENTARY INFORMATION:**

#### **Background**

On January 19, 2021, Commerce published the *Preliminary Results*.<sup>1</sup> On April 24, 2020, Commerce tolled all deadlines in administrative reviews by 50 days.<sup>2</sup> On July 21, 2020, Commerce tolled all deadlines in administrative reviews by an additional 60 days.<sup>3</sup> The deadline for the final results of this review is now May 19, 2021. For a complete description of the events that occurred since the *Preliminary Results*,

<sup>1</sup> See *Certain Lined Paper Products from India: Preliminary Results of Antidumping Duty Administrative Review and Preliminary Determination of No Shipments; 2018-2019*, 86 FR 5132 (January 19, 2021) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum.

<sup>3</sup> See Memorandum, "Tolling of Deadlines for Antidumping and Countervailing Duty Administrative Reviews," dated July 21, 2020.

see the Issues and Decision Memorandum.<sup>4</sup>

#### **Scope of the Order**

The products covered by this *Order* are certain lined paper products from India. For a full description of the scope, see the Issues and Decision Memorandum.

#### **Final Determination of No Shipments**

In the *Preliminary Results*, we preliminarily found that Marisa International had no shipments of subject merchandise during the POR. Following the publication of the *Preliminary Results*, we received no comments from interested parties regarding Marisa International, nor has any party submitted record evidence which would call our preliminary determination of no shipments into question. Therefore, for the final results, we continue to find that Marisa International had no shipments of subject merchandise during the POR. Accordingly, consistent with Commerce's practice, we intend to instruct U.S. Customs and Border Protection (CBP) to liquidate any existing entries of merchandise produced by Marisa International, but exported by other parties, at the rate for the intermediate reseller, if available, or at the all-others rate.<sup>5</sup>

Regarding Lodha Offset Limited (Lodha), we received information from CBP indicating possible shipments from Lodha.<sup>6</sup> Lodha did not comment on the Entry Summary Memorandum. Therefore, for the final results, we continue to find that Lodha had shipments of subject merchandise during the POR. Accordingly, we are including Lodha among the group of companies that are subject to the non-selected rate.

#### **Analysis of Comments Received**

ACCESS is available to registered users at <https://access.trade.gov>. ### Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties, we made the following changes to the *Preliminary Results*:

- Navneet's interest expense ratio.<sup>7</sup>
- The calculation of the indirect selling expense ratio used in Super Impex's margin analysis.<sup>8</sup>

### Final Results of the Review

As a result of this review, Commerce determines that the following weighted-average dumping margins exist for the period September 1, 2018, through August 31, 2019:

Producer/exporter	Weighted-average dumping margin (percent)
Cellpage Ventures Private Limited .....	0.00
Goldenpalm Manufacturers PVT Limited .....	0.00
Kokuyo Riddhi Paper Products Pvt. Ltd .....	0.00
Lodha Offset Limited .....	0.00
Lotus Global Private Limited .....	0.00
Magic International Pvt. Ltd .....	0.00
Navneet Education Ltd .....	0.00
PP Bafna Ventures Private Limited .....	0.00
Pioneer Stationery Pvt. Ltd .....	0.00
SAB International .....	0.00
SGM Paper Products .....	0.00
Super Impex .....	0.00

For the companies that were not selected for individual review, we assigned a rate based on the rates for the respondents that were selected for individual review, excluding rates that are zero, *de minimis*, or based entirely on facts available.<sup>9</sup> In accordance with the U.S. Court of Appeals for the Federal Circuit's decision in *Albemarle Corp. v. United States*, we are applying to the ten companies not selected for

individual review the zero percent rates calculated for Navneet and Super Impex.<sup>10</sup> These are the only rates determined in this review for individual respondents and, thus, should be applied to the ten firms not selected for individual review under section 735(c)(5)(B) of the Act.

### Disclosure and Public Comment

We intend to disclose the calculations performed to parties in this proceeding within five days after publication of these final results in the **Federal Register**, in accordance with section 751(a) of the Act and 19 CFR 351.224(b).

### Assessment Rates

Upon completion of this administrative review, Commerce shall determine and U.S. Customs and Border Protection (CBP) shall assess antidumping duties on all appropriate entries. Because the weighted-average dumping margins of Navneet, Super Impex, and the ten firms not selected for individual examination have been determined to be zero within the meaning of 19 CFR 351.106(c), we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties. In accordance with Commerce's practice, for entries of subject merchandise during the POR for which Navneet and Super Impex did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate such entries at the all-others rate if there is no company-specific rate for the intermediate company(ies) involved in the transaction.<sup>11</sup>

Consistent with its recent notice,<sup>12</sup> Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

### Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of the subject merchandise

<sup>10</sup> See *Albemarle Corp. v. United States*, 821 F.3d 1345 (Fed. Cir. 2016) (*Albemarle Corp. v. United States*).

<sup>11</sup> See *Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003).

<sup>12</sup> See *Notice of Discontinuation of Policy to Issue Liquidation Instructions After 15 Days in Applicable Antidumping and Countervailing Duty Administrative Proceedings*, 86 FR 3995 (January 15, 2021).

entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for the companies listed above will be the rate established in the final results of this administrative review; (2) for merchandise exported by producers or exporters not covered in this administrative review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding; (3) if the exporter is not a firm covered in this review, a prior review, or the original less-than-fair-value (LTFV) investigation, but the producer is, the cash deposit rate will be the rate established for the most recently completed segment of this proceeding for the producer of the subject merchandise; and (4) the cash deposit rate for all other producers or exporters will continue to be 3.91 percent, the all-others rate established in the LTFV investigation.<sup>13</sup> These cash deposit requirements, when imposed, shall remain in effect until further notice.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties and/or countervailing duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in the Commerce's presumption that reimbursement of antidumping and/or countervailing duties has occurred and the subsequent assessment of double antidumping duties.

### Administrative Protective Order

This notice also serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials, or conversion to judicial protective order, is hereby requested.

<sup>13</sup> See *Notice of Amended Final Determination of Sales at Less Than Fair Value: Certain Lined Paper Products from the People's Republic of China; Notice of Antidumping Duty Orders: Certain Lined Paper Products from India, Indonesia and the People's Republic of China; and Notice of Countervailing Duty Orders: Certain Lined Paper Products from India and Indonesia*, 71 FR 56949 (September 28, 2006) (Order).

<sup>9</sup> See section 735(c)(5)(A) of the Tariff Act of 1930, as amended (the Act).

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Commercial Operator's Annual Report (COAR)

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on January 11, 2021 (86 FR 1943), during a 60-day comment period. This notice allows for

an additional 30 days for public comments.

*Agency:* National Oceanic and Atmospheric Administration (NOAA), Commerce.

*Title:* Commercial Operator's Annual Report (COAR).

*OMB Control Number:* 0648-0428.

*Form Number(s):* None.

*Type of Request:* Regular submission (extension of a current information collection).

*Number of Respondents:* 72.

*Average Hours per Response:*

Commercial Operator's Annual Report: 8 hours.

*Total Annual Burden Hours:* 576 hours.

*Needs and Uses:* The National Marine Fisheries Service (NMFS), Alaska Regional Office, is requesting renewal of the currently approved information collection for the Commercial Operator's Annual Report (COAR).

The COAR is a State of Alaska report that is required to be completed and submitted by direct marketers, catcher processors, catcher exporters, buyer exporters, shore-based processors, and floating processor permit holders pursuant to Alaska Administrative Code (5 AAC 39.130) and Federal regulations at 50 CFR 679. Under 50 CFR 679.5(p), NMFS requires motherships and catcher processors that are issued a Federal fisheries permit to annually complete and submit the appropriate sections of the COAR.

The COAR is used to gather statewide fish and shellfish information describing buying (ex-vessel) and production (wholesale or retail) activities. The information collected in the COAR is used to determine the value of Alaska's fisheries resources and products. NMFS uses the COAR database in annual Federal publications on the value of U.S. commercial fisheries, in the annual NMFS Stock Assessment and Fishery Evaluation reports for the groundfish fisheries of the Bering Sea and Aleutian Islands and the Gulf of Alaska, and in periodic reports that describe the fisheries and that serve as reference documents to management agencies, the industry, and others.

The mothership and catcher processor data, when added to the COAR information collected from shoreside processors and stationary floating processors required under State of Alaska requirements, yield a complete database of equivalent annual product value information for all respective processing sectors. The information also provides a consistent time series according to which groundfish resources may be managed more

efficiently. Use of the information generated by the COAR is coordinated between NMFS and the Alaska Department of Fish and Game (ADF&G).

The COAR must be submitted by April 1 to the ADF&G for the previous year's activity for all operations that are required to submit a COAR. NMFS requires the owner of a mothership or catcher processor to annually complete and submit the appropriate forms of the COAR, whether the processor operated that year or not. If no receipt or production took place for that year, the owner submits only the COAR certification page.

The COAR requires submission of information on seafood purchasing, production, and both ex-vessel and wholesale values of seafood products. The buying information is reported by species, harvest area, area of purchase, condition of fisheries resources at the time of purchase, type of gear used in the harvest, pounds purchased, and ex-vessel value. The ex-vessel value includes any post-season adjustments or bonuses paid after the fish was purchased. The production information is reported by species, area of processing, process type (e.g., frozen, canned, smoked), product type (e.g., fillets, surimi, sections), net weight of the processed product, and the first wholesale value.

*Affected Public:* Individuals or households; Business or other for-profit organizations.

*Frequency:* Annually.

*Respondent's Obligation:* Mandatory.

*Legal Authority:* Magnuson-Stevens Fishery Conservation and Management Act, 16 U.S.C. 1801 *et seq.*

This information collection request may be viewed at [www.reginfo.gov](http://www.reginfo.gov). Follow the instructions to view the Department of Commerce collections currently under review by OMB.

Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website [www.reginfo.gov/public/do/PRAMain](http://www.reginfo.gov/public/do/PRAMain). Find this particular information collection by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function and entering either the title of the collection or the OMB Control Number 0648-0428.
