Notice of public meeting, publishing on May 20, 2021, provides 14 days before the meeting date of June 3, 2021. There is good cause for this late notice. This notice was published late due to extenuating circumstances, including the ongoing COVID–19 pandemic, and the need for additional scheduling arrangements to ensure the ability of all 911 Strike Force members to participate in this initial meeting and to accommodate member and staff schedules. Thus, the FCC was unable to submit the meeting Notice to the OFR in time for the OFR to schedule publication to satisfy the 15-day advance notice requirement without causing significant disruption to 911 Strike Force members and FCC staff.
