Estimated Total Annual Burden Hours: 12,000 hours.

TABLE 2—CALCULATION OF ANNUAL BURDEN HOURS

| Estimated Number of Respondents Annually | 20. |
| Estimated Burden Hours for Voluntary Assessment Development | 520 hours. |
| Estimated Burden Hours for Summarizing Information | 80 hours. |
| Total Burden Hours per ADS | 600 hours. |
| Total Estimated Burden Hours for Industry per Year | 12,000 hours. |

NHTSA estimates the hourly cost associated with preparing VSSAs to be $97.36\(^5\) per hour using the Bureau of Labor Statistics’ mean hourly wage estimate for architectural and engineering managers in the motor vehicle manufacturing industry (Standard Occupational Classification #11–9041). Therefore, the total estimated annual burden to each respondent is $58,416 (600 hours × $97.36 = $58,416). Therefore, the total estimated labor costs to all respondents to this collection is $1,168,320.

Estimated Total Annual Burden Cost: NHTSA does not anticipate any further burden to respondents beyond the labor costs associated with the burden hours.

Public Comments Invited
You are asked to comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) ways for the department to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses without reducing the quality of the collected information.

Cem Hatipoglu,
Associate Administrator for Vehicle Safety Research.

U.S.–CHINA ECONOMIC AND SECURITY REVIEW COMMISSION

Notice of Open Public Hearing

ACTION: Notice of open public hearing.

SUMMARY: Notice is hereby given of the following hearing of the U.S.–China Economic and Security Review Commission. The Commission is mandated by Congress to investigate, assess, and report to Congress annually on “the national security implications of the economic relationship between the United States and the People’s Republic of China.” Pursuant to this mandate, the Commission will hold a public hearing in Washington, DC, on June 10, 2021 on “China’s Nuclear Forces.”

DATES: The hearing is scheduled for Thursday, June 10, 2021, 9:30 a.m.

ADDRESSES: This hearing will be held with panelists and Commissioners participating in-person or online via videoconference. Members of the audience will be able to view a live webcast via the Commission’s website at www.uscc.gov. Also, please check the Commission’s website for possible changes to the hearing schedule.

Reservations are not required to attend the hearing.

FOR FURTHER INFORMATION CONTACT: Any member of the public seeking further information concerning the hearing should contact Jameson Cunningham, 444 North Capitol Street NW, Suite 602, Washington, DC 20001; telephone: 202–624–1496, or via email at jcunningham@uscc.gov. Reservations are not required to attend the hearing.

ADA Accessibility: For questions about the accessibility of the event or to request an accommodation, please contact Jameson Cunningham via email at jcunningham@uscc.gov. Requests for an accommodation should be made as soon as possible, and at least five business days prior to the event.

SUPPLEMENTARY INFORMATION:

Background: This is the sixth public hearing the Commission will hold during its 2021 report cycle. This hearing will examine the modernization, expansion, and adaptation of China’s nuclear capabilities over time. The first panel will examine China’s nuclear weapons stockpile and delivery systems; the nuclear forces’ command, control, and communications; and Beijing’s use of military-civil fusion to support the nuclear forces. The second panel will explore why China seeks to modernize its nuclear forces, historical changes in Chinese nuclear doctrine, and the possibility of escalation to nuclear use in selected regional contingencies. The final panel will assess the implications of China’s growing nuclear capabilities for the United States, the region, and the global nonproliferation regime.

The hearing will be co-chaired by Commissioner Jeffrey Fiedler and Commissioner Alex Wong. Any interested party may file a written statement by June 10, 2021 by transmitting to the contact above. A portion of the hearing will include a question and answer period between the Commissioners and the witnesses.

Dated: May 21, 2021.

Daniel W. Peck,
Executive Director, U.S.–China Economic and Security Review Commission.
