price of the aircraft, the foreign
government may require this sort of
extra compensation as a condition of
awarding the contract to purchase the
aircraft. As described in the Offsets
Regulations, U.S. firms are required to
report information on contracts for the
sale of defense articles or defense
services to foreign countries or foreign
firms that are subject to offsets
agreements exceeding $5,000,000 in
value. U.S. firms are also required to
report annually information on offsets
transactions completed in performance
of existing offsets commitments for
which offsets credit of $250,000 or more
has been claimed from the foreign
representative.

Commerce’s annual report to Congress
includes an aggregated summary of the
data reported by industry in accordance
with the offsets regulation and the DPA
(50 U.S.C. 4568 (2021)). As provided by
section 723(c) of the DPA, BIS will not
publicly disclose individual firm
information it receives through offsets
reporting unless the firm furnishing the
information specifically authorizes
public disclosure. The information
collected is sorted and organized into an
aggregate report of national offsets data,
and therefore does not identify
company-specific information.

To enable BIS to prepare the next
annual offset report reflecting calendar
year 2020 data, affected U.S. firms must
submit required information on offsets
agreements and offsets transactions from
calendar year 2020 to BIS no later than

Matthew S. Borman,
Deputy Assistant Secretary for Export
Administration.

Background
On March 1, 2021, Commerce
published in the Federal Register a
notice of opportunity to request an
administrative review of the
antidumping duty order on glycine from
China covering the period of review
March 1, 2020, through February 28,
2021.1 On March 31, 2021, GEO
Specialty Chemicals, Inc. (GEO), a
domestic producer of glycine, filed a
timely request for review in accordance
with section 751(a) of the Tariff Act of
1930, as amended (the Act) and 19 CFR
351.213(b).2 Pursuant to this request, and
in accordance with 19 CFR 351.221(c)(1)(i), Commerce
initiated this administrative review with respect to
one company, Baoding Mantong Fine
Chemistry Co., Ltd. (Baoding Mantong),
on May 5, 2021.3 On May 14, 2021, GEO
withdrew its request for this
administrative review with respect to
Baoding Mantong.4

Rescission of Review
Pursuant to 19 CFR 351.213(d)(1),
Commerce will rescind an
administrative review, in whole or in
part, if the party that requested the
review withdraws the request within 90
days of the publication date of the
notice of initiation of the requested
review. GEO timely submitted a
withdrawal of its review request within
the 90-day deadline. No other party
requested this administrative review.
Therefore, in accordance with 19 CFR
351.213(d)(1), we are rescinding this
administrative review in its entirety.

Assessment
Commerce will instruct U.S. Customs
and Border Protection (CBP) to assess
antidumping duties on all appropriate
entries of glycine from China.
Antidumping duties shall be assessed at
rates equal to the cash deposit of
estimated antidumping duties required
at the time of entry, or withdrawal from
warehouse, for consumption, in
accordance with 19 CFR
351.212(c)(1)(i). Commerce intends to
issue appropriate assessment
instructions to CBP 35 days after the
date of publication of this notice in the
Federal Register.

Notification to Importers
This notice serves as the only
reminder to importers, whose entries
will be liquidated as a result of this
rescission notice, of their responsibility
under 19 CFR 351.402(f)(2) to file a
certificate regarding the reimbursement
of antidumping duties prior to
liquidation of the relevant entries
during this review period. Failure to
comply with this requirement could
result in Commerce’s presumption that
reimbursement of the antidumping
duties occurred and the subsequent
assessment of double antidumping
duties.

Notification Regarding Administrative
Protective Order
This notice also serves as a reminder
to all parties subject to administrative
protective order (APO) of their
responsibility concerning the
disposition of proprietary information
disclosed under APO in accordance
with 19 CFR 351.305(a)(3). Timely
written notification of the return/
destruction of APO materials or
conversion to judicial protective order is
hereby requested. Failure to comply
with the regulations and terms of an
APO is a violation which is subject to
sanction.

Notification to Interested Parties
This notice is issued and published in
accordance with sections 751(a) and
777(i)(1) of the Act and 19 CFR
351.213(d)(4).

and Countervailing Duty Operations.
