Foreign-Trade Zones Board

[B–41–2021]

Foreign-Trade Zone (FTZ) 7 — Mayaguez, Puerto Rico; Notification of Proposed Production Activity; AbbVie Ltd. (Pharmaceutical Products), Barceloneta, Puerto Rico

AbbVie Ltd. (AbbVie), submitted a notification of proposed production activity to the FTZ Board for its facility in Barceloneta, Puerto Rico. The notification conformed to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on May 19, 2021.

AbbVie already has authority to produce pharmaceutical products within Subzone 71. The current request would add a finished product and a foreign status material to the scope of authority. Pursuant to 15 CFR 400.14(b), additional FTZ authority would be limited to the specific foreign-status material and specific finished product described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt AbbVie from customs duty payments on the foreign-status materials/components used in export production. On its domestic sales, for the foreign-status materials/components noted below and in the existing scope of authority, AbbVie would be able to choose the duty rates during customs entry procedures that applies to IMBRUVICA® capsules and tablets (duty-free). AbbVie would be able to avoid duty on foreign-status components which become scrap/waste. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The material sourced from abroad is Ibrutinib active pharmaceutical ingredient (duty rate 6.5%). The request indicates that Ibrutinib is subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is July 6, 2021.

A copy of the notification will be available for public inspection in the “Reading Room” section of the Board’s website, which is accessible via www.trade.gov/ftz.

For further information, contact Christopher Wedderburn at Chris.Wedderburn@trade.gov.

Dated: May 21, 2021.

Elizabeth Whiteman,
Acting Executive Secretary.

Pursuant to Section 766.24 of the Export Administration Regulations, 15 CFR parts 730–774 (2021) (“EAR” or “the Regulations”), I hereby grant the request of the Office of Export Enforcement (“OEE”) to renew the temporary denial order issued in this matter on November 24, 2020. I find that renewal of this order, as modified, is necessary in the public interest to prevent an imminent violation of the Regulations.

1 The Regulations, currently codified at 15 CFR 730–774 (2021), originally issued pursuant to the Export Administration Act (50 U.S.C. 4601–4623 (Supp. III 2015)) (“EAA”), which lapsed on August 21, 2001. The President, through Executive Order 13222 of August 17, 2001 (3 CFR, 2001 Comp. 783 (2002)), as extended by successive Presidential Notices, continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. 1701, et seq. (2012)) (“IEEPA”). On August 13, 2018, the President signed into law the John S. McCain National Defense Authorization Act for Fiscal Year 2019, which includes the Export Control Reform Act of 2018, 50 U.S.C. 4801–4852 (“ECRA”). While Section 1766 of ECRA repeals the provisions of the EAA (except for three sections which are inapplicable here), Section 766.24 of ECRA provides, in pertinent part, that all orders, rules, regulations, and other forms of administrative action that were made or issued under the EAA, including as continued in effect pursuant to IEEPA, and were in
