**AGENCY:** United States International Trade Commission.

**ACTION:** Notice.

Pursuant to the Act, interested parties are requested to respond to this notice by submitting the information specified below to the Commission.

**DATES:** Instituted June 1, 2021. To be assured of consideration, the deadline for responses is July 1, 2021. Comments on the adequacy of responses may be filed with the Commission by August 13, 2021.

**SUPPLEMENTARY INFORMATION:**

**Background.**—On July 14, 2016, the Department of Commerce (“Commerce”) issued antidumping duty orders on imports of cold-rolled steel flat products from Japan and China (81 FR 45690), and a countervailing duty order on imports from China (81 FR 45690). On September 20, 2016, Commerce issued antidumping duty orders on imports of cold-rolled steel flat products from Brazil, India, Korea, and the United Kingdom (81 FR 64432). Additionally, on September 20, 2016, Commerce issued countervailing duty orders on imports of cold-rolled steel flat products from Brazil, India, and Korea (81 FR 64436). The Commission is conducting reviews pursuant to section 751(c) of the Act, as amended (19 U.S.C. 1675(c)), to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time. Provisions concerning the conduct of this proceeding may be found in the Commission’s Rules of Practice and Procedure at 19 CFR part 201, subparts A and B, and 19 CFR part 207, subparts A and F. The Commission will assess the adequacy of interested party responses to this notice of institution to determine whether to conduct full or expedited reviews. The Commission’s determination in any expedited review will be based on the facts available, which may include information provided in response to this notice.

**Definitions.**—The following definitions apply to this review:

(1) *Subject Merchandise* is the class or kind of merchandise that is within the scope of the five-year review, as defined by the Department of Commerce.

(2) *Subject Countries* in these reviews are Brazil, China, India, Japan, Korea, and the United Kingdom.

(3) The *Domestic Like Product* is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the *Subject Merchandise*. In its original determinations, the Commission defined the *Domestic Like Product* as consisting of cold-rolled steel that was coextensive with Commerce’s scope.

(4) The *Domestic Industry* is the U.S. producers as a whole of the *Domestic Like Product*, or those producers whose collective output of the *Domestic Like Product* constitutes a major proportion of the total domestic production of the product. In its original determinations, the Commission defined the *Domestic Industry* as all U.S. producers of cold-rolled steel.

(5) The *Order Date* is the date that the countervailing duty orders under review became effective. In these reviews, the *Orders Date* is July 14, 2016.

(6) An *Importer* is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the *Subject Merchandise* into the United States from a foreign manufacturer or through its selling agent.

**Participation in the proceeding and public service list.**—Persons, including industrial users of the *Subject Merchandise* and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the proceeding as parties must file an entry of appearance with the Secretary to the Commission, as provided in § 201.11(b)(4) of the Commission’s rules, no later than 21 days after publication of this notice in the Federal Register. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the proceeding.

Former Commission employees who are seeking to appear in Commission five-year reviews are advised that they may appear in a review even if they participated personally and substantially in the corresponding underlying original investigation or an earlier review of the same underlying investigation. The Commission’s designated agency ethics official has advised that a five-year review is not the same particular matter as the underlying original investigation, and a five-year review is not the same particular matter
as an earlier review of the same underlying investigation for purposes of
18 U.S.C. 207, the post-employment statute for Federal employees, and

73 FR 24609 (May 5, 2008).
Consequently, former employees are not required to seek Commission approval
to appear in a review under Commission rule
19 CFR 201.15, even if the corresponding underlying original investigation or an earlier review of the
same underlying investigation was pending when they were Commission
employees. For further ethics advice on this matter, contact Charles Smith,
